

# Company Profile

# Our Vision

To be a leading name in the UAE's construction and fit-out industry by consistently delivering innovative, sustainable, and high-quality solutions that exceed client expectations.

# Our Mission

To create exceptional spaces that combine functionality, aesthetics, and sustainability — while maintaining transparency, trust, and long-term partnerships with our clients.

# Landscaping

We create elegant, functional, and sustainable outdoor spaces that enhance the overall appeal and value of every project.

- > Hard and soft landscaping solutions
- > Outdoor design and execution
- > Sustainable irrigation systems

# Design & Consultancy

Our expert design team creates innovative, practical, and aesthetically pleasing concepts that bring your ideas to life while optimizing space and resources.

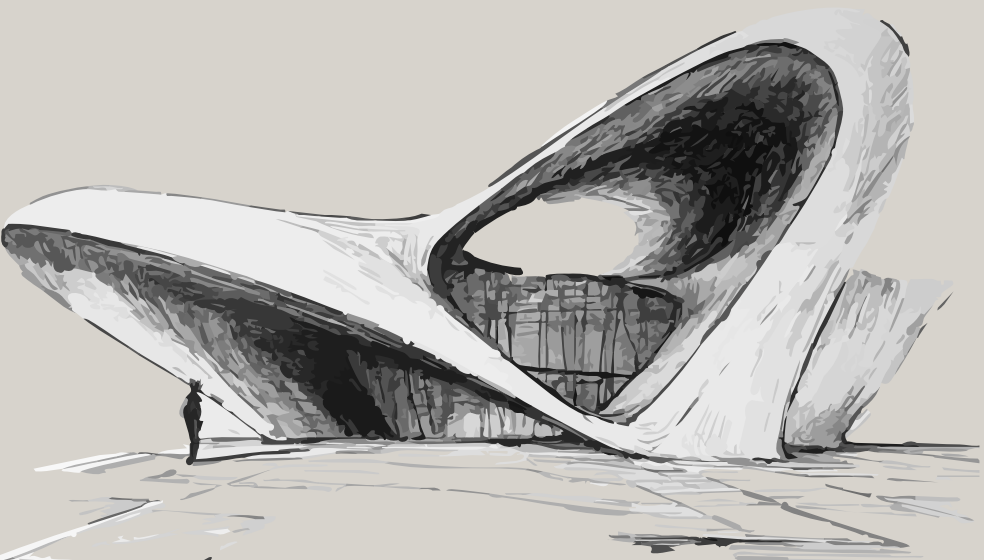

- › Space planning and 3D visualization
- › Material selection and specification
- › Sustainable and cost-effective design concepts

# Interior Fit-Outs

We deliver complete interior fit-out solutions that blend functionality, style, and precision to transform any space into a reflection of your brand and vision.

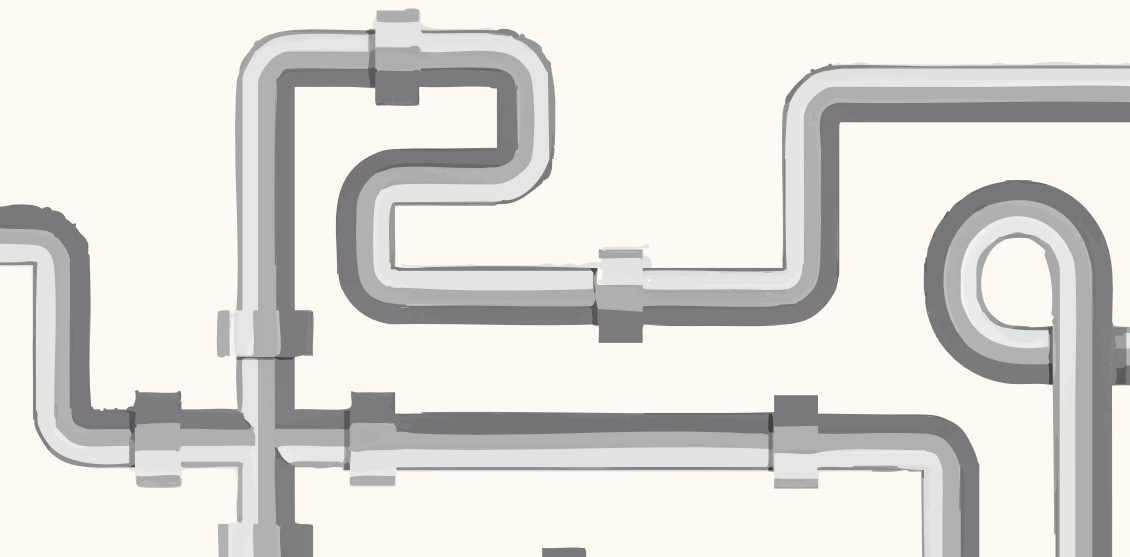

- > Turnkey interior solutions
- > Custom joinery and furniture works
- > High-quality finishes and detailing

