Who we Are

Al Qaim Metals L.L.C. is a company that offers a variety of services in mild steel fabrication. The main services we provide are the creation of high-quality car parking shades, warehouse shades, gates, grills, and furniture made from different types of metals.

Car parking shades are a popular choice for businesses and homeowners who want to protect their vehicles from harsh weather conditions. Al Qaim Metals L.L.C offers a wide range of car parking shades that are durable, easy to install, and can be customized to fit any space.

Warehouse shades are another popular product of Al Qaim Metals L.L.C. We can design and install warehouse shades that provide protection from the sun, rain, and wind. This allows businesses to store their goods in a safe and secure environment.

In addition to shades, Al Qaim Metals L.L.C also offers gates, grills, and furniture. They can design and manufacture custom gates and grills for homes and businesses that are functional and aesthetically pleasing. Their furniture range includes metal chairs, tables, and other pieces that can be customized to suit any style.

Our Teams

One of Al Qaim Metals L.L.C's key strengths is their metal fabrication expertise. They have a team of skilled professionals experienced in working with different metals, including steel, aluminum, and wrought iron. This allows them to create high-quality products that are both durable and aesthetically pleasing.
