ABOUT US

Established in 1994, Al Waseef Building Materials Trading Co. LLC has grown into a trusted supplier in the UAE's building materials industry. Strategically located in the heart of Deira's Sabka Hardware Market and supported by a 100,000 sq. ft. warehouse facility in Al Quoz, the company is well-positioned to efficiently serve customers across the UAE, GCC, and the MENA region.

With over three decades of experience, Al Waseef has built a reputation for reliability, quality, and consistency. We specialize in supplying a wide range of fasteners, hardware, safety items, and industrial products, ensuring our customers receive dependable solutions tailored to their needs.

OUR VISION

To be the preferred choice for customers, suppliers, and employees in a competitive global market.

OUR MISSION

To provide the best service, supply quality products at competitive prices, and consistently meet customer requirements with efficiency and reliability.

OUR STRENGTH

- Extensive stock availability across multiple product categories
- Strong sourcing network across global markets
- Dedicated and experienced sales team
- Efficient logistics and delivery fleet
- Capability to fulfill bulk and urgent orders

We are fully equipped to meet industrial supply demands across the UAE with speed and efficiency.

WHY CHOOSE AL WASEEF

- Consistent product quality
- Competitive pricing
- Fast and reliable delivery across UAE
- Strong inventory management
- Over 30 years of industry experience

We focus on building long-term relationships by delivering value, reliability, and trust to every customer.
