Shawa Fans

5 Metre Tubing

Al Munira was established in Dubai in 1980 and are engaged in stocking and supplying electrical materials and marine ship spares to all shipyards and ship chandlers in U.A.E, as well as Saudi Arabia, Kuwait, Bahrain, Oman, Iran, and Iraq in the Middle Eastern Region. With determination and hard work and an experience of over 30 years, the Directors of Al Munira have expanded the family business and formed a strong motivated workforce. Our growing customers are proof for reliable and prompt service ensuring complete customers satisfaction and timely completion of work.

We are agents and stocklists for the following:

Sanshin Senpaku and Kokosha

Top Cable – Rubber flexible electric Cables, made in Spain.

Helkama Kaapeli– Shipboard cables, made in Finland, are the most utilized and preferred for ships and are certified by all classification.

Wiska Hoppman- German made Wiska lights, designed to be used under extreme conditions, are very safe and compact to use.

Aqua Signal – Navigation lights, floodlights and fluorescent lights are our speciality. Made in Germany, specializes in maritime lighting technology.

Iwasaki (EYE) – High intensity discharge and reflector lamps.

DTS– Explosion Proof Equipment for zone 1 and zone 2 applications.

Sanshin Senpaku and Kokosha– JSIF Standard Japanese Marine Fittings and Lights, etc, etc.

Idec – Illuminated lights, push buttons and control switches.

Werma – Signal lights and horns.

Nexans – Flexible rubber Cables from France.

We also stock other electrical materials.

We will be happy to forward to you our catalogues and leaflets to further acquaint you with our products.
