ABOUT US

With a passion for innovation and creativity, we design and build stunning and unique swimming pools, landscaping, outdoor spaces, and interiors. We have a total of over 15 years' experience in pool, landscaping and interior/outdoor design. We have become a premier designer and builder of innovative, beautiful and highly functional backyards spaces, as well as interior designs for villas.

With a passion for innovation and creativity, we design and build stunning and unique pools, landscaping, outdoor spaces, and interiors. Our philosophy is to use the best quality materials, artisan craftsmanship, and cutting-edge designs to meet the unique requirements of our infinitely varied clientele. We build healthy, comfortable, safe, beautiful and sustainable environments that meld beauty with cost efficiency.

All of our designs are custom made to meet each client's individual tastes, needs, and budget.

OUR SERVICES

DESIGN & BUILD

CEO STATEMENT

It's great pleasure to welcome you to PCMA Building & contracting LLC. The aim of the company is to provide the best quality products and services to clients with new ideas, visions and creativity. We hold great pride of being associated to several private and governmental entities, which have been providing us with their continuous support and confidence to further progress and excel towards even better prospect.

In addition; our commitment to attracting the best expertise and talent around the globe, coming from the company's belief in developing human talent which ensures achieving the highest level of excellence in our business. The reason of our success can be attributed to several factors, but the most important is due to our commitment and strategies that are inflected on each of our major projects.

We have been executing multiple projects in all parts of UAE with major companies in addition to the government projects. As we continue to build projects throughout the UAE and Gulf States, the company is positioned to become the Shading and Tent industry's preferred contractor.

Life is too short not to enjoy the work we do every day!

Mr. Muhammad Noman

Thank you

We are looking forward to work with you.
