## TOOLS BAG

### Exel Germany Large 53-221 Polyester Tool Bag (Number of Pockets - 18)

Feel the difference with our professionally styled EXEL Germany large tool bag. It is ideal for carrying small hand tools to large size tool items and is made of high grade, water resistant nylon (600D Polyester) material.

The unique and attractive black and orange hand bag type design makes it easy to carry about and convenient for multi- purpose usage. The bag is great for storage of tools like pumps, sharp tip screwdrivers kit, utility knives kit, measuring tapes, etc. with easy double pull and heavy duty zipper.

Dimensions: 500mm x 275mm x 250mm

Ideal for mechanics, electricians, carpenters, service engineers and DIY hobbyists. Central zipper allows for quick access and maximum visibility to contents when opened. Rugged and lightweight 600D Polyester material makes it tough, tear resistant making it ideal for carrying sharp tools without fear of damage, deformation or degradation of product. Anti-static and flame retardant. Hand bag type design with multiple easy access pockets and compartments for maximum organization. Injected polypropylene hard base extends life of bag by strengthening base and makes bag bottom water-resistant. Twelve exterior pockets. Six inside pockets for vertical tool storage. Removable padded shoulder strap.

### Exel Germany Small 53-224 Polyester Tool Bag (Number of Pockets - 4)

Feel the difference with our professionally styled EXEL Germany small tool bag. It is ideal for carrying small hand tools to medium sized tool items and is made of high grade, water resistant nylon (600D Polyester) material.

Dimensions: 300mm x 210mm x 210mm

The unique and attractive black and orange hand bag type design makes it easy to carry about and convenient for multi- purpose usage. The bag is great for storage of tools like sharp tip screw drivers, utility knives, spanners, measuring tapes, etc. with easy double pull and heavy duty zipper.

### Exel Germany BackPack 53-227 Polyester Tool Bag (Number of Pockets - 17)

Feel the difference with our professionally styled EXEL Germany BackPack tool bag. It is ideal for carrying small hand tools to large size tool items and is made of high grade, water resistant nylon (600D Polyester) material. Leaves your hands free.

The unique and attractive black and orange hand bag type design makes it easy to carry about and convenient for multi-purpose usage. Designed for on-the-job convenience and durability. The bag is great for storage of tools like hammers, sharp tip screwdrivers kit, multi-meter, clamp meter, drill machine, utility knives kit, hacksaw frame, C-clamps, measuring tapes, pipe wrench, all kind of pliers, etc. with easy double pull and heavy duty zipper.

Dimensions : 485mm x 360mm x 230mm

Weight Capacity : 30 Kgs.

Ideal for mechanics, electricians, carpenters, service engineers and DIY hobbyists. Central zipper allows for quick access and maximum visibility to contents when opened. Rugged and lightweight 600D Polyester material makes it tough, tear resistant making it ideal for carrying sharp tools without fear of damage, deformation or degradation of product. Anti-static and flame retardant. Hand bag type design with multiple easy access pockets and compartments for maximum organization. Injected polypropylene hard base extends life of bag by strengthening base and makes bag bottom water-resistant. Two exterior pockets. Fifteen inside pockets for vertical tool storage. Padded back and ergonomic shoulder straps for convenient carriage. Separate compartment for power tool or laptop. Outer mesh pocket stores personal belongings like water bottle, etc.
