

ART SMILEY
BUSINESS

About us

Art Smiley was established in 2017 with a goal of connecting talented artists and passionate art buyers under one roof and providing world-class art services to all businesses alike. We have a team of talented artists who provide legacy artwork services for pristine art collectors, home owners, businesses, and trades across industry verticals.

Art Smiley's main objective is to create an artistic and aesthetic appeal in business spaces and residential spaces alike via the natural essence of powerful and lively artworks.

By offering a comprehensive array of art-buying services under one roof, we satisfy client requirements across a variety of industries.

Art Services

Original Art

At ArtSmiley, you can find the best of original artworks which are rare and enigmatic. Our original art collection includes abstract, nature, figurative, illustrative, realistic, surrealistic, Islamic art, and many others. Your living room or business area will look beautiful, succor-filled, and luxurious with original art. ArtSmiley offers a variety of acrylic, oil, watercolor & mixedmedia paintings for offices, hotels and homes.

Wall Art

We offer wall art services that are designed to bring your walls to life with stunning visuals. We offer a wide range of wall art services, from detailed custom paintings to intricate wall murals. We also provide professional installation and custom finishing services to ensure that your wall art looks perfect.

Canvas Prints

Artsmiley prints authentic canvases that radiate fragrance and spruces up the interior decor of any room. Our museum quality canvas prints come in a variety of options such as panoramic prints with floater framing, ready to hang canvas prints, etc...Customers can choose their personalized canvas printing according to their preferences.

Photo Paper Prints

What's better than a real-life memory framed in high quality photo paper, emanating powerful emotions every time you glance at it? At Art Smiley, we provide HD-resolution prints on photo paper. With our images, you can expect fine detail and crispness that will make your artwork stand out in comparison to other paper prints.

Fine Art Prints

To meet your business needs and enliven the atmosphere, our Art Smiley professionals can assist you in choosing the best quality fine art paper printing.

Royal Portrait

The ArtSmiley team customizes all royal portrait services to suit your home or office, starting with the design selection and ending with installation. We use UV digital printing technology to maximize the visual experience of the rulers within our specialised royal portrait frames.

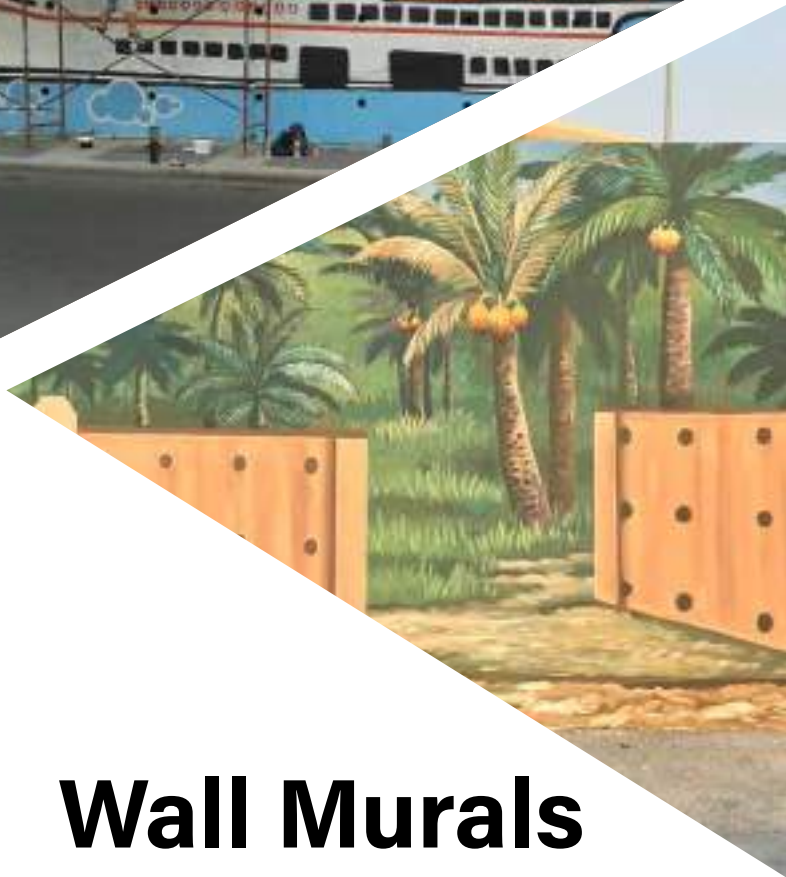

Graffiti

Art Smiley can do all Graffiti types such as wild style, stencil, throw-ups, UV painting and heavens. We will provide you with great insight into the kind of graffiti artwork that you need, which will complement your brand and brighten up your workspace.

Wall Murals

At Art Smiley, we create wonderful wall murals that communicate deeply into the hearts of those who gaze upon them. Our team will guide you through the whole mural art process, install or paint the mural, and complete it according to your requirement.