# MEP Services

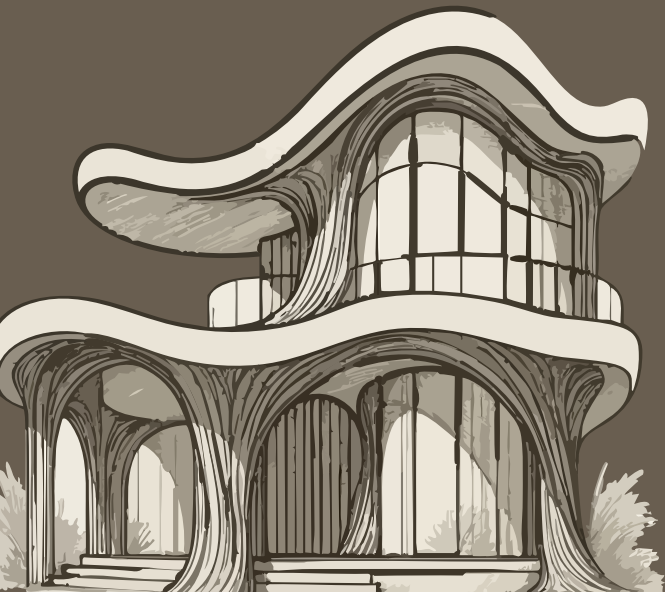

We provide complete Mechanical, Electrical, and Plumbing solutions that ensure comfort, safety, and efficiency in every project.

- › HVAC, lighting, and electrical systems
- › Plumbing and drainage solutions
- › Energy-efficient and compliant installations

# Our Sectors

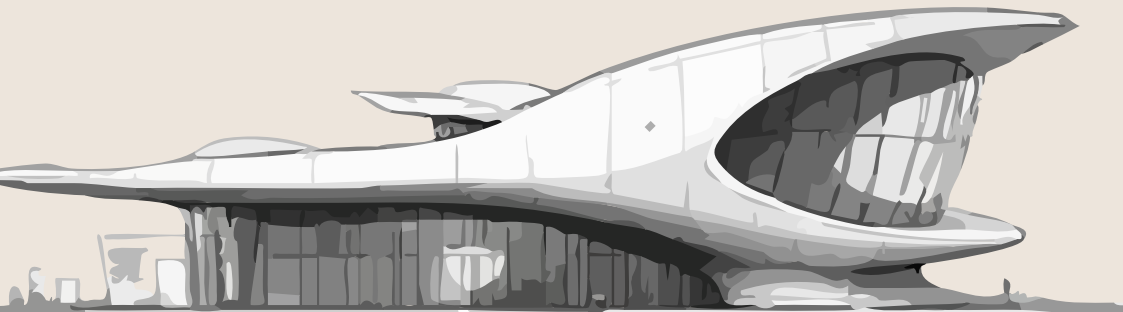

- › **Commercial Spaces** – Inspiring environments that enhance productivity.
- › **Residential Developments** – Elegant and comfortable living spaces.
- › **Hospitality & Leisure** – Luxurious interiors that elevate guest experience.
- › **Retail & Showrooms** – Engaging spaces that attract and convert customers.
- › **Offices & Corporate Interiors** – Modern, functional, and efficient workspaces

# Quality Assurance

We maintain strict quality control at every stage through:

- › Skilled professionals
- › Premium materials
- › Regular site inspections
- › Adherence to international standards

# Project Process

- > Client Consultation
- > Concept Design & Planning
- > Cost Estimation & Approvals
- > Execution & Supervision
- > Quality Check & Handover

# Sustainability Commitment

Cape Creatives integrates eco-friendly materials, energy-efficient systems, and waste management practices in all projects to promote environmental responsibility.

# Our Team

A dedicated team of designers, engineers, and project managers ensures each project is executed with excellence, creativity, and technical expertise.

