Brands we deal with..

Building Maintenance

We provide complete building maintenance solutions to keep your property in top condition. From structural repairs to routine upkeep, our services ensure safety, functionality, and long-term durability for residential and commercial spaces. Our expert team works efficiently to prevent potential issues and enhance the value of your property. We offer customized maintenance plans to suit your unique requirements.

MEP, Electric & Plumbing

www.aslyfm.com

Our skilled professionals handle Mechanical, Electrical, and Plumbing (MEP) services with precision. From electrical wiring and lighting installations to plumbing repairs and drainage solutions, we ensure smooth operations and compliance with safety standards. We focus on high-quality workmanship to deliver reliable and energy-efficient solutions. Our services are designed to minimize downtime and optimize system performance.

We offer expert carpentry and fit-out services, including custom woodwork, partitions, and furniture installations. Our solutions enhance interiors with high-quality craftsmanship, combining style and durability for homes, offices, and commercial spaces. Every project is tailored to maximize space utilization while maintaining a refined aesthetic. We work closely with you to bring your design vision to life.

Carpentry & Fit-outs

Painting & Polishing

Revamp your space with our professional painting and polishing services. We use premium materials and expert techniques to deliver smooth finishes, vibrant colors, and long-lasting protection for interiors and exteriors. Our team ensures a flawless application, enhancing the overall appeal of your property. We pay attention to detail, providing a finish that exceeds expectations.

AC Installation & Repair

www.aslyfm.com

Stay cool with our reliable AC installation and repair services. We handle everything from new system installations to maintenance and troubleshooting, ensuring efficient cooling, energy savings, and optimal air quality. Our services help extend the lifespan of your AC units while keeping your space comfortable. We offer quick response times for emergency repairs.

Interior Designing

Our interior design services transform spaces with creativity and functionality. We curate personalized layouts, color schemes, and furnishings that enhance comfort, aesthetics, and usability for both residential and commercial interiors. Our designs reflect your unique style while maintaining practicality and elegance. We create spaces that truly feel like home or a professional haven.

We provide safe and effective pest control solutions to eliminate infestations and prevent future issues. Our eco-friendly treatments ensure a hygienic, pest-free environment for homes, offices, and businesses. Regular inspections and preventive measures help maintain long-term protection. Our team ensures that pests are gone for good with minimal disruption.

Pest Control

Building Cleaning

We provide comprehensive building cleaning services to maintain the cleanliness and appearance of your property. Our team uses professional equipment and eco-friendly cleaning agents to ensure your building remains spotless, both inside and out. From exterior facades to interior spaces, we handle all aspects of building cleaning, ensuring a safe and hygienic environment.

Water Tank Cleaning

Our water tank cleaning services ensure that your water storage tanks are clean, safe, and free from contaminants. Using advanced techniques, we remove dirt, algae, and bacterial buildup to maintain water quality and prevent health risks. Regular cleaning not only improves water hygiene but also helps extend the lifespan of your water tank. Our services are designed to ensure that your water supply remains pure and safe for use.

Carpet and Sofa Cleaning

www.aslyfm.com

Our deep cleaning services restore the freshness and longevity of carpets and sofas. Using advanced techniques, we remove stains, dust, and allergens, improving indoor air quality and comfort. We ensure a thorough cleaning process that leaves your furniture looking and feeling brand new. Our eco-friendly methods ensure a safe and healthy home environment.

