ENGINEERING INTELLIGENT LIVING EXPERIENCES

ABOUT ABODE AUTOMATION

ABODE Automation is a smart automation solutions provider specializing in intelligent living experiences for luxury villas, residential properties, commercial spaces, and hospitality environments.

With **15+ years of market experience**, we design and integrate advanced automation ecosystems that combine comfort, luxury, entertainment, security, and convenience into one seamless smart platform.

As a **Lutron Certified and BenQ** Certified solutions provider, we deliver trusted expertise across intelligent lighting, climate control, immersive home cinemas, golf simulators, surveillance systems, and background music solutions, transforming ordinary spaces into extraordinary intelligent environments.

With numerous successfully completed projects and a growing portfolio of satisfied clients, ABODE Automation has built a reputation for delivering high-quality smart technology solutions with precision, reliability, certified expertise, and exceptional customer experience.
