Sustainability

CHAIRMAN'S MESSAGE

Double King General Contracting & Transport LLC was established in 2017, since then we are gearing up for the future and we have the key success factors necessary to withstand for any kind of changes and commitment.

The encouragement provided to build a highly skilled and creative team, which is reinforced by the state-of-the-art infrastructure, integrity, and excellence. Our strategy is to achieve by developing innovative initiatives, follow proper sustainability factors in right way there by providing solutions to ourselves, employees and clients.

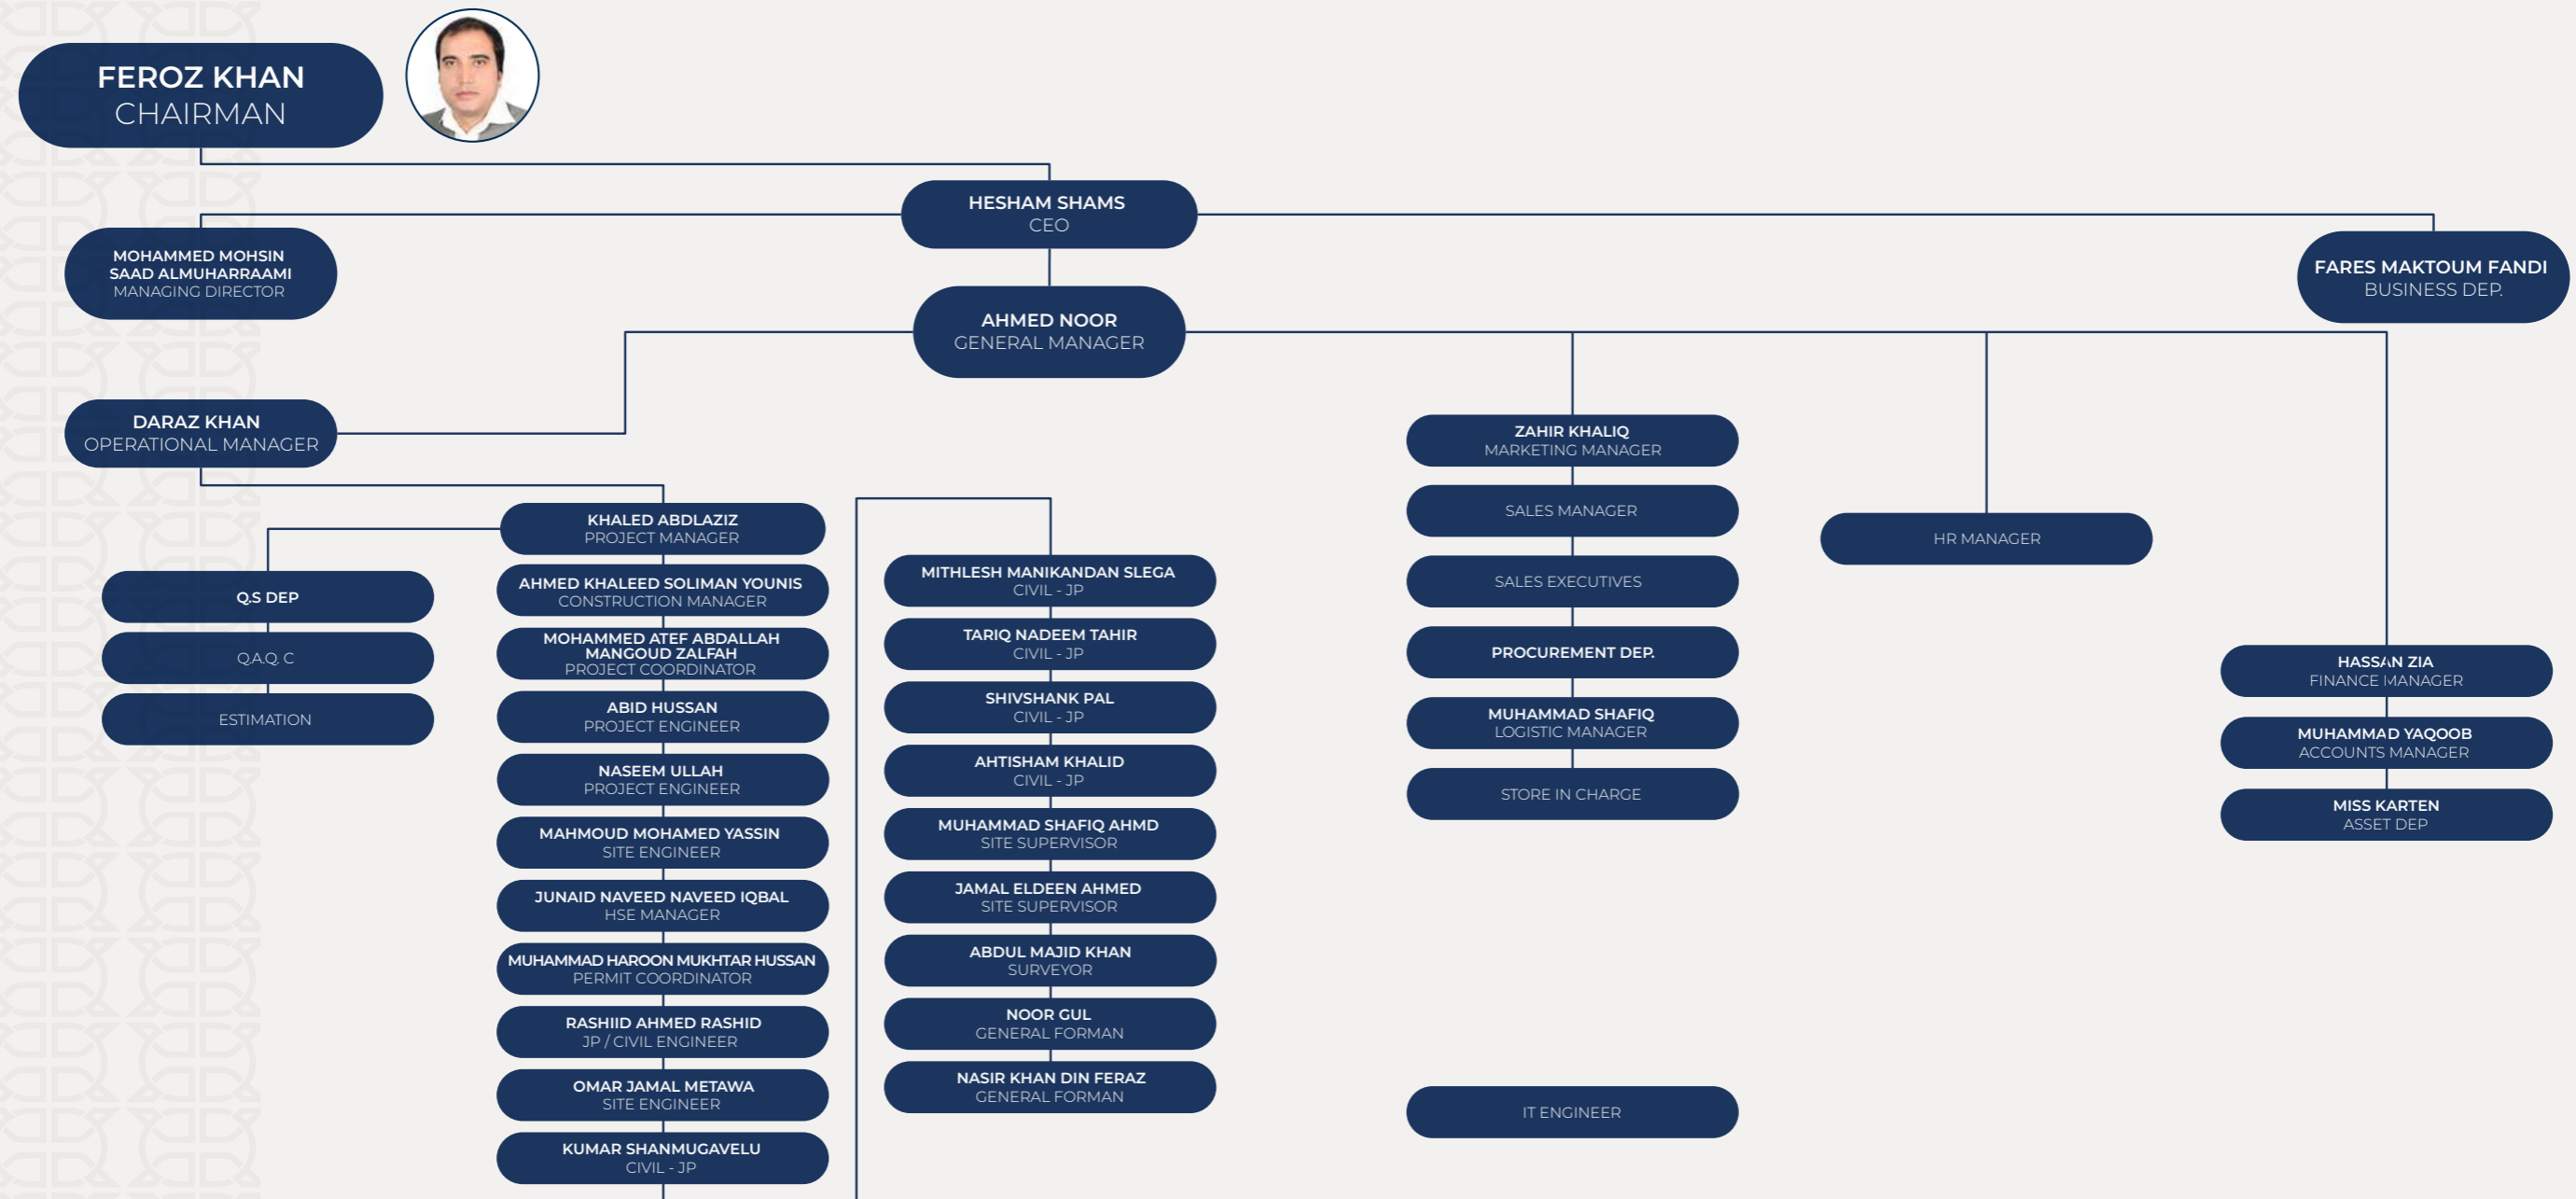

The growing economy fueled the development of various sectors, among which, one is the construction. As a contracting & transport entity, we Double King General Contracting & Transport LLC was established based on core values and ideals.

Today, we remain devoted to the same principles and objectives that have driven our success over the recent years. These values are ingrained into our company's culture and are followed in every aspect of our business operation through four major tenants. No compromise on produced quality, timely completion of projects, continuous investment in human resources development and a strong commitment to client satisfaction.

MR. FERUZ SHAH
CHAIRMAN

ORGANIZATION CHART

DOUBLE KING GENERAL CONTRACTING & TRANSPORT L.L.C

EARTH WORKS

We have a highly experienced team that is equipped with sufficient and latest equipment in order to take up any challenging job in earth works.