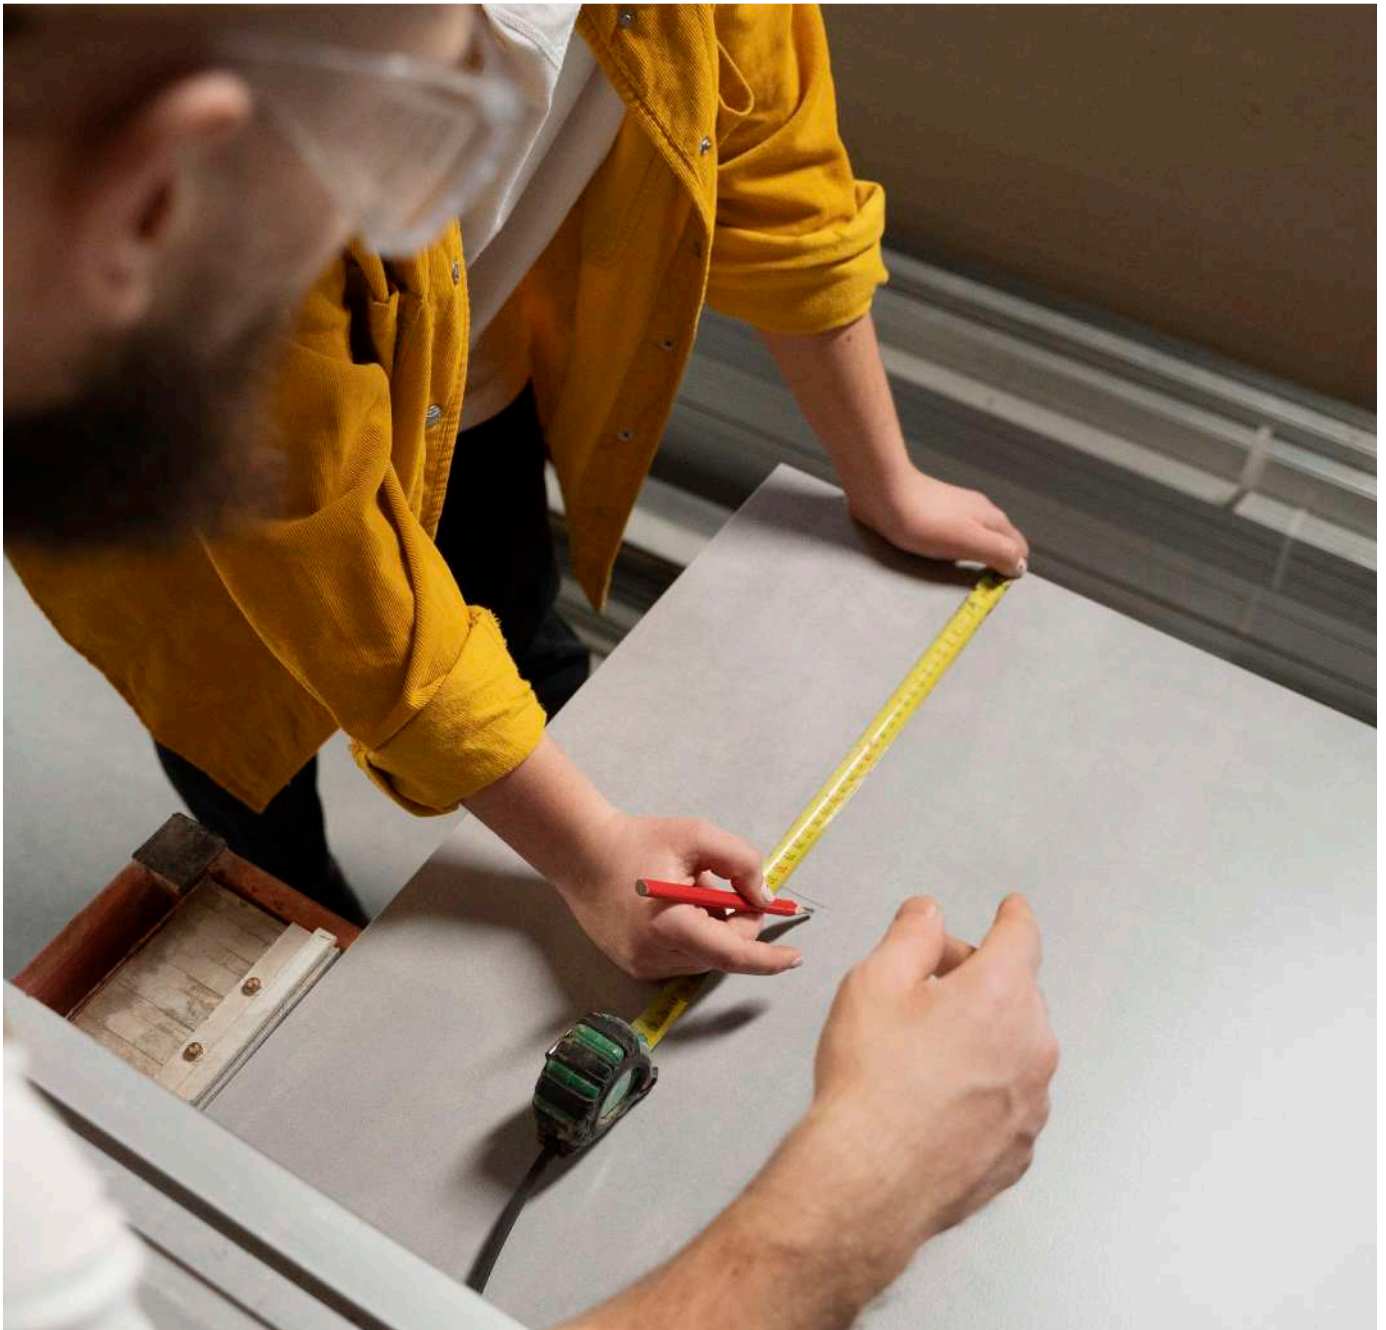

Our kitchen hood cleaning services ensure optimal ventilation and safety in your kitchen by removing grease, grime, and buildup from hoods and exhaust systems. We use specialized tools and cleaning solutions to thoroughly clean filters, ducts, and fans, preventing fire hazards and improving air quality. Regular maintenance helps maintain efficient airflow.
