Company Introduction

With over 60 years of experience, Khiara Group is Middle-East's leading importer, exporter, wholesaler, distributor and retailer of quality kitchenware and catering equipments.

Founded in 1955, Khiara Group pioneered the supply of cooking utensils and gadgets in the emerging markets of the Middle East.

Initially, Khiara Group started with importing only quality stainless steel utensils targeting the general consumer & household market. Today, the company has grown to be one of Middle East's largest stockholder of cookware, cutlery, home ware, serving and table ware, kitchen gadgets, gastro norm inserts, cooking utensils, bar ware, hotel equipments and promotional products.

We have emerged as one of the leading suppliers of these products in major retail outlets, hypermarkets, supermarkets, government agencies, camps, constructions sites, hotels, restaurants and various other kitchens in the UAE, GCC and other countries being Russia and Africa.

Over the years Khiara Group expanded to include three business ventures namely, Khiara Traders, Khiara Store and Khiara Household Co.L.L.C. We plan to expand further in the near future.

Our headquarters is based in the UAE with complete modern and appropriate storage facilities in an area of 30,000 square feet. Our team comprises of 75 highly trained sales, logistics and customer service professionals who respond all the queries efficiently and effectively.

We at Khiara Group work hard to ensure quality, and launch products into the market keeping in mind the customers need.

HOW DO WE SERVE YOU ?

CHAIN OF SHOWROOMS IN THE HEART OF CITY

Dubai is the business hub for G.C.C and the Presence of our Showrooms in the heart of this city creates a channel for us to cover different geographical locations like Saudi Arabia, Oman, Iran, Qatar, Russia, Africa and other G.C.C countries.

Do not hesitate to contact our Sales Team to organize a visit to any of our Showrooms.

STOCK CAPACITY

A warehouse with 30000 sq ft of spacing accomodate stocks of more than 3000 products which enables us to carry out our deliveries rapidly.

Around 200-300 new products are added to the Product Catalog every year.

SPECIALIST TEAMS

We are a dedicated team of professionals with a combined experience of more than 60 years. Our digital stock management system allows real-time tracking of stock availability at each and every outlet.

An experienced sales team is able to answer any queries raised by our clients.

LOGISTICS

All orders received through showrooms are processed and dispatched either same day or within 1-2 working days of receiving the order. Delivery schedules are prompted to meet the market deadline.
