# ABOUT US

**NOOR ENTERPRISES** is a company of qualified Architects, Designers, Consultants and Technical Professionals who have been performing their duties diligently for many years in many distinguished Construction and Designing Projects in UAE.

# OUR MISSION

**OUR MISSION** is to offer services that are of highest level which can only be achieved through good comprehensive Design and meticulous Execution.

**OUR VISION** is to maintain the standards of the reputable work and services we have been providing to our dear clients for several years which in return strengthen our relationship with them.

# OUR SERVICES

## INTERIOR DESIGN AND DÉCOR.

Our extensive experience in Interior Design and Décor broadly ranges both types and sizes of spaces, from private houses, residential building, educational facility, hospitality, commercial, office, and museum as well as health facility.

## ARCHITECTURE AND DESIGN.

Our Expertise provides full Architectural Design Services from concept design to construction supervision.

## LANDSCAPE DESIGN.

At Green Paradise, we offer complete hard landscaping design, maintenance as well as construction. We have worked for commercial and residential clients on various projects and we provide unparalleled solution to fix your hard landscaping design.

## INTERIOR FITOUT.

We have experienced and active Labour specified for offering their services in the execution of Modern and Latest architectural and Construction services...

## CCTV SECURITY SYSTEMS.

We take pride in delivering a comprehensive range of CCTV security systems to clients across the UAE's commercial and residential landscape. Our services include CCTV camera installation in Dubai, cabling, termination, and maintenance support—tailored to your unique operations or site-specific requirements.

## TENTS & SHEDS.

Experience the charm of the outdoors while staying protected and comfortable. With customizable and reliable designs, our awning systems elevate your outdoor living, making every moment special.
