

MAESTRO DECOR & GENERAL MAINTENANCE

EDGE ZONE INTERIOR DECORATION - DUBAI

MAESTRO VISION AIR CONDITIONING WORKS

# ABOUT US

Founded in 2011, Maestro Group specializes in Interior Design, Interior Decoration, Interior Fit Out, MEP Works, HVAC Works and General Maintenance. Composed of three companies: Maestro Decor and General Maintenance, Edge Zone Interior Decoration and Maestro Vision Air Conditioning Works, we provide multi-purpose solutions on various levels and superior customer service to meet the needs of our clients and aim for their ultimate satisfaction. With a solid reputation over 10 years, we have maintained consistent growth, success and excellent working relationships with well-known clients and brands. At Maestro Group, our philosophy begins with commitment; this commitment is simple yet crucial in the overall success of any project. It ensures the completion of all our projects on time and on budget, with quality as the utmost concern.

## OUR VISION

To manage and execute projects of interior design with high-quality finishing and competitive prices, while meeting each project's deadlines and ensuring our customers' satisfaction.

## OUR MISSION

'ONE TEAM, ONE MISSION' - To provide clients with creative, high-quality interior design and execution. We aim to meet the needs of our customers by delivering products and services with the best quality while reaching our company's business goals through consistent and effective financial progress.

## OUR PRINCIPLE

Our principle is laid on a great blend of business expertise, artistic creativity and technological innovation. We study your business first to discover the market and then use our creativity to transform your vision into a reality.

## OUR STRENGTH

In each project, we aim to provide a high level of commitment and quality to our clients. Nothing excites us more than assisting a client to realize their goals and reach levels that they may have regarded as impossible. We understand what it takes to create a successful business project and we will make sure that our practices, teamwork, talent, creativity and tools will achieve the needs and goals of our clients. When you choose to work with us, you will discover our greatest ability is being responsible for our professional work performance and working together for the success of the project.

