

**Building
— Excellence,
Delivering Trust**

About Us

At Briomax Technical Services LLC, we are dedicated to delivering outstanding construction, MEP, interior fit-out, and trading solutions across the UAE. Established with a commitment to quality, innovation, and customer satisfaction, Briomax has earned a reputation as a trusted partner for a wide range of projects.

Our Best Services

At Briomax Technical Services, we understand the importance of security for your valuables, documents, and sensitive materials. Our specialized safe and vault services are designed to offer maximum protection, convenience, and peace of mind for homes, businesses, and institutions.

Emergency Safe Box Locksmith Service

Locked out of your safe? Our expert locksmiths provide fast, secure emergency services to regain access without damaging your safe.

Safe Box Password Recovery

Forgot your safe box password? We offer professional password recovery solutions, ensuring quick and confidential access while maintaining the integrity of your valuables.

Safe Box Rental Service

Need secure storage for your valuables temporarily? Our safe box rental service offers premium safes with flexible rental terms, perfect for short- or long-term needs.

Vault Door Service

We specialize in the installation, repair, and maintenance of heavy-duty vault doors. Whether for banks, businesses, or private use, our technicians ensure maximum security and smooth operation.

Safe Box Lock Replacement

Upgrade or replace your safe box lock with our trusted service. We install high-quality mechanical and digital locks to restore or enhance your safe's protection.

Our Products

In addition to technical services, we specialize in providing premium security and business automation products

- **Fire-Resistant Safes**

Home Safes: Secure personal valuables and documents.

Hotel Safes: User-friendly safes for hospitality settings.

Drop Safes: Designed for high-security cash deposit applications.

- **Fire-Resistant Filing Cabinets**

Protect important documents against fire and theft with multi-drawer secure cabinets.

- **Currency Counting Machines**

High-accuracy machines for efficient and fast cash counting and counterfeit detection.

- **Smart Lock Systems**

Advanced door locking systems with features like keyless entry, mobile control, and remote access.

- **Biometric Attendance Devices**

State-of-the-art devices for employee time tracking using fingerprint, face, or iris recognition technology.
