## COMPANY PROFILE

**AL DEREYA SCAFFOLDING TRADING LLC** emerged as one of the most renowned firms established in 1994 in UAE providing complete solutions of Steel Fabrication, Steel Scaffolding, Aluminum Scaffolding and Formwork to the construction industry. Since its establishment Al Dereya Scaffolding Trading LLC has seen a massive growth horizontally and vertically. The scope of Al Dereya Scaffolding Trading LLC work incorporate manufacturing, supplying and maintaining of Steel Scaffolding, Aluminum Scaffolding and Formwork for sale & rental basis. In addition to a complete range of design and specialized consultancy services related to formwork and scaffolding industry as per international standards. Al Dereya Scaffolding Trading LLC focuses mainly on assisting clients to manage their Scaffolding & Formwork requirements, and supply them with the most efficient system at lower costs and better productivity to suit their budget with sales, rental services including the erection & dismantling at the site. It offers its products to clients on sale and rental basis.

Al Dereya Scaffolding Trading LLC is working harmonically and integrally from very long time, all industrial activities are merged in a large warehouse, factory built in Sharjah. The factory is manufacturing steel components for various formwork and scaffolding applications for Steel & Aluminum. The services of factory is constantly improving as a result of continuous investment in updating of the manufacturing facilities, expanding of product range and quality assurance. We earn countrywide recognition and an excellent reputation for reliability and trustworthiness. While more growth is still very much under way, we have sufficient in house facilities to meet any kind of customer requirements, making the company as versatile as it could be, depending on market demand. We also acquired throughout the 30 years under its umbrella, some of the most reliable staff, who have proven records of their respective experience in the industry, whether they were Engineers, workers, Sales Executives or in management positions. Forming a coherent team, their utmost goal has ever been "Customer Satisfaction". Other services like Molding Fabrication, Turning also our Pride. We have a big molding workshop where we are molding a large number of items.

## PHILOSOPHY

# SCAFFOLDING RENTAL & PROJECT SERVICES

## ALUMINUM SCAFFOLDING MOBILE TOWERS

We offer aluminum towers on Rental on daily, weekly and monthly basis. All our components are kept in excellent condition, with all parts cleaned, checked and relabeled on return. If required, we also offer the following services when hiring our towers: Delivery, Erection, Moving, Dismantle and Collection. Our representatives are available to conduct free site inspections to determine your specific requirements. Our team is well trained and consists of certified scaffold erectors, inspectors, supervisors and Health and Safety Officers.

## STEEL SCAFFOLDING

We also offer Steel Scaffolding on Rental for daily, weekly and monthly basis. Working with your budget in mind we will tailor the best access outcome. Using heavy duty steel scaffolding, we can provide a scaffold suited for all your trades, from the ground up. Short or long term hire, domestic or industrial, we aim to provide you with a professional courteous and competitive service.

## MAN POWER

Our flexible, efficient and cost-effective hiring options includes a wide spread of categories available for both short-term and long-term jobs. We cover all the major and important sectors of manpower supply categories. We make sure that the security staff we provide maintains a safe and secure environment and is fully alert while monitoring the premises and also controls crowds efficiently.
