ABOUT COMPANY

Bait Al Marjan Prefab is a trusted manufacturer and supplier of prefabricated cabins across the UAE. We provide portable cabins for security guard rooms, mosque cabins, majlis, site offices, labour accommodation and other commercial needs. With fast delivery, practical designs and reliable quality, our prefab solutions are made to meet the growing demand of the market.

Bait Al Marjan Prefab continues to serve clients with durable, cost-effective and ready-to-use prefabricated building solutions. From small cabin requirements to large project setups, we support businesses, contractors and developers with flexible prefab structures across the UAE and GCC region.

OUR SERVICES

CLADDING SECURITY CABIN

Premium cladded security cabins built for durability, aesthetics, and functionality — trusted by construction sites, industrial facilities, and commercial projects across the UAE.

NEW PORTA CABIN

High-quality new porta cabins for site offices, labour accommodation, security posts, and more — manufactured and delivered across the UAE by Bait Marjan Prefab.

TRELLA TRANSPORT

Reliable flatbed and heavy haulage transport for prefab cabins, containers, machinery, and construction materials — serving construction and industrial projects across the UAE with Bait Al Marjan Prefab.

OUR SERVICES

REFURBISHED PORTA CABINS

Quality refurbished porta cabins — fire rated and wooden — fully restored for site offices, labour accommodation, security posts, and storage across the UAE by Bait Marjan Prefab.

CUSTOMIZED CONTAINERS

High-quality new porta cabins for site offices, labour accommodation, security posts, and more — manufactured and delivered across the UAE by Bait Marjan Prefab.

SANDWICH PANEL

Reliable flatbed and heavy haulage transport for prefab cabins, containers, machinery, and construction materials — serving construction and industrial projects across the UAE with Bait Al Marjan Prefab.

OUR SERVICES

CRANE EXPERTS

Professional crane services for construction, industrial, and infrastructure projects across the UAE — operated by experienced crews and backed by a well-maintained fleet, delivered by Bait Al Marjan Prefab.

BUILT FOR PERFORMANCE. DESIGNED FOR DURABILITY.

WHAT WE OFFER

- ★ Dry construction, quick and easy to erect
- ★ Flexibility of expansion
- ★ All weather proof construction
- ★ Maintenance-free
- ★ Dismantle and re-assemble easily

WHY CHOOSE BAIT AL MARJAN

IN-HOUSE FABRICATION

We manufacture and refurbish prefab structures in our own UAE facility — giving us full control over quality, timelines, and specifications at every stage of production.

FULL RANGE OF SOLUTIONS

From new porta cabins and cladding security cabins to customized containers, sandwich panels, and refurbished units

UAE-WIDE DELIVERY & INSTALLATION

Our logistics and installation team operates across all UAE emirates — delivering and setting up prefab structures on site so they are ready for immediate use

CLIENT-FOCUSED APPROACH

We work closely with each client to understand their project requirements, site conditions, and budget — and build or source a solution that fits

VISION

MISSION

VISION

To manufacture, market and deliver our products. To develop our business and employees to their full potential. To be a true partner in sustainable growth.

MISSION

To be a trusted partner in the prefabricated chain industry, contributing to National Growth through operational excellence and serving the best way for you.

OUR VALUES

Safety First

Meeting and exceeding compliance standards

Built to Last

Reliable solutions with proven durability.

Innovation with Purpose

Practical designs that solve real-world challenges.

Customer Partnership

Service that focuses on trust and delivery.

Sustainable Approach

Longer product life, reduced waste, and smarter material use.

OUR CUSTOMERS

We serve clients across construction, oil and gas, industrial operations, government projects, events, facilities management, security, and hospitality. Our cabins support projects of every size — from temporary site setups to complex infrastructure works.

CERTIFICATION AND COMPLIANCE

Eagle Prefab operates under strict UAE regulations and global best practices. Our approvals and certifications include: Certificates are available on request to ensure full transparency.