# HEALTH, SAFETY & ENVIRONMENT

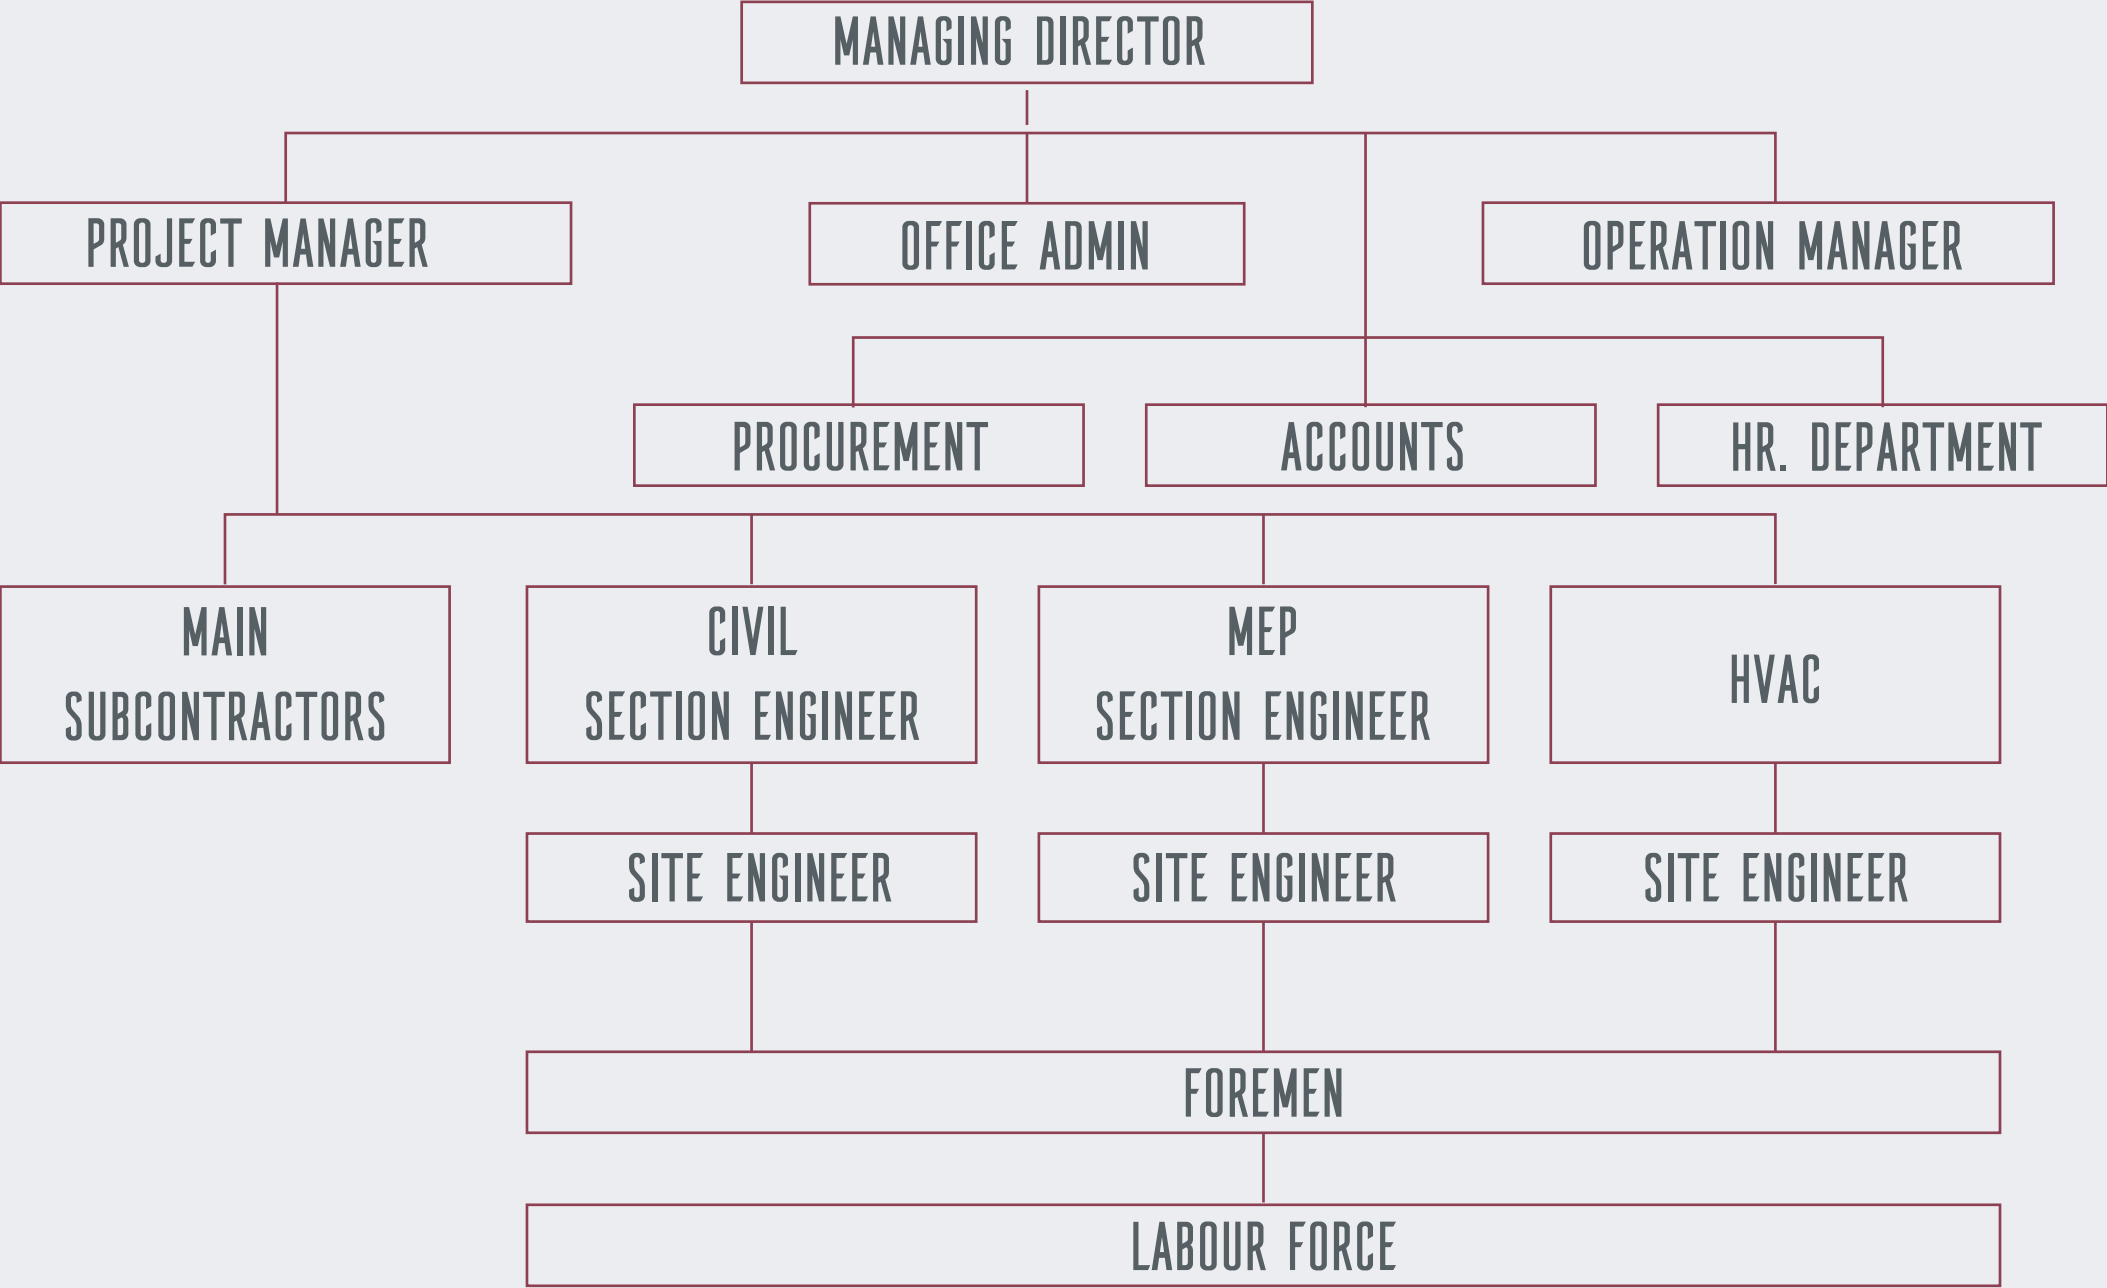

Maintaining outstanding Health, Safety and Environment (HSE) performance is a core value of Maestro Group. Our successful HSE performance has been made possible through the leadership and teamwork of all the employees. Our HSE responsibilities are directed by our HSE Vision, Mission and Policy, which guide our businesses in the development of their HSE processes.

## HSE VISION ;

Being committed to well-being, safety and protection of all resources including humans, property, community at large and the environment is embedded in our corporate vision and existence.

We are committed to deliver consistently high standards of service to our customers. These standards will be delivered by an organization with clearly defines responsibilities for quality which are allocated to individuals who take responsibility for their work and who are competent to carry out the tasks allocated to them.

# ORGANIZATIONAL CHART

# OUR SERVICES

## 1. Design, Décor and Fit-out

Maestro Group specializes in Interior Design, Interior Decoration, Interior Fit-Out, MEP Works, HVAC Works and General Maintenance. Our interior design service covers everything from detailed interior decoration and fit-out to bespoke wood joinery and furniture procurement. With more than ten years of industry experience and a highly capable team, we can deliver creative and elegantly finished interiors that will support your brand's ideology and objectives efficiently.

## 2. HVAC (Heating, Ventilation, Air Conditioning) Works

Our company is composed of a highly capable team of qualified, well-experienced engineers. With vast experience in the field of heating, ventilation and air conditioning, they are skillful in designing, supplying, installing, commissioning, troubleshooting and maintaining any type and size of HVAC system.

### **3. MEP (Mechanical, Electrical and Plumbing) Works**

We provide an all-encompassing design, installation, commissioning and maintenance solution for commercial building restorations and new building developments across the UAE.

### **4. General Maintenance**

We deliver a full range of any general maintenance needed and provide the best solution no matter how complicated or complex the job may be. We guarantee fast, efficient, cost-effective and reliable maintenance services for your business.
