Office-Fitout

The ideal way to revamp your workspace and increase productivity is with an office fit-out, whether you're moving to a new site or simply expanding your existing office space. Being one of the best office interior design companies in Dubai, we have years of expertise designing fit-outs for various organizations that are both fashionable and practical.

PROJECT OVERVIEW

CLIENT : Publicis Live
SIZE :3500 sq ft
LOCATION: Dubai Design District

This office fit-out project was designed to transform Publicis live's workspace into a modern, functional, and collaborative environment. Our team worked closely with the client to understand their vision, needs, and brand identity, ultimately delivering a customized solution that fosters productivity, creativity, and employee well-being. We created an optimized layout that supports various workstyles, from open collaboration zones to quiet spaces for focused work. The layout prioritizes natural light, ergonomic workstations, and efficient circulation. The design included bespoke furniture solutions tailored to the office's specific needs, ensuring both comfort and functionality. We seamlessly incorporated the client's brand identity through color schemes, graphics, and material selections, creating an environment that reflects their company culture.

We integrated state-of-the-art technology to streamline communication and workflow, including smart conference rooms, AV setups, and flexible workstations.

Transform your workplace into a dynamic and productive environment with our tailored office design and construction solutions.

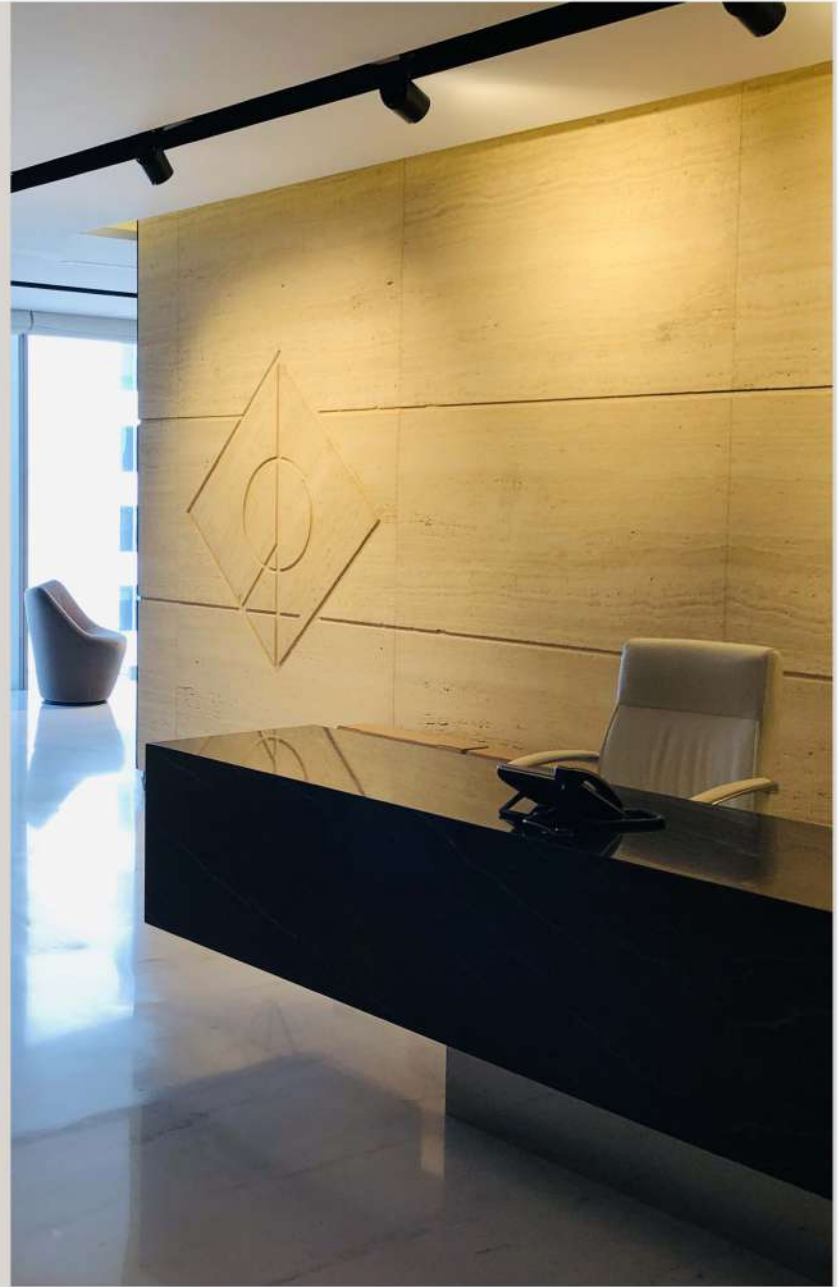

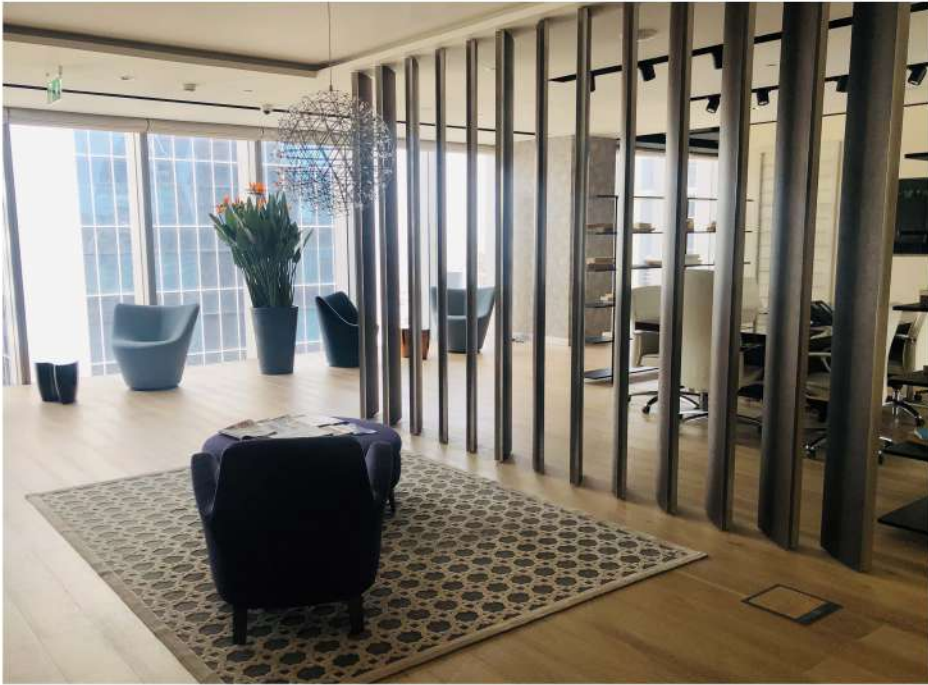

PROJECT OVERVIEW

CLIENT : Muhammed Bin Sumaith

SIZE :9000 sq ft

LOCATION: Rosa villa 66 ,Arabian Ranches II ,Dubai

The interior fit-out for Rosa Villa 66 was designed around an Arabic Classic Formal concept, blending traditional Arabic elements with a sophisticated, formal aesthetic. The design aimed to create a timeless and elegant living space that reflects the rich cultural heritage of the region while providing a luxurious, modern lifestyle.

Luxurious seating, embroidered fabrics, and classic Arabic architectural details such as arches and decorative wooden screens were used to create an ambiance of hospitality and warmth.

PROJECT OVERVIEW

CLIENT : Martin Gareth Rees

SIZE :5500 sq ft

LOCATION: Azalia villa 72 ,Arabian Ranches II ,Dubai

Sophisticated transformation designed to create a luxurious and inviting living space that merges modern comforts with timeless elegance. The design focused on a blend of contemporary aesthetics and classic style, emphasizing open, airy spaces, luxurious finishes, and a seamless flow between rooms, making it an ideal home for both relaxation and entertaining.

The concept

was developed around creating a harmonious balance between modern design elements and traditional influences, with a focus on clean lines, neutral tones, and high-end materials. The villa's spacious layout was optimized to create functional living areas while maintaining a light, airy atmosphere.
