# INTRODUCTION

Welcome to **Cool Line Group**, a pioneer and trusted name in the industry, providing high-quality services in Fire Systems, Surveillance Systems, Plumbing, and Concrete Coring & Cutting since our inception in 2001. With our headquarters in the United Arab Emirates, we have strategically expanded our operations and established branches across the region over the past two decades.

Our commitment to safety, innovation, and exceptional service delivery sets us apart as we strive to improve the lives of our customers and communities by protecting their interests and delivering state-of-the-art solutions. Drawing from our vast experience, we instill excellence in our range of services.

**Our specialty in designing, installation, testing, commissioning and maintenance of the following systems:**

- 1- Fire Alarm Systems.
- 2- Fire Fighting Systems.
- 3- Fire Protection Systems (FM 200, Foam System, water spray system ...etc.).
- 4- Fire Pumps.
- 5- Plumbing Work.
- 6- Drainage Work.
- 7- Sanitary Equipment.
- 8- Swimming Pools.
- 9- Filtration System.
- 10- Surveillance System.
- 11- Smoke Management.
- 12- Concrete Coring & Cutting.

Being a part of **Cool Line Group** symbolizes being part of a trusted entity recognized for its consistency, reliability, and unwavering commitment to customer satisfaction. Our substantial growth and established presence in the region reflect our dedicated efforts and resilience. Rest assured, at Cool Line Group, we never compromise on safety, quality, or standard of service.

## Mission statement

At **Cool Line Group**, our mission extends beyond being a provider of Fire Fighting systems, surveillance systems, plumbing, and Concrete Coring & Cutting. We are dedicated to creating and maintaining safe, secure, and efficient living and working environments for our clients, underpinned by our comprehensive range of services.

Our objective is to lead in quality, safety, and customer satisfaction, offering innovative, reliable, and cost-effective solutions for all our customer's needs. We pledge to uphold the highest standards of integrity and, use our experience and expertise to ensure the safety and satisfaction of our customers.

We aim to sustain and grow our presence regionally and internationally, seeking to be at the forefront of technological advancements to serve our communities better and contribute to their welfare and development.

Committed to our people, we aspire to cultivate a working environment that supports continuous learning, innovation, and development, thus empowering us to exceed expectations, perform with excellence, and continually reach new horizons.

## Vision statement

At **Cool Line Group**, our vision is to be the region's leading partner in Fire Fighting systems, surveillance systems, plumbing services, and Concrete Coring & Cutting, recognized for our emphasis on quality, innovation, and exceptional service.

We strive to continually set the standard for safety and service excellence, underpinned by our commitment to leveraging cutting-edge technology, cultivating highly skilled teams and delivering customer-centric solutions. We envision a future where our services not only meet but exceed the dynamic requirements of our customers, ensuring them safety and satisfaction.

Our sights are set on a of consistent growth, achieving leadership not only in our existing markets but also expanding our footprint in new regions, thereby elevating living and working standards on a global scale.

In the realm of societal impact, we aspire to be a catalyst for positive change - fostering safer environments, contributing to economic growth, and nurturing sustainable practices, ultimately improving the welfare of the communities we serve.

# Goals

At **Cool Line Group**, we have meticulously defined our goals which align with our mission and vision:

## 1- Customer Excellence:

To continuously deliver high-quality, reliable solutions that exceed expectations and build long-term based on mutual trust and.

## 2- Safety Leadership:

To lead the industry in safety management, ensuring our fire systems, surveillance systems, plumbing services, and concrete pouring set a benchmark for quality and safety standard.

## 3- Innovation and Technological Advancement:

To embrace advanced technology and innovative methodologies, continuously improving our service delivery mechanism and enhancing our product offerings.

## 4- Operational Excellence:

To constantly strive for excellence in our services, maintaining efficiency and effectiveness in our operations to better serve our clients.

## 5- Market Expansion:

To expand our footprint in new markets while strengthening our existing ones, thereby increasing our accessibility to various clientele and enhancing our growth prospects.

## 6- Sustainability:

To ensure our operations adhere to sustainable practices, contributing positively to environmental preservation.