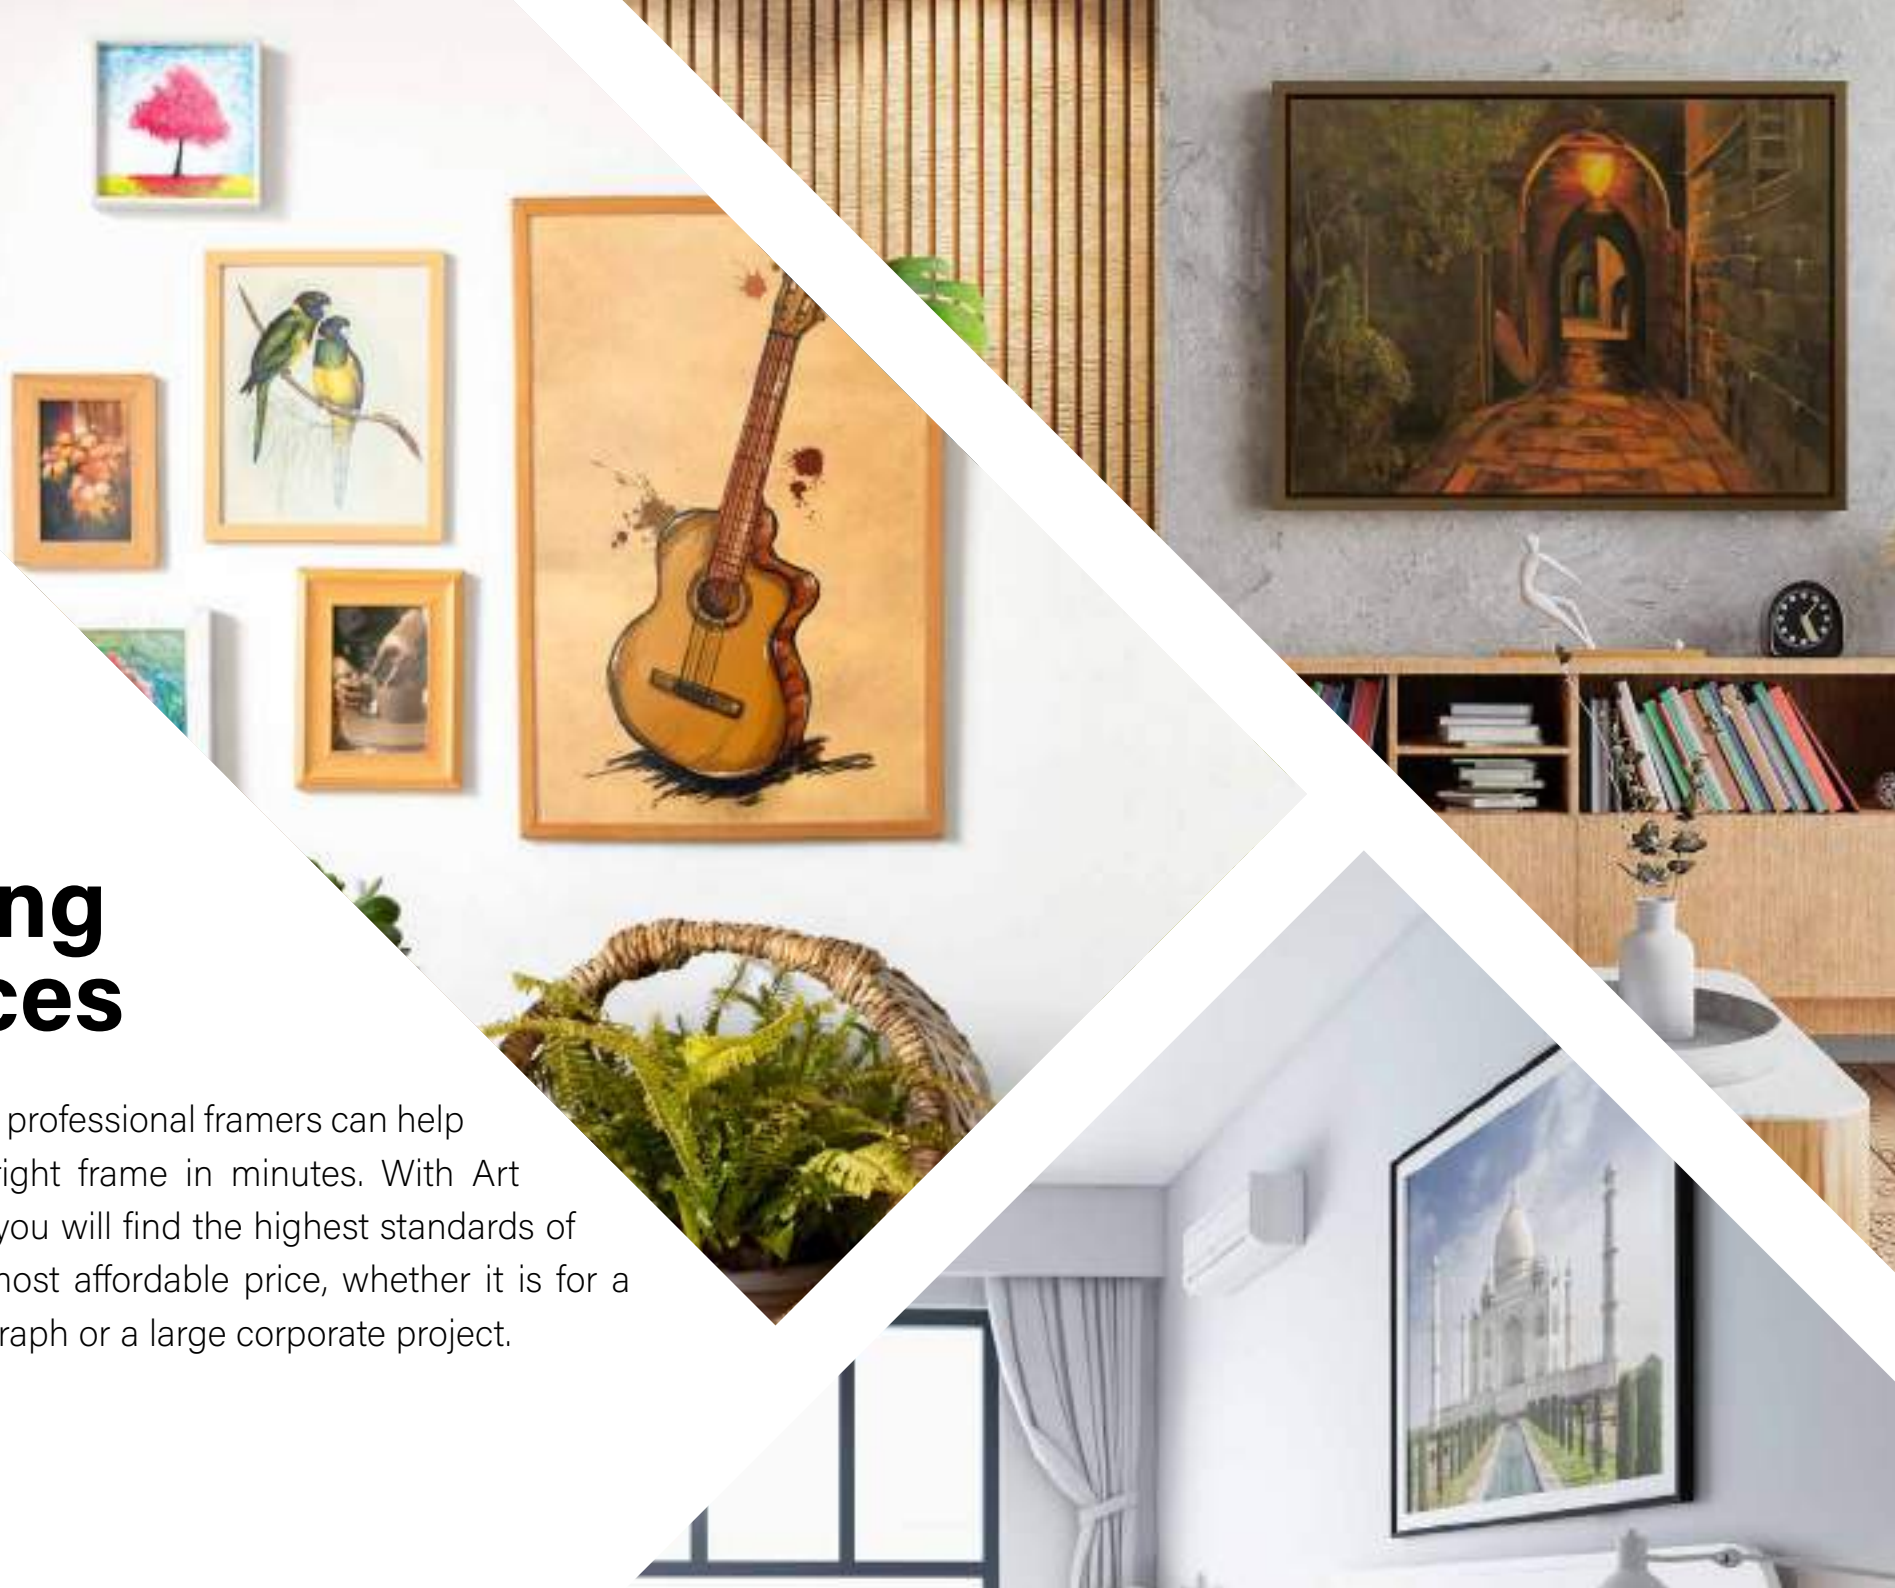

Sculpture

Our sculpture services include custom sculpture design, sculpture fabrication, and sculpture restoration. Our experienced professionals create 3D sculptures with a classic look and feel. We provide all types of sculptures with different materials including wood, stain less steel, metal, styrofoam, fiberglass, bronze, resin, crystal, paper etc.

Framing Services

At ArtSmiley, our professional framers can help you select the right frame in minutes. With Art Smiley framing, you will find the highest standards of framing at the most affordable price, whether it is for a personal photograph or a large corporate project.

