ABOUT US

We Are Your Racking & Shelving Partner in UAE

We at Sama Al Shahba specialize in the best racking & shelving solutions, and we pride ourselves in offering bespoke services at competitive cost.

From design, supply, installation to get you the complete warehouse racking in Dubai, we make sure that you get better storage space with increased productivity at your warehouse, industrial stockrooms, workshops, retail rooms and more

With an aim to be the leaders in the industry, Sama Al Shahba was established in the year 2012 in UAE. Since then, we have been providing state-of-the-art services and world-class quality products in the Middle East. Our expertise has many years of experience in the important shelving projects in Emirates, Middle East, and East African countries.

As an Emirati owned company, we understand the importance of providing sustained opportunities for development and career progression for the youth of the UAE, and for that reason has promoted Emiratization across it's group enterprises. Believing and empowering the Emirati youth, as well as ensuring an atmosphere of growth and development for all of our employees has been at the core of Sama Al Shahba success in the region and is why we are considered to be leaders in our various industry sectors.