## 7- Employee Development:

To nourish a nurturing and supportive work environment, empowering our team members with opportunities for growth, advancement and rewarding careers.

These goals embody our dedication to excellence, guide our strategies and decisions, and serve as our roadmap towards achieving our vision.

## Quality Policy

We are committed to achieving ever-increasing levels of customer satisfaction through continual improvements in the quality of our services.

## Objectives

- Quality checking at every stage.
- Provide compelling solutions to ensure that our customers are satisfied.
- Continuous updating our technical competence.
- Continuous review and upgrading of systems and equipment.
- Immediate action upon customer complaints within 24 hours.

## Safety Policy

- Ensure the education, interest, and awareness training of new employees in safe working methods before the assumption of duty. Ensure that the organization is a safe place, and the environment, facilities, equipment, and substances are subject to safe systems of work to prevent risks to health or safety.
- Promote personal responsibility and effort on the part of everyone to avoid and prevent health hazards and injuries to themselves and to others who may be affected by their acts or omissions and to co-operate with the organization to comply with its duties, requirements, and statutory obligations.
- Ensure the use of defensive driving techniques by car drivers and machinery operators.
- Ensure that safety is a line management responsibility.
- Monitor effectiveness of safety policy.
- Display and publicize this statement and review it at least biannually.

Disclaimer:  
 1) This prequalification approval does not absolve the sub-contractor from getting a 'project specific approval' by the project consultant and by ADCE. Whenever a pre-qualified sub-contractor applies for a specific project, they should go through the sub-contractor submission process where they should prove resource allocation, financing position and proper engineering staff. The issuing of this certificate does not confer any authority upon the Sub Contractor.  
 2) This certificate is valid for one year from issue date.

## السادة : مؤسسة الخط البارد لمعدات الحريق

### الموضوع : تجديد اعتماد

- ١- لا مانع لدينا من الموافقة على تجديد اعتمادكم في مجال استيراد و بيع مواد ومعدات أنظمة الإنذار والإطفاء وفي مجال تنفيذ وتركيب وصيانة أنظمة الاطفاء والانذار وفي مجال صيانة وتعبئة طفايات الحريق اليدوية (بودرة + CO2) لهذا العام ٢٠٢٥ م فقط شريطة التقيد بما يلي:  
- أن تكون تلك المواد مطابقة للمواصفات المعتمدة لدينا وعدم توريدها لأي مشروع إلا بعد أخذ الموافقة الخطية من قبل الدفاع المدني/ إدارة الوقاية والحماية الذاتية.  
- عدم تجديد الترخيص للعام القادم الا بعد أخذ الموافقة الخطية من قبل الدفاع المدني/ إدارة الوقاية والحماية الذاتية.
- ٢- علما بأن هذه الموافقة تتعلق فقط بمتطلبات وشروط مديرية الدفاع المدني ولا تعني إعفاء الشركة من أية موافقات أو شروط تتطلبها الجهات المعنية الأخرى أو واردة في التشريعات المعمول بها.
- ٣- لاجراءاتكم لطفاً.

واقبلوا الاحترام

## Our Satisfied & Valued Partners

Over the years, **Cool Line Group** has had the privilege of collaborating with a diverse range of esteemed clients, consultants, and contractors. These partnerships have been instrumental in our growth and success, allowing us to deliver exceptional services and solutions in the fields of fire alarm, fire fighting, fire suppression, CCTV, and plumbing systems. Our trusted partners share our commitment to excellence, innovation, and safety, and together, we have successfully completed numerous projects that have set new standards in the industry.

We are proud to highlight some of the key partners who have contributed to our journey and look forward to continuing these valuable collaborations in the future.

## Projects Approvals

Over the years, **Cool Line Group** has been granted numerous approvals for a wide range of projects, reflecting our commitment to excellence and adherence to industry standards. These approvals span various project types and values, showcasing our versatility and capability in delivering high-quality services. From fire alarm and fire fighting systems to fire suppression, and plumbing systems, our track record speaks for itself. We take pride in our ability to meet and exceed the expectations of our clients, consultants, and contractors.

Detailed information about **our previous approvals is available upon request**, and we are more than happy to provide this documentation to demonstrate our proven expertise and reliability.
