GreenCapital
Cleaning Services & Contracting LLC

YOUR PARTNER IN
CLEANLINESS AND SUSTAINABILITY

About Green Capital

Green Capital Cleaning Services and Contracting LLC is a leading provider of cleaning, environmental and contracting services in the UAE. With our ISO 45001:2018, ISO 9001:2015 and ISO 14001:2015 accreditations, we fulfil the highest international standards in our operations.

At Green Capital, we offer a comprehensive range of cleaning and environmental services tailored to meet the diverse needs of our clients. Whether you're a homeowner, business owner, or industrial facility manager, we have the expertise and resources to deliver solutions that exceed your expectations.

At Green Capital, we have a team of extensively trained and experienced professionals who are able to deliver outstanding services across multiple sectors, including commercial, institutional and residential. Our holistic approach ensures unrivalled quality and client satisfaction in every project we undertake.

Our Mission

Our mission is to provide exceptional cleaning services while championing environmental responsibility. We strive to create healthier, safer, and more sustainable environments for our clients and communities. Through innovation, education, and eco-friendly practices, we aim to minimize our ecological footprint while maximizing the well-being of those we serve. Together, let's build a cleaner, greener future for generations to come.

Our Vision

At Green Capital, our vision is to lead the way towards a cleaner, safer, and more sustainable world. We envision a future where every space—whether it's a home, office, or outdoor environment—is not only immaculately clean but also in harmony with nature, contributing to the well-being of all living beings.

We believe in the power of community engagement and empowerment. Our vision includes initiatives that educate and inspire individuals and organisations to adopt sustainable practices, creating a ripple effect of positive change that extends far beyond our immediate reach.
