GOLD PLATING

At **AL JAWAHER AL HAMRA METAL COATING**, we also specialize in exquisite gold plating services. Whether you need to add a touch of luxury to your hotel furniture, interior decor, or other metal components, our skilled team can provide stunning gold plating finishes. With our meticulous attention to detail and commitment to quality, we ensure that every piece receives a flawless and durable gold coating. Trust Dar Al Kaamil Metal Coating LLC to transform your metal items into elegant, eye-catching masterpieces with our exceptional gold plating services.

Bright Silver Plating

Silver At **AL JAWAHER AL HAMRA METAL COATING**, we offer silver plating services for a wide range of industries. Our expertise extends to switchgear industries, where we provide silver coating on bus bars, ensuring optimal conductivity and durability. Additionally, we cater to the hotel industry, offering silver plating services for cutleries and silver amenities. Our skilled team guarantees a flawless and long-lasting silver coating that adds a touch of elegance to your products.

Antique Brass Plating

We also specialize in antique plating services. Whether you want to give your metal items a vintage, aged look or restore the beauty of antique pieces, our skilled team can provide exquisite antique plating finishes. From Furniture industries to hotels, we can create stunning antique designs for Mashrabias, furniture, and other metal components. Trust **AL JAWAHER AL HAMRA METAL COATING** to bring a touch of nostalgia and elegance to your projects with our exceptional antique plating services.

Bright Silver Plating

Tin plating We also provide tin plating services for electrical industrial connections at **AL JAWAHER AL HAMRA METAL COATING**. Tin plating offers excellent corrosion resistance and conductivity, making it ideal for electrical applications. Our skilled team can ensure a high-quality tin coating on your industrial connections, providing durability and reliability. Let us know the specific connections you need tin plated, and we'll be delighted to assist you in achieving optimal performance and protection.

Soft & Hard Chrome Plating

We offer hard chrome plating services for industrial purposes as well. Our expertise extends to dyes, molds, shafts etc used in heavy industries. With our high-quality hard chrome plating, we ensure enhanced durability and resistance to wear and corrosion. Trust **AL JAWAHER AL HAMRA METAL COATING** to provide reliable and long-lasting solutions for your industrial needs. Let us know if there are any specific requirements or preferences you have for the plating process.

Chemical Etching

We also offer brass plating services at **AL JAWAHER AL HAMRA METAL COATING**. Brass plating can provide a beautiful and luxurious golden finish to your metal items. Whether it's for decorative purposes or industrial applications, our skilled team can create stunning brass-plated pieces. Let us know the specific items or parts you'd like to have brass plated, and we'll be more than happy to assist you in achieving your desired design.

PVD Coating

We also offer PVD coating services at **AL JAWAHER AL HAMRA METAL COATING**. PVD (Physical Vapor Deposition) coating is a thin film deposition process that provides various benefits such as enhanced durability, wear resistance, and improved aesthetics. Whether it's for decorative or functional purposes, our skilled team can provide high-quality PVD coatings on a wide range of metal products. Let us know your specific requirements or design ideas, and we'll work together to achieve the desired results through PVD coating.

Mechanical Buffing & Polishing

We offer polishing services for a wide range of metal products, including cutleries, chopping boards, and other items. Our skilled team can remove scratches and cutting marks, ensuring a clean and hygienic surface. We can also make your metal items shine like new by providing a high-quality polishing finish. Additionally, if you prefer a brush finish, we can achieve that as well. Just let us know your specific requirements, and we'll make sure to deliver the desired results.
