About Alpha

Alpha Door Systems is a trusted name in the UAE's industrial and commercial door industry, specializing in the supply, fabrication, and installation of high-performance door solutions. As a proud division of DRFCO Holdings with over 35 years of operational excellence, Alpha has earned a reputation for quality, reliability, and innovation.

From fire-rated roller shutters to high-speed automatic doors, cold room doors to blast-proof security entrances—our product range is engineered to meet the most demanding requirements of modern infrastructure and iconic developments. We are proud partners of globally recognized manufacturers such as Overhead Door Corp. (USA), Ditec Entrematic (Italy), PROMSTAHL (Germany), and Richards-Wilcox (Canada), allowing us to bring world-class systems to the UAE market.

With a dedicated team of engineers, project managers, and our very own skilled workforce—the "Alpha Heroes"—we ensure seamless delivery from concept to completion. Whether it's a luxury mall, high-rise tower, logistics center, or industrial plant, Alpha delivers uncompromised safety, functionality, and aesthetic integration.

We don't just install doors—we open gateways to enduring partnerships and uncompromised standards.

Mission

To deliver world-class door solutions that combine safety, durability, and modern design—empowering infrastructure across the UAE with unmatched quality, innovation, and service. We are committed to exceeding client expectations through precision engineering, reliable execution, and long-term partnerships.