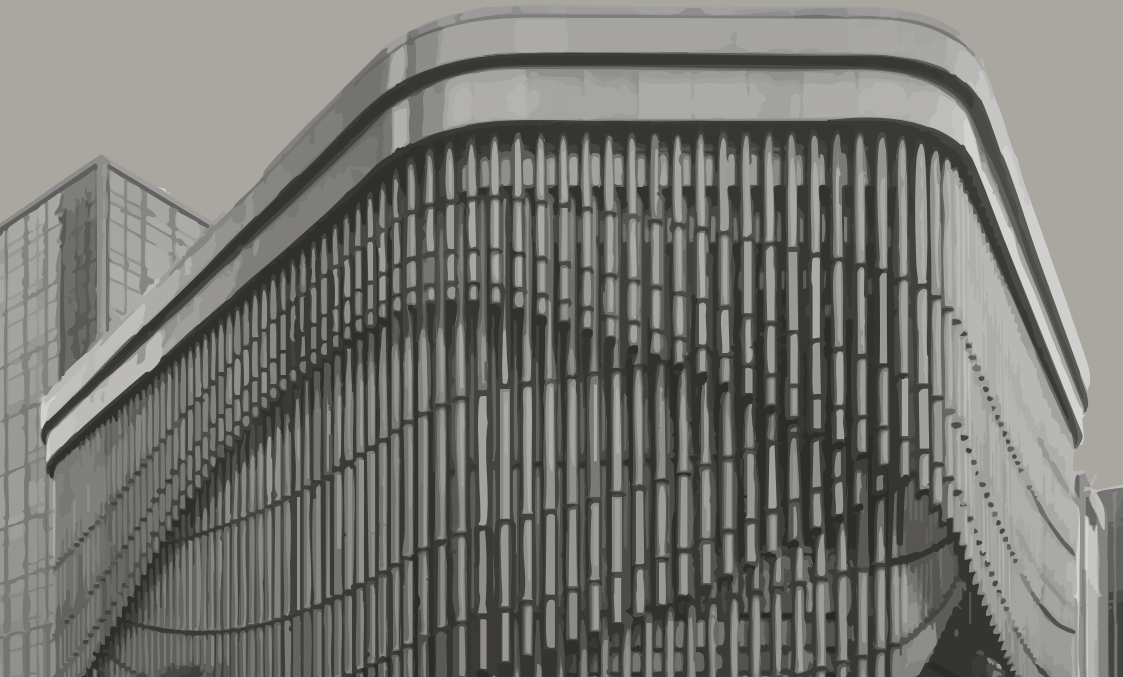

# Project Management

Our dedicated project management team ensures seamless coordination from design to delivery.

## Key Strengths:

- > Transparent communication with clients
- > Efficient timeline and budget control
- > Quality and safety assurance
- > Continuous reporting and updates

# Health & Safety Standards

We adhere to the highest health and safety protocols to protect our workforce, clients, and environment.

## Commitments:

- > Compliance with UAE HSE regulations
- > Regular staff training and safety audits
- > Risk assessment and preventive measures
- > Emergency response planning