Art Scanning

We make use of specialized scanners to create high-resolution digital images of artwork. After scanning, our design professionals will work on minor details of image so that it resembles the original artwork. We will provide art scanning services for artists, galleries, museums, or collectors.

UV Printing Services

Vinyl Stickers

ArtSmiley's vinyl stickers services are great for branding your product and displaying your business information. Our vinyl Stickers last for a long time and are known for their quality.

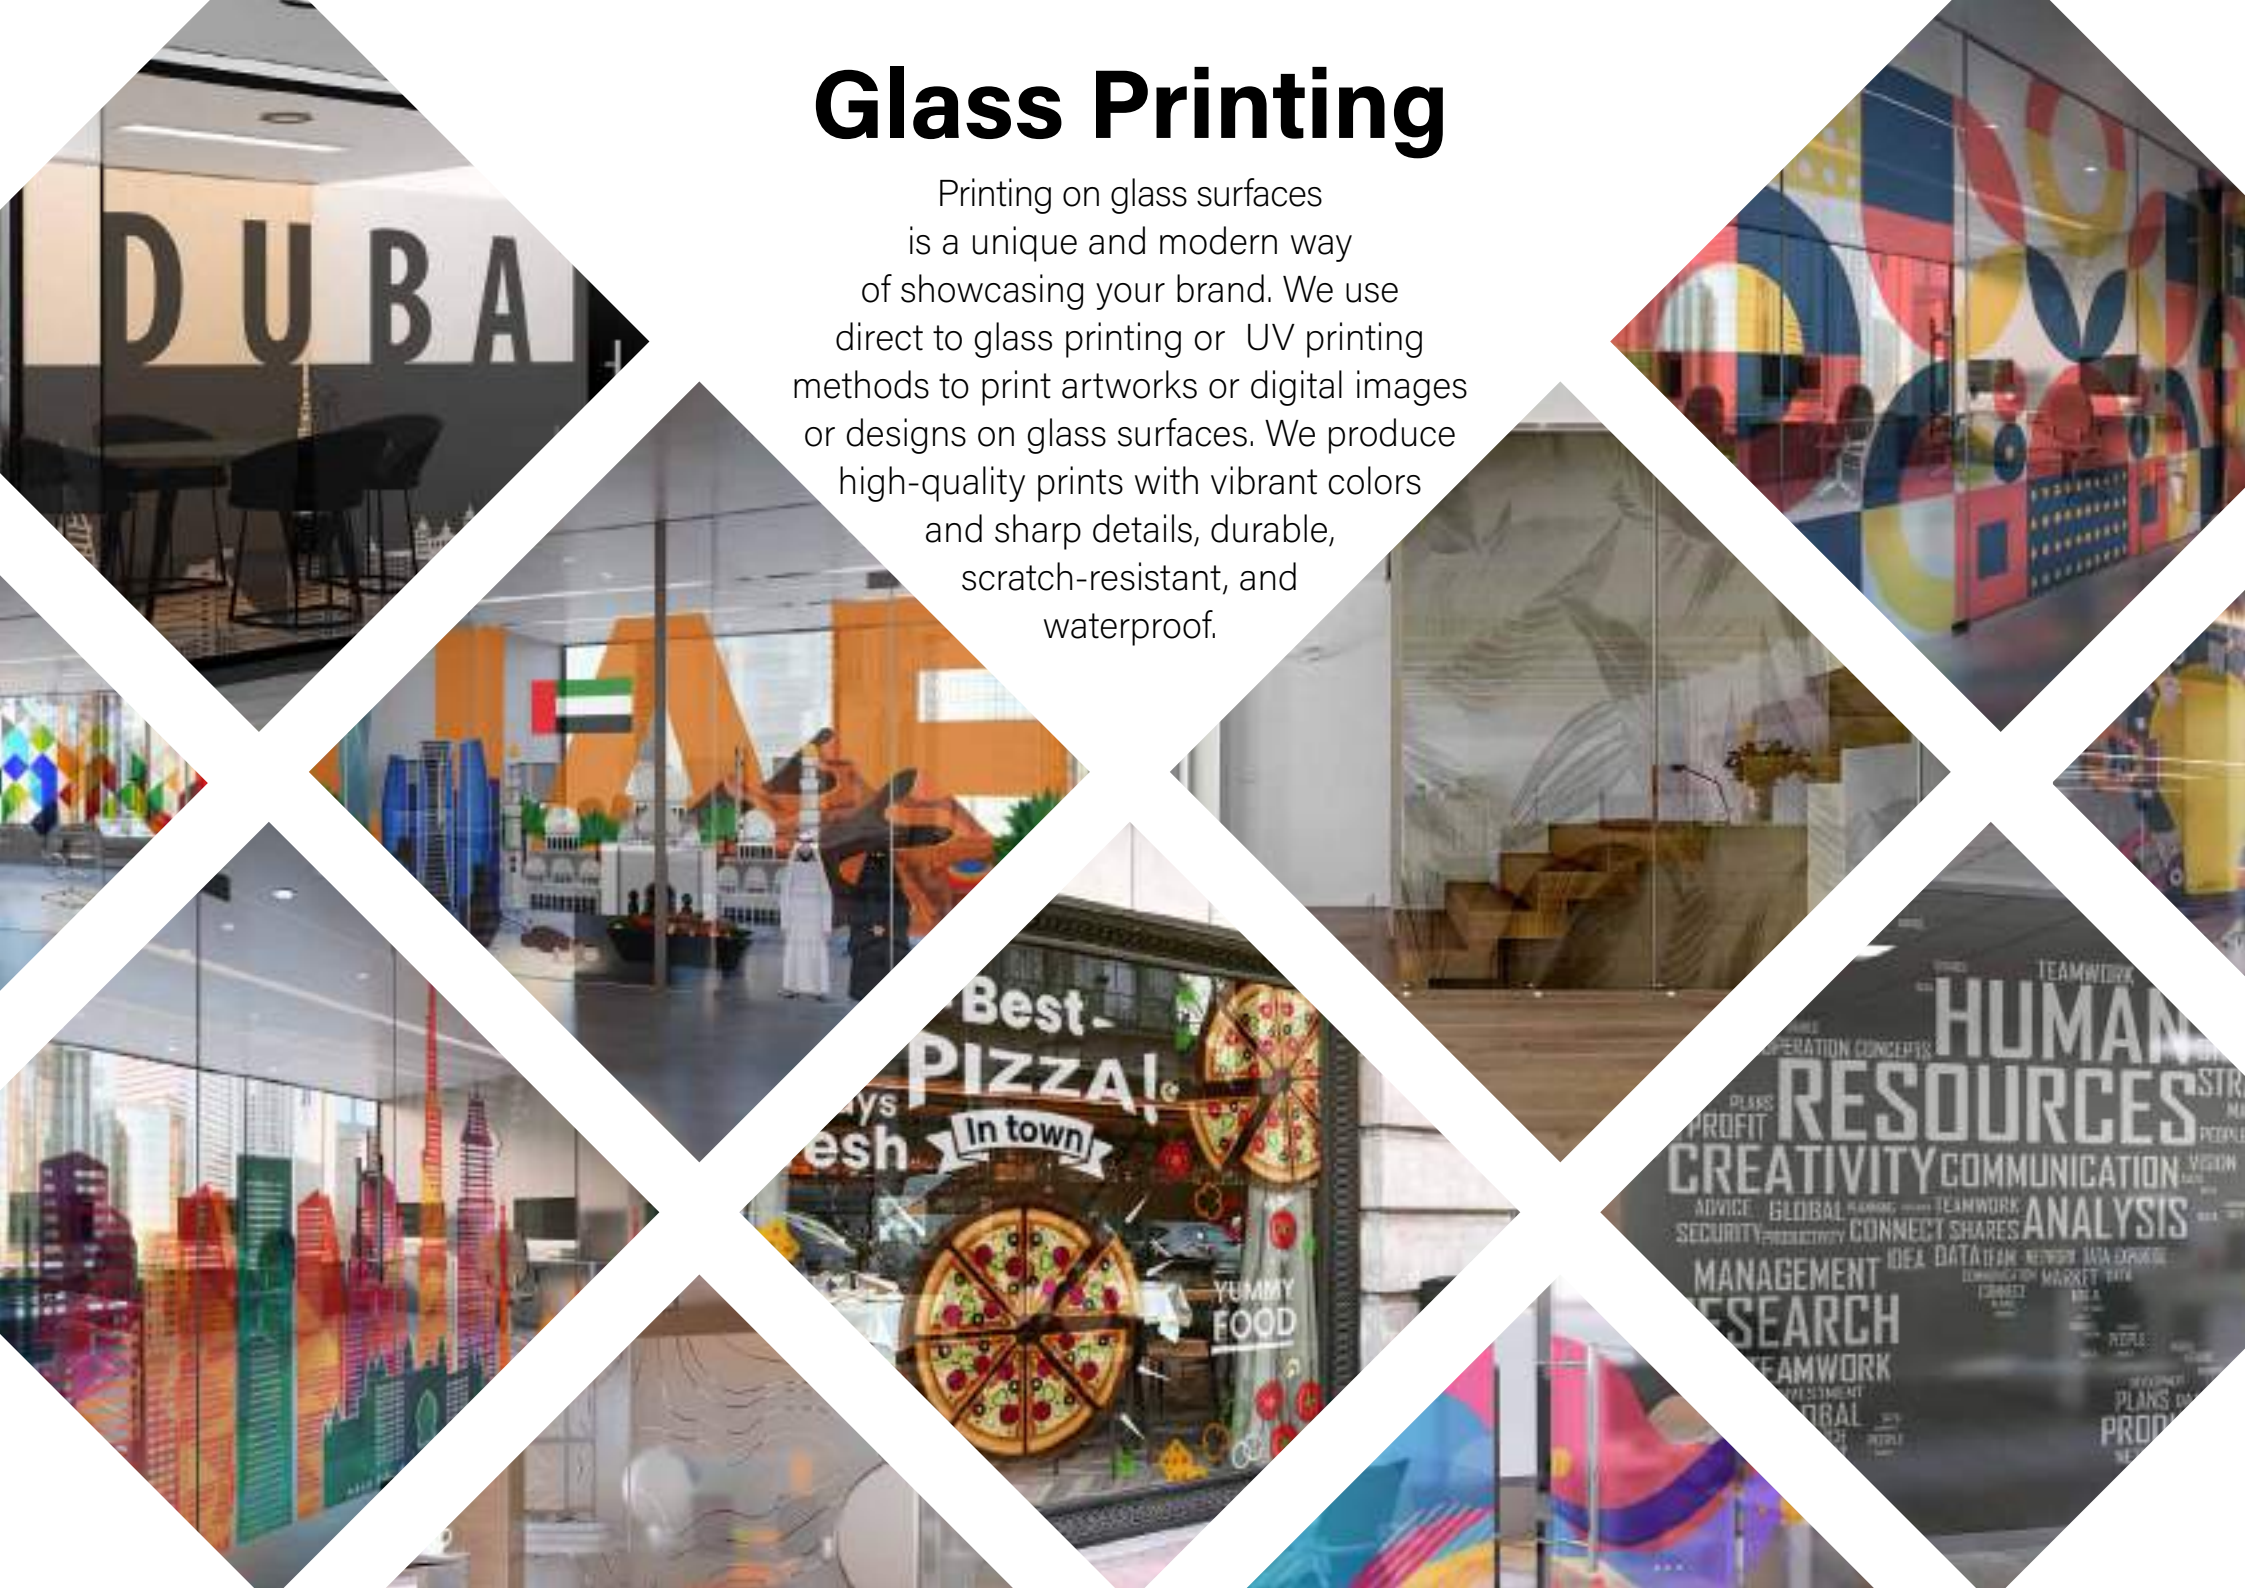

Wall Paper

We offer innovative wallpaper prints that highlight the motto and work culture of your company and motivate your employees. We can help you from selection of designs to installation on your walls. We provide premium quality textured wall papers which are water & fire resistant or standard quality matt wall papers too according to your requirements.

Glass Printing

Printing on glass surfaces is a unique and modern way of showcasing your brand. We use direct to glass printing or UV printing methods to print artworks or digital images or designs on glass surfaces. We produce high-quality prints with vibrant colors and sharp details, durable, scratch-resistant, and waterproof.

Acrylic Printing

We offer acrylic art services that are visually appealing and will surely catch your attention. The versatility of acrylic prints hooks the attention of art lovers instantly and transports them in reality. Our acrylic printing is an attractive and stylish option for displaying your favorite art or photography. We offer a wide variety of acrylic printing styles to meet your needs.

Ceramic printing

ArtSmiley uses UV printing to print beautiful designs on ceramic tiles. Ceramic printing services offer a variety of artistic textures, designs, and patterns that will inspire you to customize them. We customize your ceramic printing based on your specifications.

Metal Printing

Metal print is a unique and innovative way of showcasing artwork at your space. We use specialized UV printers that can create high-quality art prints on metal surfaces and provide aluminium hanging. The metallic finish adds depth and dimension to the artwork, and the durability of metal ensures that the prints last for a long time.