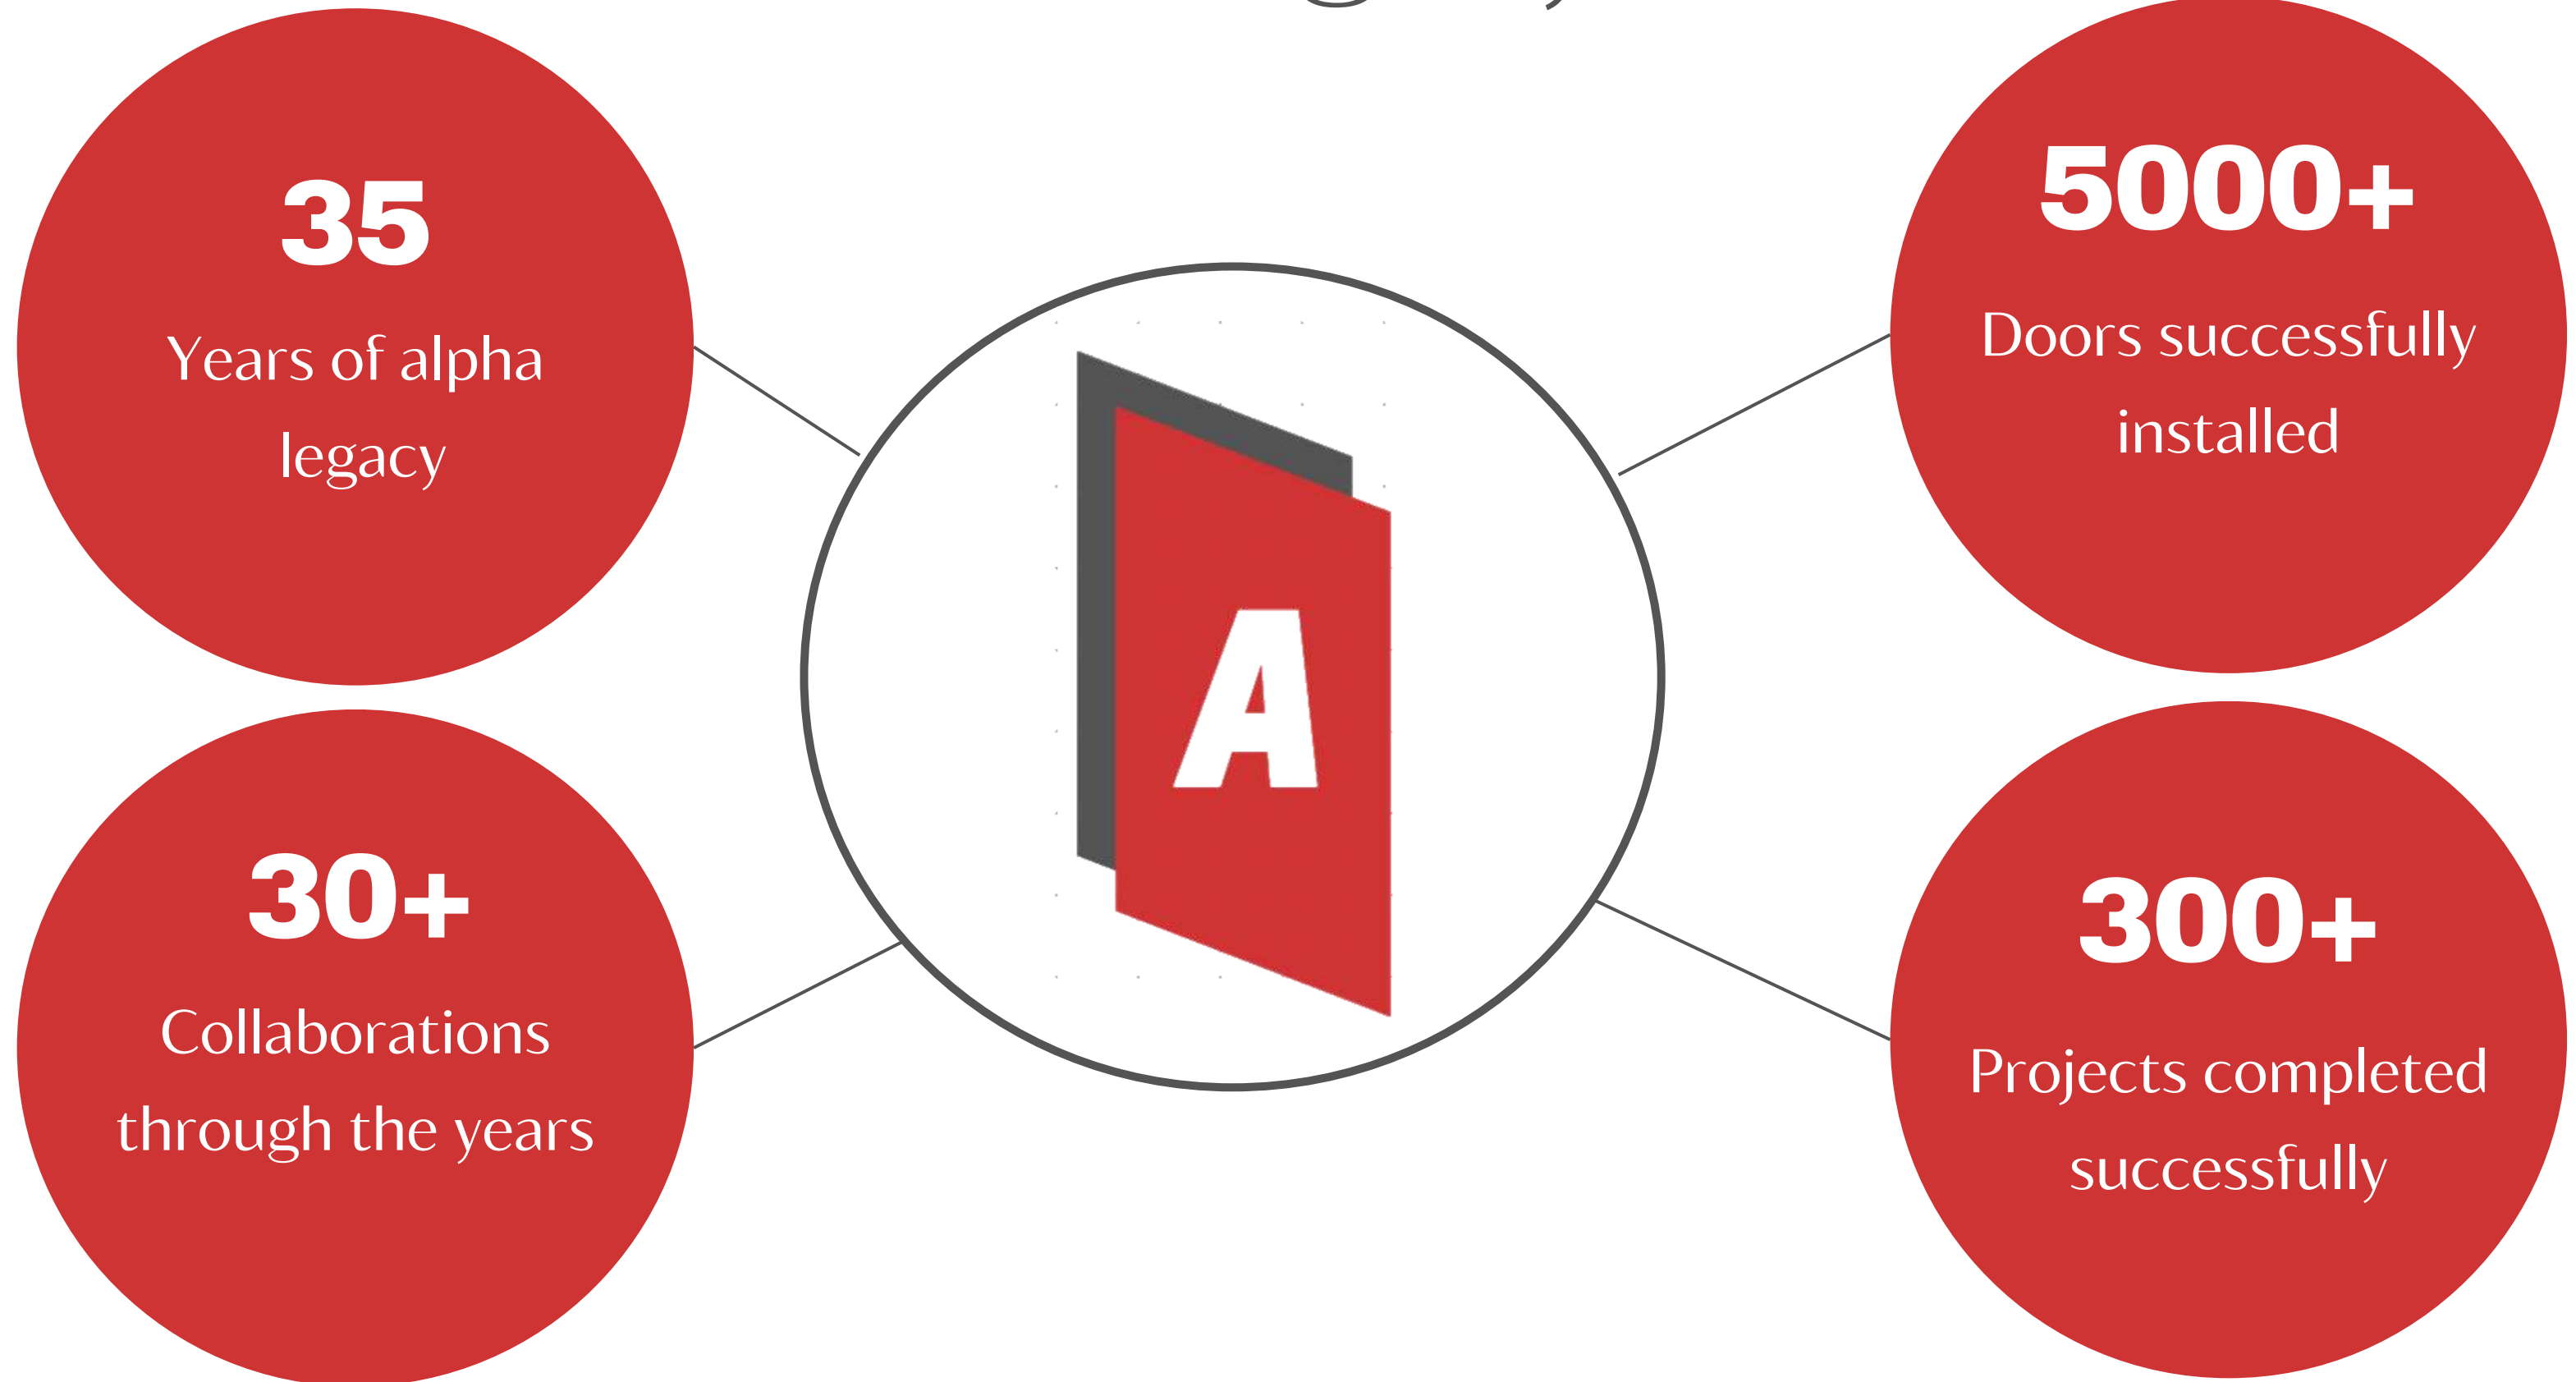

Vision

To be the UAE's most trusted and forward-thinking door solutions provider—setting new benchmarks in quality, innovation, and reliability, while contributing to the development of iconic, future-ready spaces.
