COMPANY PROFILE.

TECHNICAL SERVICES
ACROSS THE UAE

www.assure-ts.com

About Us.

Assure Technical Services delivers expert solutions in HDPE pipeline installations, pump maintenance, MEP services, and facility management. With a focus on minimizing downtime and maximizing value, our skilled team ensures every project is completed safely, efficiently, and on time.

We are a multi-disciplinary technical service provider with over 5 years of hands-on experience delivering high-quality solutions across the UAE. Our team of skilled engineers and technicians specializes in HDPE pipeline Installation, pump maintenance, MEP services, and facility management. From preventive maintenance to complex installations, we ensure that every project is completed with reliability, safety, and precision—helping our clients reduce downtime and extend the life of their assets.

Our Mission.

We deliver reliable, high-quality maintenance services with technical expertise, timely execution, and a client-first approach.

Our Vision.

To be the UAE's most trusted provider of technical services by delivering smart, efficient, and long-lasting solutions across industries.

Our Value.

We believe in transparency, teamwork, and integrity—delivering every project with precision, safety, and a drive to exceed expectations.

Our Core Services.

Our comprehensive range of services is designed to support everything from day-to-day facility operations to critical infrastructure maintenance. With a skilled and experienced team, we deliver solutions that prioritize quality, safety, and efficiency at every stage.

HDPE Welding and Installation

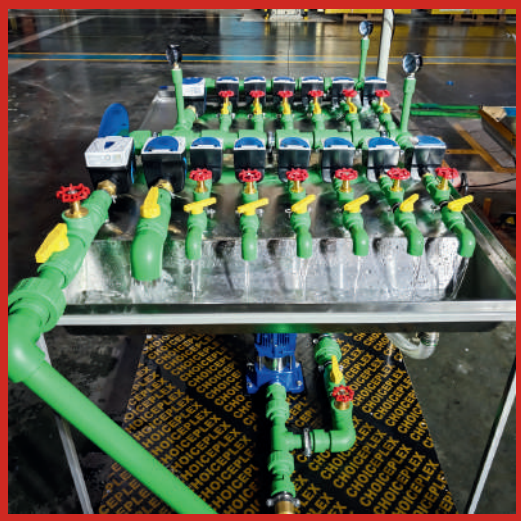

Pump Repair and Maintenance Services

Chilled Water line Chemical Flushing Installation / Operations

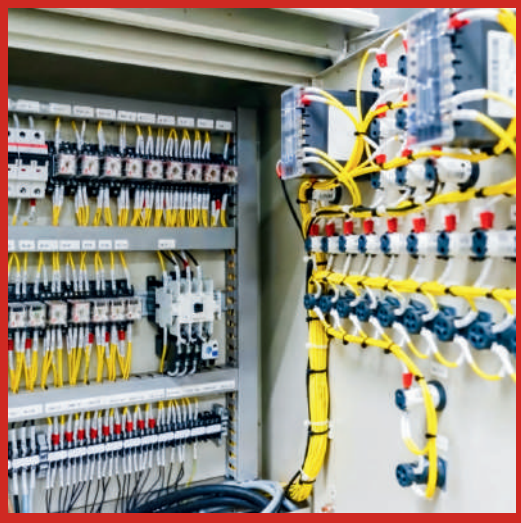

HVAC and Plumbing Services

Drainage and Sewerage Bypass Over Pumping

Electrical Maintenance and Installation

Pipeline Cleaning and Hydrostatic Testing

Why Choose Us.

1. Experienced Team
Our skilled technicians and engineers bring hands-on experience to deliver precise, reliable solutions for every project.

2. Comprehensive Solutions
We offer end-to-end services—from HDPE to HVAC—covering all your maintenance and technical needs under one roof.

3. Reliable and Timely
We respond quickly and deliver on time, minimizing downtime and ensuring smooth, uninterrupted operations for your business.

4. Quality and Safety First
We follow strict safety standards and quality controls to ensure durable, compliant, and risk-free service delivery.

5. Client-Centric Approach
We tailor our services to your needs, ensuring open communication, ongoing support, and long-term value in every project.

WE COMBINE EXPERIENCE, EFFICIENCY, AND TECHNICAL EXPERTISE TO DELIVER SOLUTIONS THAT ADD GENUINE VALUE TO YOUR BUSINESS. FROM DAY ONE, OUR TEAM WORKS CLOSELY WITH YOU TO UNDERSTAND YOUR NEEDS AND DELIVER OUTCOMES THAT ARE RELIABLE, SAFE, AND COST-EFFECTIVE.
