JAK TRADING LLC

About Us

JAK Trading LLC is a Registered Company operating in the U.A.E. The company has grown significantly from its initial focus to become a leading supplier of office automation products and supplies, catering to both local and export markets.

JAK Trading LLC specializes in the marketing and distribution of a broad array of products and services. Its expertise encompasses Office Automation, IT products, and consumables for photocopiers and printers, offering tailored solutions to meet the evolving needs of its diverse clientele.

This expertise positions **JAK Trading LLC** as a pivotal player in the industry, continuously adapting to technological advances and market demands.

JAK has overseen the growth of its various branches and divisions, by diversifying its operations in various countries in Asia, Africa, Middle East, and CIS countries. The list of clients includes Channels, Corporate Accounts, Government Departments, Retail outlets, and Export customers.

Currently, **JAK Trading LLC** caters to international clients as well as corporate clients in UAE including the resellers and distributors supplying various office automation products which include photocopiers, printers, LCD panels, projectors, notes counting machines, etc.

JAK has succeeded in its ventures by maintaining its relationships and enhancing the support extended to its business associates and customers through professional management and dedicated employees.

Board of Directors

Mission

It is our mission to destroy the myth that you cannot have price, quality, and service at the same time. We are committed to being the preferred business partner in offering innovative products and quality services to our valued customers.

