## ABOUT US

Chemex Chemical and Hygiene Products is a household name which provides the most reliable cleaning solutions across UAE for the past 3 decades.

Chemex Chemical and Hygiene Products L.L.C was established in 1995 and successfully caters to the varied cleaning requirements of the ever evolving cleaning and hygiene products market across the GCC. The main office and manufacturing plant are located in Dubai, with extended operations and presence in Abu Dhabi and Ras Al Khaimah. Chemex Chemical and Hygiene Products L.L.C is also present in Bahrain, Qatar and Oman.

Chemex Chemical and Hygiene Products L.L.C manufactures and distributes its own brand of domestic and professional cleaning chemicals which are among the most sought after cleaning products in the UAE today. The biggest reason clients prefer Chemex products are due to the fact that it is bio-degradable, eco-friendly and result oriented. The company also provides extensive customized, private labeling according to customer's needs.
