Electrical Accessories

A collage of various electrical accessories. The items include: a set of hand tools (screwdrivers, pliers, wire cutters) and a red toolbox; a red and black power source or generator; a bundle of white and yellow cables; a large coil of white cable; a large black power plug; a bundle of multi-colored cables; a coil of green cable; a set of yellow and black power tools (drill, sander, etc.); a black and white power tool (possibly a pump or blower); three white electrical switches or relays; a red fire extinguisher; several cans of lubricants (Total, Castrol, etc.); and various bottles of electrical fluids or cleaners.

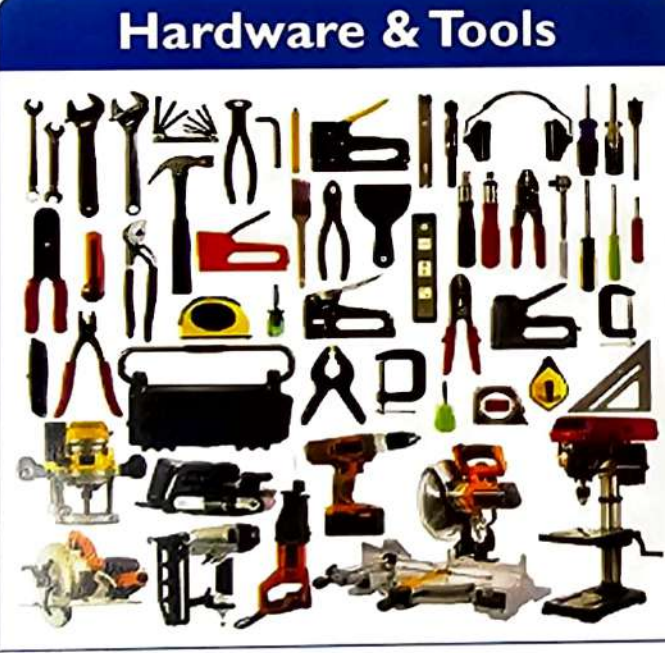

Sanitary Ware & Fittings

A collection of various sanitary ware and fittings, including sinks, faucets, toilets, and pipes, displayed against a white background. The items are arranged in a grid-like fashion, showcasing a wide range of products available for sale.

[illegible]

Hardware & Tools

A large collection of various hardware and tools arranged in a grid-like fashion. The tools include wrenches, pliers, hammers, screwdrivers, a level, a tape measure, a hand saw, a circular saw, a drill, a sander, and a workbench. The tools are displayed against a white background, with some tools in the foreground and others in the background, creating a sense of depth. The tools are arranged in a way that shows a wide variety of options for different types of work.

All kinds of Building Materials

A collage of various building materials and tools. The items include: a roll of green mesh, a stack of yellow bricks, a collection of hand tools (saw, hammer, shovel, etc.), a roll of blue plastic sheeting, a stack of colorful tiles, a roll of silver wire, a stack of blue and white tiles, a collection of wheels, a roll of blue plastic sheeting, a stack of yellow buckets, a collection of nails and screws, a stack of black pipes, and a collection of various other tools and materials.
