Why Choose Us?

What We Do

Our scope of works start from designing to fabrication, final finishing and installation. We have various types of designs for Staircases, Gates, Doors, Balconies, Fences and Custom designs as per the clients demands. Dubai Arts Metal also specializes doing handcraft items like table, chair, letter box and other decorative products.

What We Deliver

Our establishment has stern quality check at every level from purchasing the steel materials, primers to paints for durability. We give the attention for fabrication like cutting, bending, proper welding, sanding and painting. Our engineers always propose hot dip galvanizing for exposed items near coastal and rainy areas to get additional covering, the products which we manufacture are made from best raw materials that help to withstand extreme climatic conditions of the gulf region.

Dubai Arts Metal has professional and experienced workers and modern machinery for manufacturing steel and other metal products. We are specialized in Stainless Steel, Brass, Aluminium and other casting for decorative designs.
