MISSION STATEMENT: Creating sustainable wood product with natural and environment friendly

VISION STATEMENT: To innovate wood and plastic product for your living space

VALUE STATEMENT: Conservation, build trust, sustainability, quality of materials and affordability

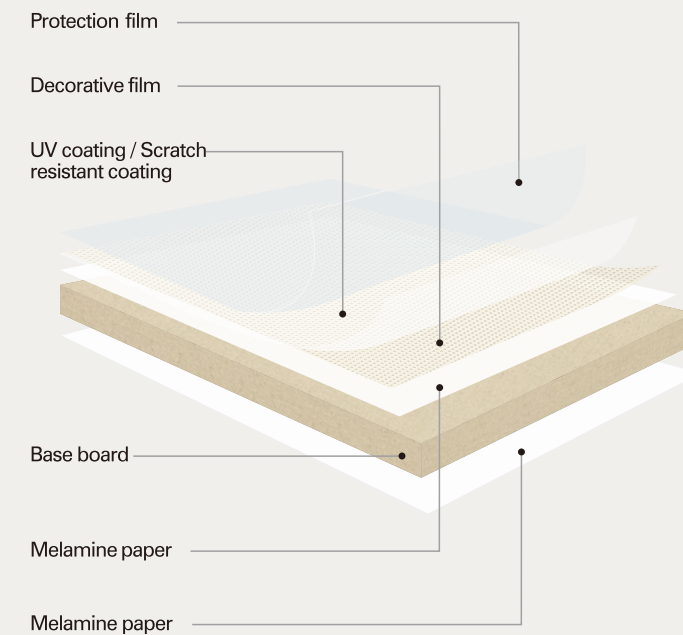

PRODUCT SERIES

- 3D EMOSS**
 It shows unique texture and emboss by using different embossing techniques.
- GRAIN**
 Creating natural and true wood feeling by printing and embossing techniques.
- TEXTILE / ART**
 Dressing cloth let us feel comfortable since many years. Ideas from fabric texture let us feel friendly and comfortable.
- STONE**
 Stone is cold and no life. We create stone from nature but with new life in colors and texture.
- INOX**
 Reproducing realistic details of metal textures to achieve visual effects of straight and disordered lines on the surface.
- GALAXY / METALLIC**
 Adding galaxy or metallic inside of the material to meet shinning results.
- UNI COLORS**
 Fashion trend color
