ABOUT US

Buildsworth is devoted to deliver a cutting edge service from conception to handover; implementing the finest working practices right across the board for customers. We pride ourselves in being able to offer our clients a complete service. We are built on a substantial heritage with a focus on growth, innovation, and improved customer experience. At Buildsworth, we have obligation to conduct ourselves with the highest levels of integrity in everything we do. This helps us endure the credibility of our brand, maintain our strong reputation, and build on our track record of growth and performance. Buildsworth offers you an element of convenience that cannot be found anywhere else. We can get rid of the headache of dealing with multiple vendors because we are your one stop shop for all of your home or business maintenance needs. As a group of professional individuals, Buildsworth is sprouting to be one of the best construction and Maintenance Company employing the best people and the best resources to make a real difference. We constantly strive to achieve inspiring and challenging solutions that make a genuine difference to our customers, end-users and society as a whole. We acknowledge that our solutions depend on the creativity, insight and integrity of the people within our organization. We remain true to our founding values of quality, honesty and hard work. Buildsworth is a business based on trust. We are consistently associated with high standards of service, quality and personal attention to our customer's anticipation.

We are proactive in finding solutions to our clients. We offer general construction, project management and maintenance services for jobs of all sizes ranging from small facilities improvement/repair projects, remodels and renovations, up to and including building expansions and ground up construction. The goal of Buildsworth is to be the premier provider of construction management and maintenance services. With our founders combined years of construction experience servicing customers of all sizes across India, along with long term relationships, Buildsworth is able to handle whatever sized project you may have. Our goal is to be the Premier provider of construction management and maintenance services with our years of experience, we understand and can anticipate the needs of our customers, enabling us to complete critical time constrained projects on schedule and on budget. By clearly understanding the customer's expectations before the project, we are able to customize a solution to their specific needs. With our numerous strong relationships, built on trust and the years of successful experience, we have the ability to select the right team for any given project. We are a licensed professional consultancy and contracting firm, that specializes in serving the construction and maintenance needs of our customers by delivering a high quality output in a time sensitive surrounding.

OUR VISION

To be the world's premier provider in the markets we operate, continually reinforced by the growth and contributions of our folks and our aptitude to earn business. To lead the way in commercial and industrial construction and maintenance. We create opportunities for our team and leave legacies we are honored of. We are here to serve the customer's needs in the maintenance of the building architectural finishes, renovation of space, construction and to meet the changing needs.

