ABOUT US

Established in 1993, Al Tannaf started as a wholesale and retail supplier of special lamps, lighting, and electrical accessories. Over the years, we have grown into the Al Tannaf Group, expanding our presence with subsidiaries in Abu Dhabi, Ras al Khaimah, Bahrain, and India. Our wide geographical reach allows us to serve a diverse range of high-profile clients in the Gulf Region.

OUR CORE VALUES

EMPOWERING LIFE

With a legacy of 30 successful years in the Middle East, Al Tannaf has earned a solid reputation for being a reliable source for all lighting needs. We prioritise in providing premium brands at exceptional value, catering to the requirements of esteemed organisations in the region. Our client base includes airports, ministries, hospitals, major hotels, traders, and facility management companies.

LIGHTING EXPERTISE

As pioneers in lighting solutions, Al Tannaf has played a crucial role in establishing renowned brands like Osram. We are authorised distributors for leading names in the industry such as Osram, Ledvance, Philips, MK by Honeywell, Rexton, and Misk USA. In Bahrain, we hold the distinction of being the sole agent for premium brands like Osram, Ledvance, and Hager. In India, we provide sophisticated lighting solutions to film studios and hospitals.

DELIVERING VALUE

At Al Tannaf, we understand that the field of lighting solutions is constantly evolving. We pride ourselves on staying one step ahead by offering the latest and most innovative solutions to our clients. As part of our commitment to supporting the green initiatives of the UAE, we provide LED retrofit solutions that lead to energy and cost savings, creating value for our clients.

Moreover, our dedication to exceptional after-sales service and flexibility sets us apart. We firmly believe in delivering value without compromise, and we continuously expand our product portfolio to offer a comprehensive range of electrical products. At Al Tannaf, we aim to be your trusted one-stop solution for all your electrical needs.