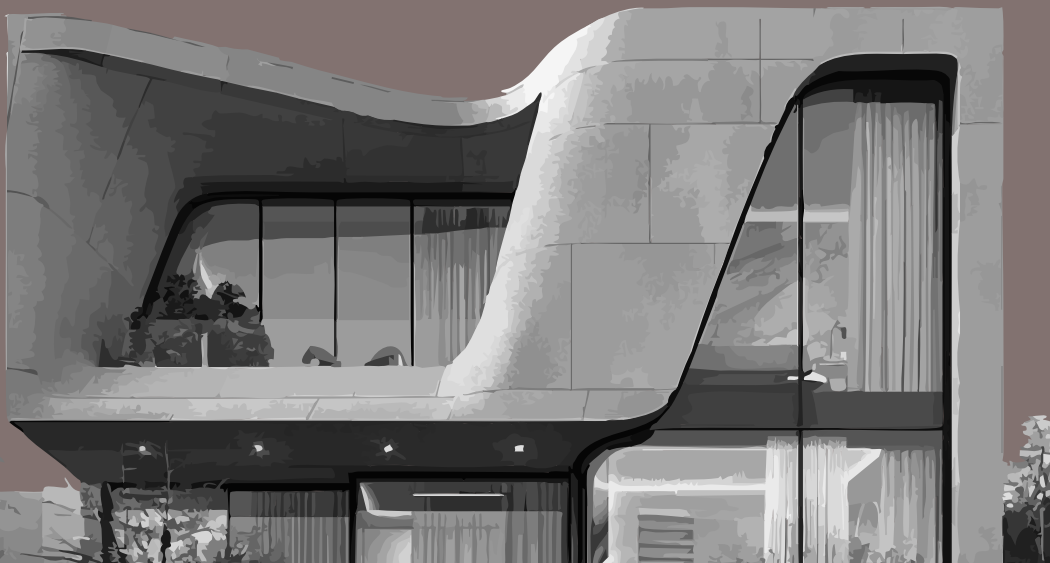

# Innovation & Technology

Cape Creatives embraces digital transformation and cutting-edge tools to enhance design accuracy, project visualization, and execution.

## Innovative Tools We Use:

- > 3D visualization & BIM modeling
- > Smart material management
- > Automated scheduling systems
- > Sustainable building technologies

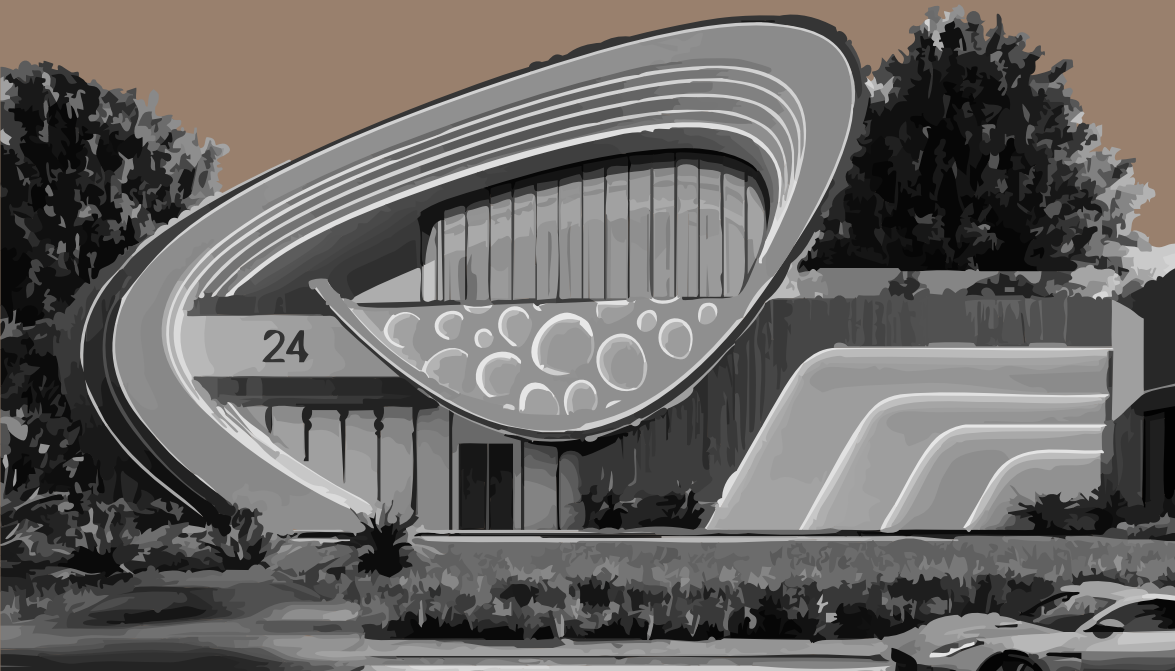

# Partners & Suppliers

We collaborate with industry-leading suppliers and brands to ensure the highest quality of materials and finishes.

## Key Partners:

- > Premium material suppliers
- > Trusted MEP contractors
- > Sustainable product manufacturers
- > Specialized design consultants

# Certificates & Accreditations

Our company complies with UAE's construction regulations and maintains relevant certifications to ensure quality, safety, and environmental responsibility.

## Certifications:

- > ISO 9001: Quality Management
- > ISO 14001: Environmental Management
- > ISO 45001: Health & Safety Management

# Social Responsibility

We are committed to giving back to the community through sustainable practices and social initiatives.

## Our CSR Focus:

- › Supporting local talent and craftsmanship
- › Promoting green building awareness
- › Community and educational programs

# Future Goals & Expansion

As we continue to grow, Cape Creatives aims to expand its footprint across the UAE and GCC through innovation, excellence, and trusted partnerships.

## Future Vision:

- > Regional expansion into GCC
- > Smart construction technology adoption
- > Sustainable design leadership