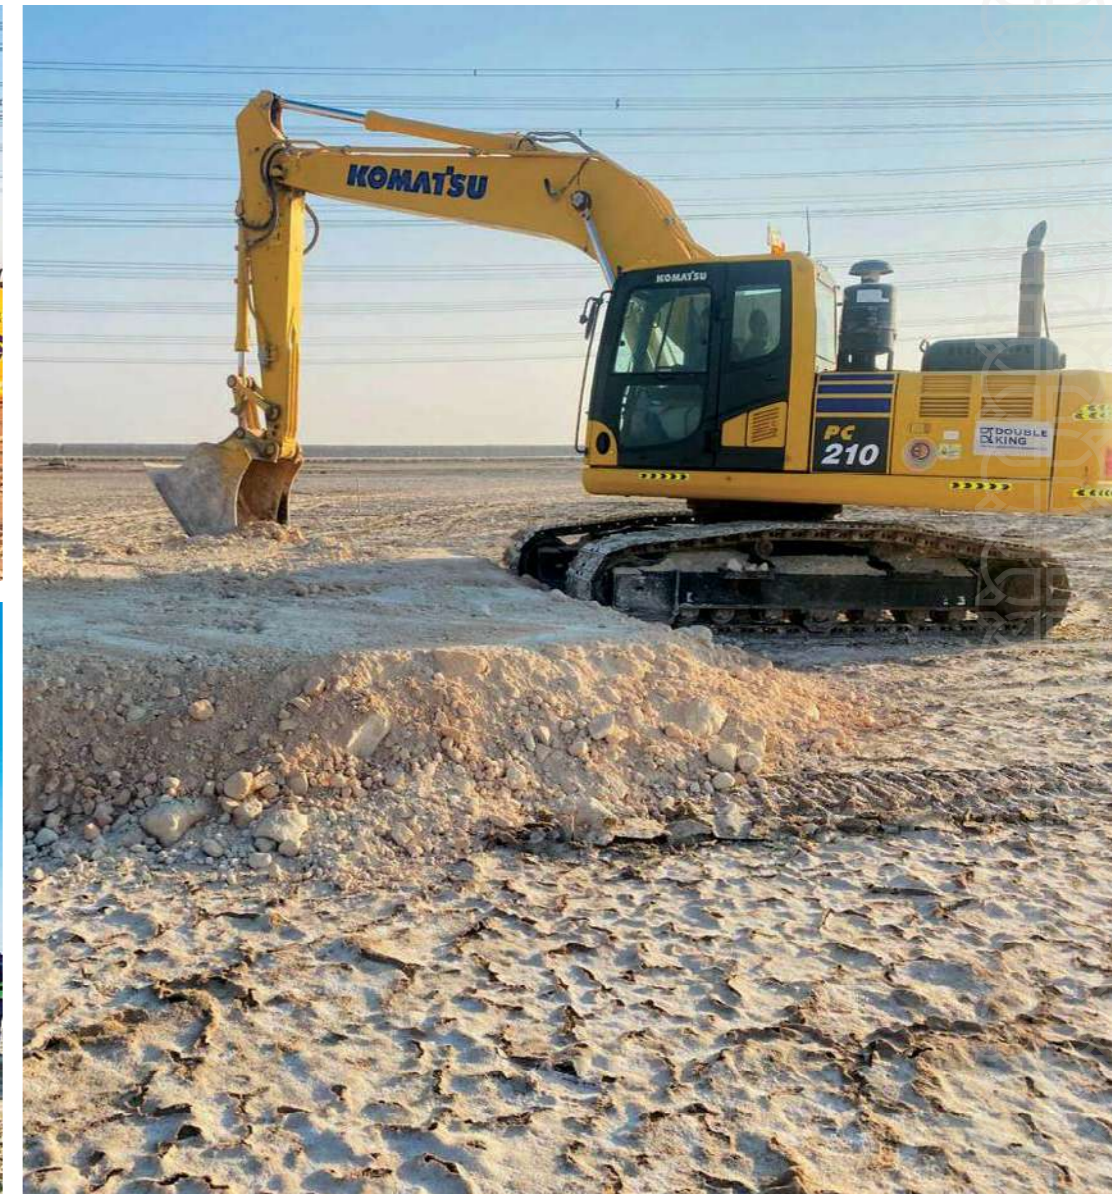

- Excavation • Compaction • Dozing • Ripping • Grading
- Levelling • Backfilling • Pipeline Excavation

On top of that, our highly specialized mechanics and their up-to-date knowledge are an indispensable asset for the high-quality service and maintenance of our modern equipment fleet.

