ABOUT US

Acusense Technologies & Security Systems LLC, your trusted partner in cutting-edge security solutions based in the Dubai - UAE. We specialize in providing top-of-the-line surveillance cameras and access control systems, partnering with renowned brands like Hikvision, Dahua, Uniview, CP Plus, Acumatic, ZKTeco and other known brands.

Our Mission

At Acusense Technologies & Security Systems LLC, our mission is to enhance the safety and security of our clients by offering innovative and reliable technology solutions tailored to meet diverse needs. We strive to create an environment where our clients feel protected and supported, enabling peace of mind through robust security systems.

What We Offer

- **Comprehensive Security Solutions:** We supply a wide range of surveillance cameras and access control systems, ensuring that you find the perfect fit for your specific requirements.
- **Top Brands in Security Systems:** Our product lineup includes trusted names such as Hikvision, Dahua, Uniview, CP Plus, and Acumatic, ZKTeco, and other known brands guaranteeing advanced features and superior reliability.
and are committed to being with you every step of the way.

What We Offer

- **Networking & IP Phones Solutions:** We also provide a variety of networking products from industry leaders such as Grandstream, Fanvil, Yeastar, Ruijie, D-Link, TP-Link, and Unifi to ensure seamless connectivity.

Unmatched After-Sales Support: Understanding that technology can come with its set of challenges, Acusense Technologies & Security Systems LLC prides itself on delivering exceptional after-sales support. Our dedicated team offers comprehensive technical support and troubleshooting, ensuring that any concerns are addressed promptly and efficiently. We believe in fostering long-lasting relationships with our clients and are committed to being with you every step of the way.

Why Choose Acusense Technologies & Security Systems LLC?

- **Expertise:** Our knowledgeable team is well-versed in the latest security technologies and is committed to helping you make informed decisions.

Let's Connect: Join the growing number of satisfied clients who have entrusted their security to Acusense Technologies & Security Systems LLC.

Customer-Centric Approach

- We prioritize our clients' needs and work diligently to provide solutions that not only meet but exceed expectations.

Quality Assurance

- We stand by the quality of our products and services, guaranteeing your satisfaction and peace of mind.

Services we offered

SECURITY SYSTEMS LLC

Services we offered

CCTV SYSTEM

Our CCTV camera solution enables the users to see what the CCTV cameras see LIVE over the Internet on various types of PC (Windows & Mac) and phones (iPhone, iPad, Android phones), and to record the CCTV camera video digitally for surveillance purpose.

ACCESS CONTROL

One Stop Office Solution offers reliable electronic pin keypad door access, proximity card access, fingerprint biometric or face recognition access control solutions.

INTRUSION ALARM

We provide and install Smart Security Alarm Systems for offices, schools, retail outlets, factories or homes. Both wired & wireless security alarm systems are available from us.

VIDEO INTERCOM

One Stop Office Solution, offers reliable basic audio only door intercom, to the more advanced color video intercom solution.

SME/SMB PABX

For voice conversation – your telephone system is an integral part of your organization and is your main tool of communication. It is your primary link to your business partners, customers, suppliers, employees, colleagues, friends, and even family members.

SECURITY ADVISORY

CCTV Surveillance & Security areas are our specialty. We can help your organization save money by ensuring that the surveillance & security systems installed meet your requirement at the most cost-effective way.