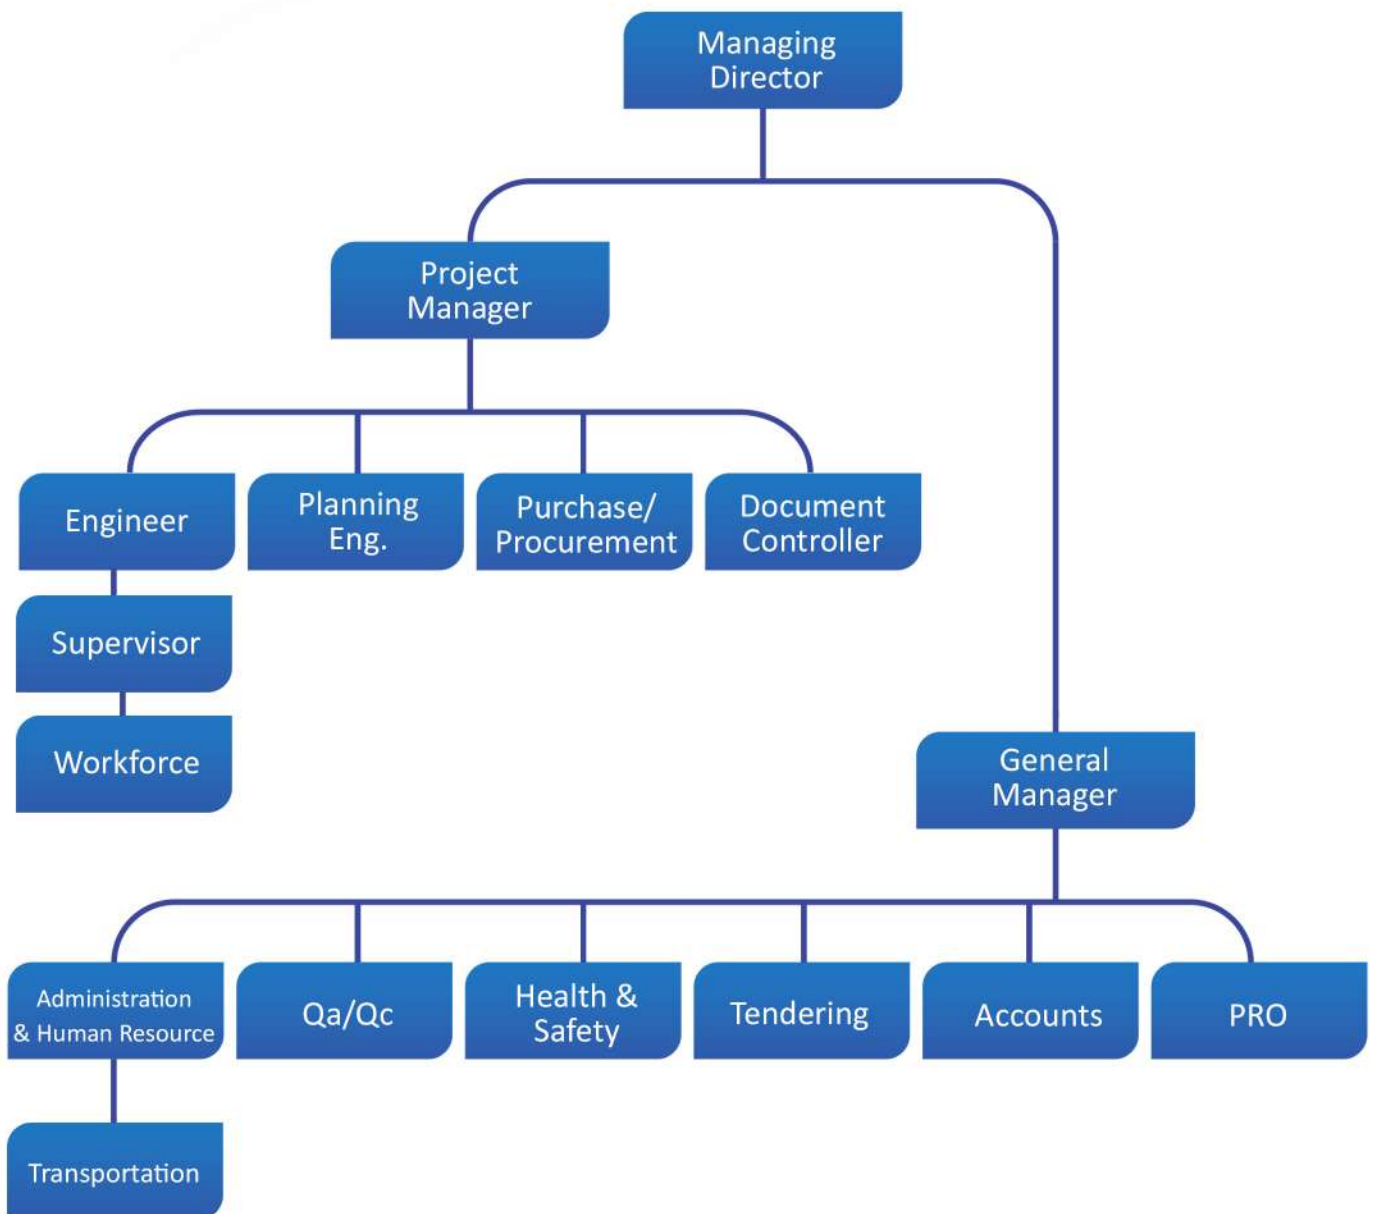

OUR MISSION

To be a nationwide leading maintenance and construction services provider and to deliver outstanding outcomes for our clients through highly effective teamwork. We are in a path to build valuable relationships, experiences and reputation through investing in and evolving our team and offering our clientele quality services, expert guidance and support, making Buildsworth the preferred choice.

ORGANIZATION CHART

HEALTH, SAFETY & ENVIRONMENTAL PLAN

The HSE Plan of **Buildsworth** encompasses and addresses all the probable incidents and accidents in any Project Environment to meet the diverse compliance criteria for all sorts of projects.

The site-based workforce undergoes in-house systematic training, and mock-up drills. Such is the awareness to the HSE culture that it is reflected in the performance of all their tasks. Safe, secure, healthy and environment-friendly working practices are seen as a natural habit.

SERVICES

FLOORING WORKS

We install & care for all types of floors. Whether it be your floors in your kitchen, bedroom or bathroom, Buildworth help you sort out. Flooring can make or break a home and we certainly aspire you to have the finest flooring alternatives as possible. It doesn't matter if you are a flooring novice or expert, we will give you the best service from beginning to end. We happily give free estimates on our services. Because installation methods differ, it's important to know the details of the flooring you're choosing. Fortunately, we understand high-performance products back-to-front and how to install them correctly per manufacturer guidelines.