ROAD

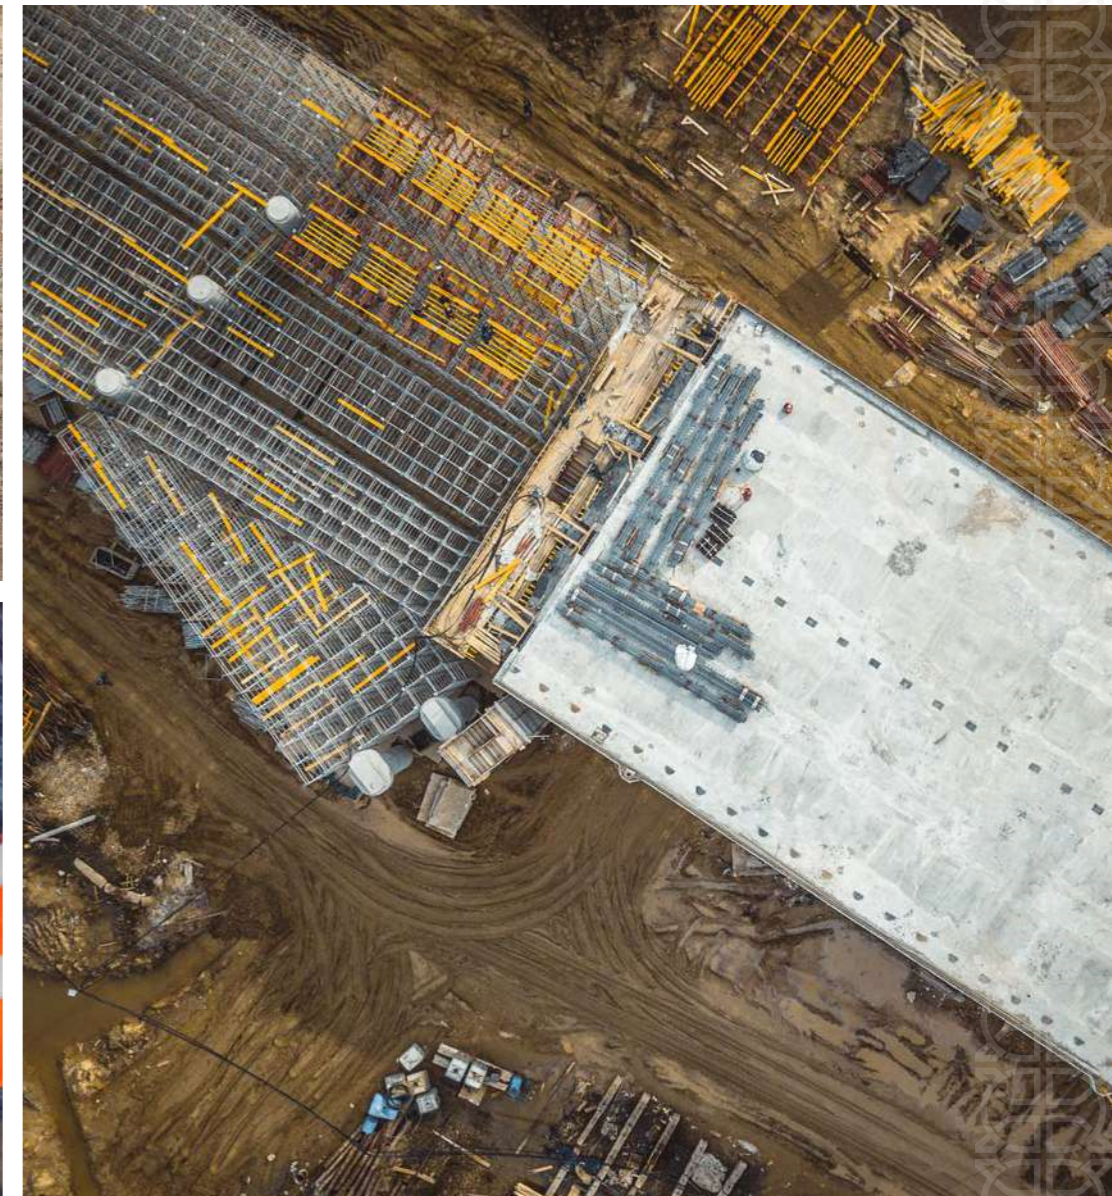

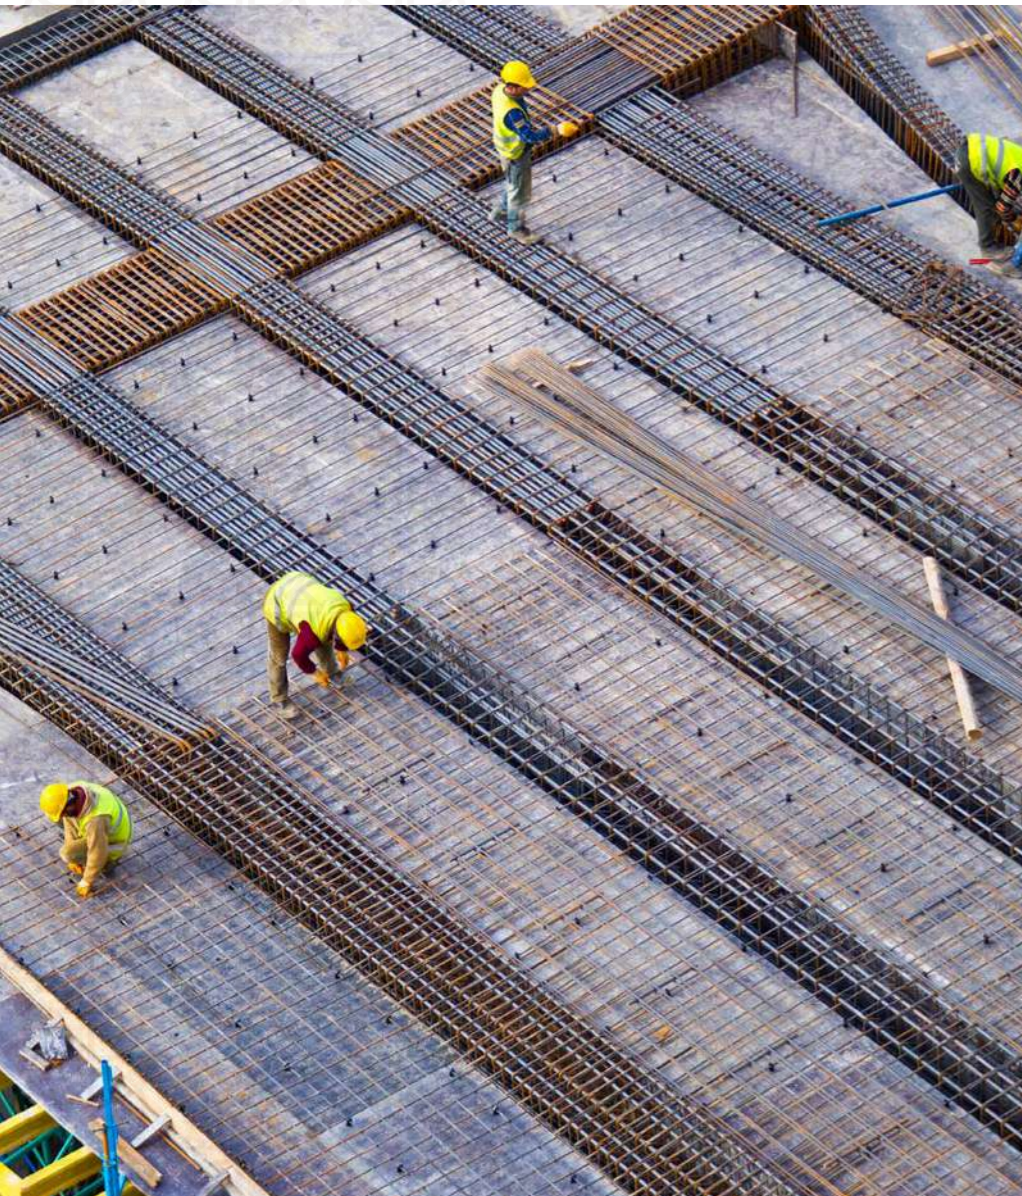

Double King is fueled by a passion for innovation, thrive on the journey of problem-solving and paving the way for transformative solutions in the industry. The company aim is to create durable, safe, and efficient routes for vehicular and pedestrian traffic.