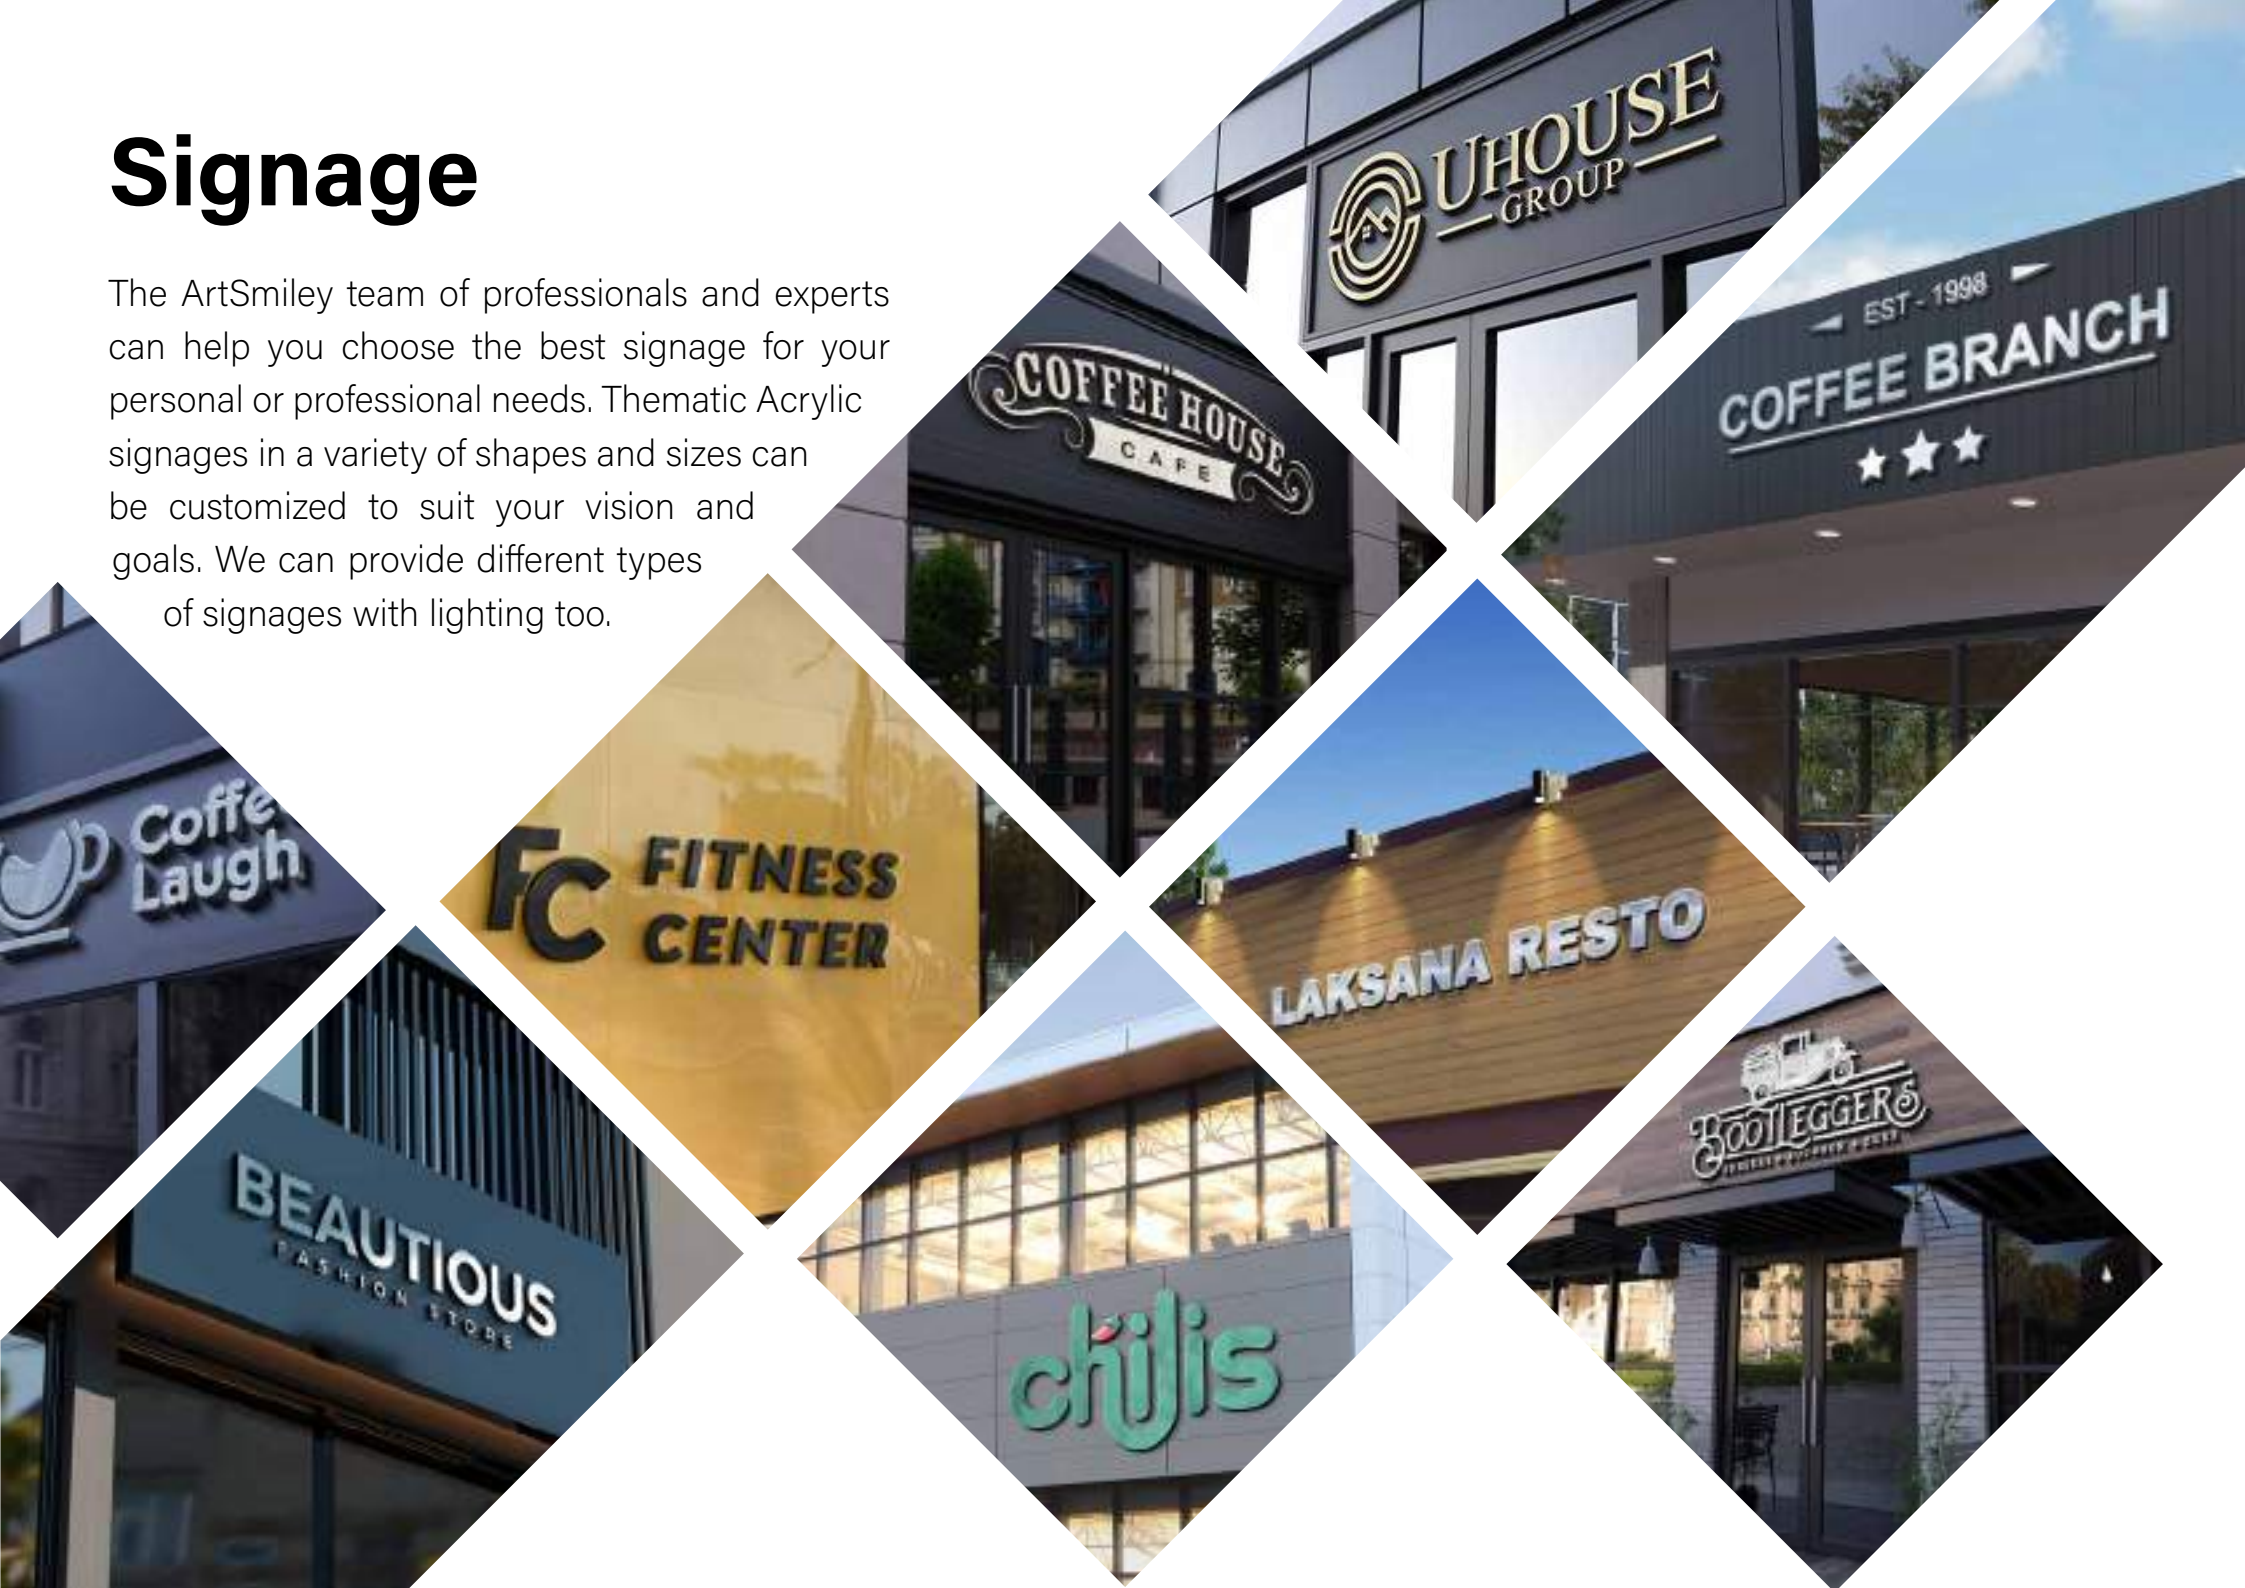

Wood Printing

Wood prints have a long lasting impression. The natural texture and grain of the wood creates a unique and rustic look. We create custom designs, decorative art pieces, and personalized gifts. We use specialised UV printers with Direct printing method to produce high-quality prints with vibrant colors and sharp details.

Signage

The ArtSmiley team of professionals and experts can help you choose the best signage for your personal or professional needs. Thematic Acrylic signages in a variety of shapes and sizes can be customized to suit your vision and goals. We can provide different types of signages with lighting too.

Thank You!