Visión

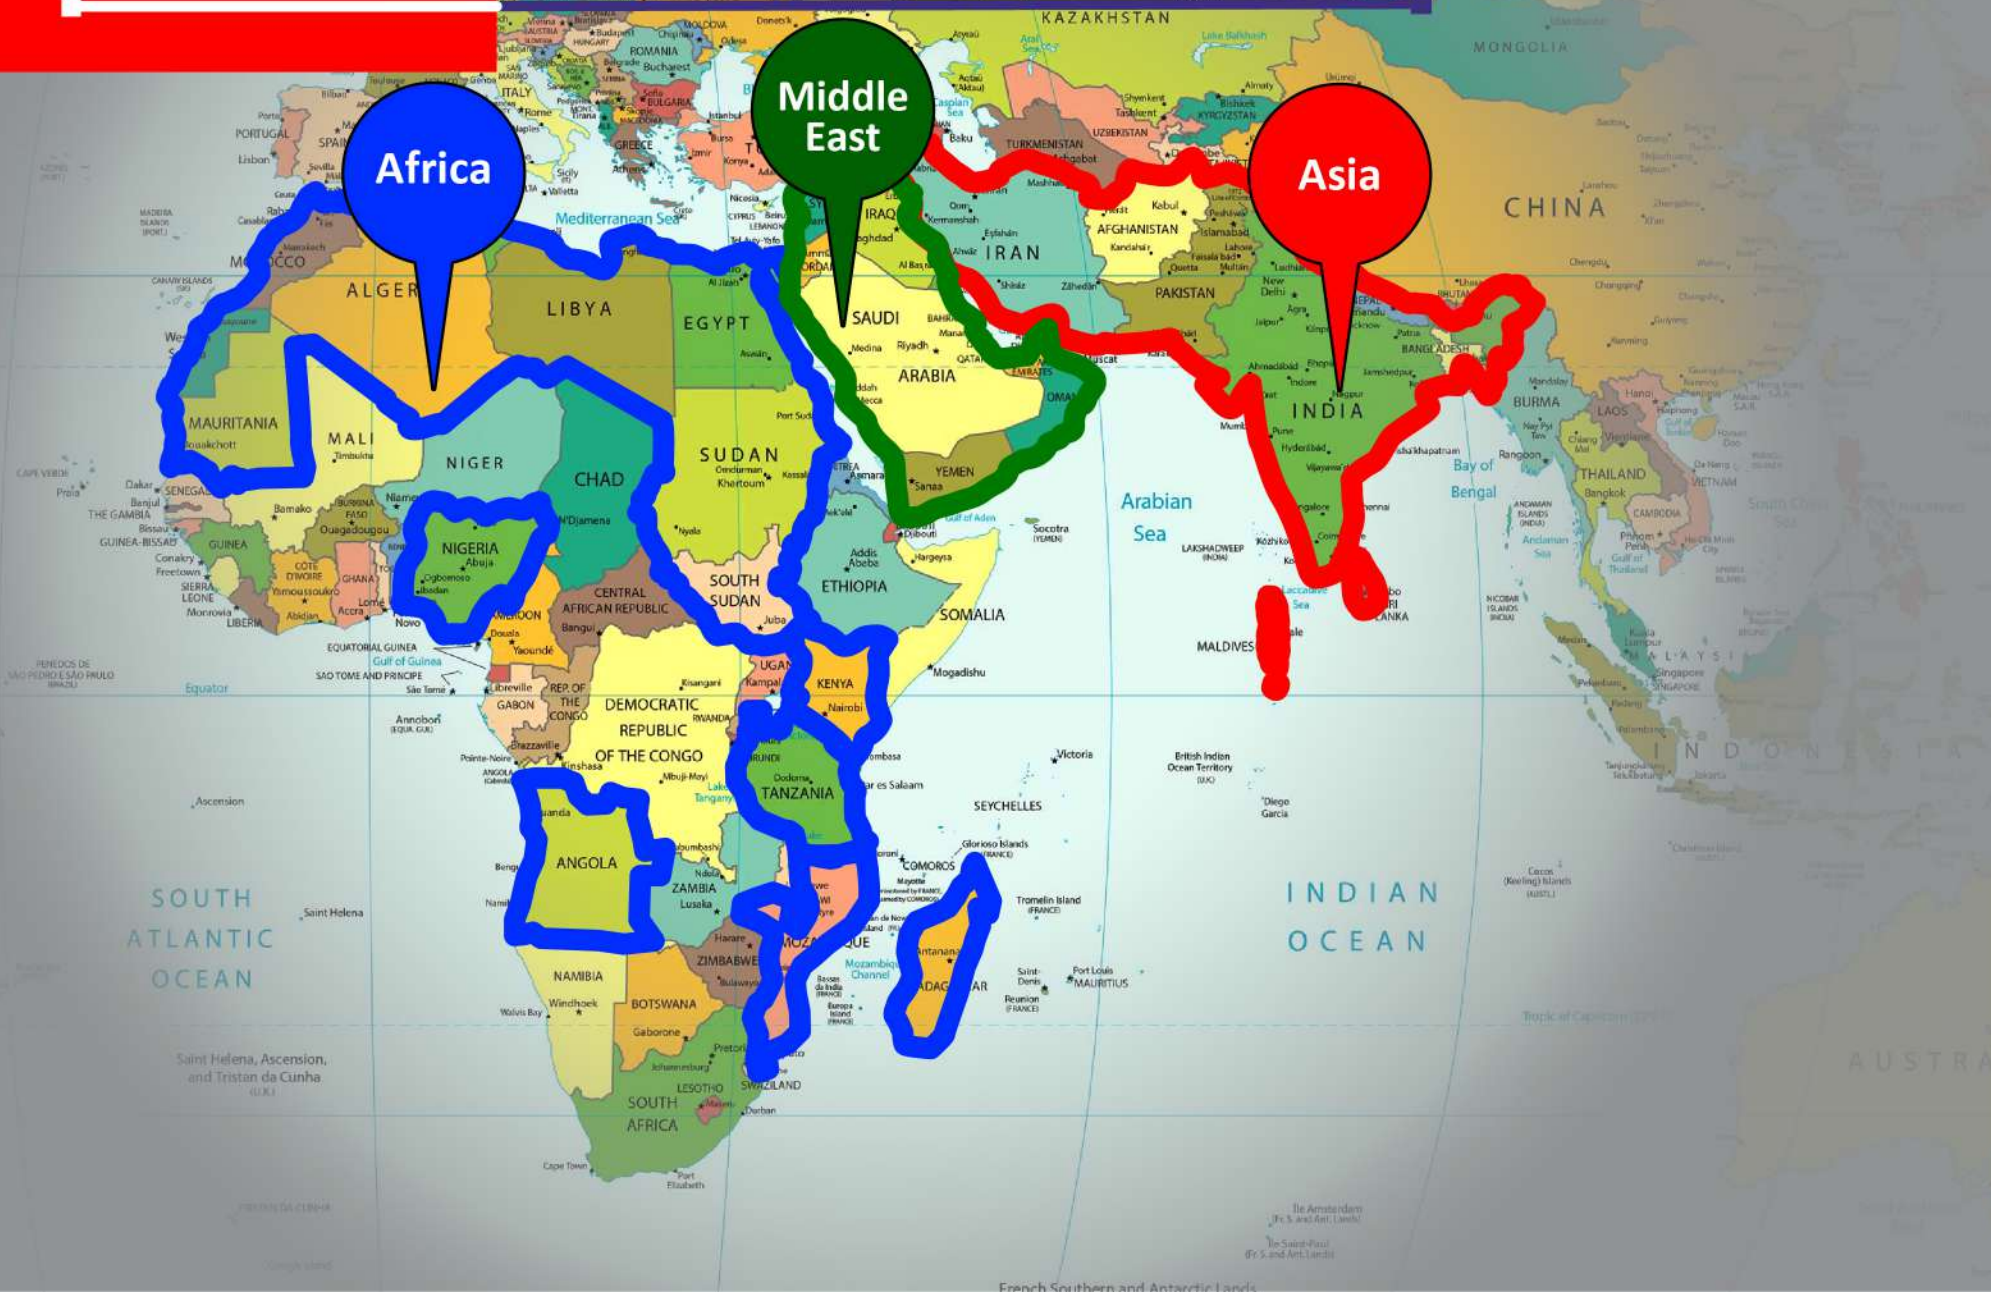

To become the leading consumer company for office products and services, dedicated to the use of our unique, innovative technology to the prosperity of our customers, dealers and management.

V values

- We provide outstanding products and unsurpassed service that, together, deliver premium value to our customers.
- We strive for excellence in every aspect of our business.
- Satisfy customer with quality and timely support.
- We are committed to building and sustaining our community.
- We endeavor to do the right thing in the right way. Our business decisions and actions are framed by ethical and moral values as well as legal requirements.
