About Us

Loom Tech is a dynamic and reliable trading company based in Abu Dhabi, specializing in general trading and the supply of premium PPE, safety products, and medical equipment. We are committed to supporting businesses across diverse industries by providing high-quality products that ensure safety, compliance, and efficiency at every level.

With a strong focus on quality, reliability, and customer satisfaction, Loom Tech has built a reputation as a trusted partner for companies that value safety and operational excellence. Our comprehensive product range and dedicated service allow us to deliver solutions that meet the unique requirements of our clients in construction, industrial, medical, oil & gas, and other sectors.

Mission

To provide quality PPE, medical equipment, and trading solutions that ensure safety, reliability, and customer satisfaction.

Vision

To be a leading supplier of PPE, medical equipment, and general trading products in Abu Dhabi, known for trust, quality, and service excellence.

Our Products

- Personal Protective Equipment (PPE)
- Safety Workwear & Apparel
- Fire & Emergency Safety
- Respiratory & Breathing Equipment
- Additional Safety & Industrial Products
- Medical Equipment

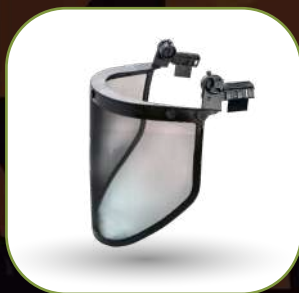

Head Protection

Protective helmets designed to safeguard against head injuries in industrial and construction environments.

Face Protection

Face shields and visors providing reliable protection from flying particles, sparks, and hazardous materials.

Safety Spectacles

Durable safety glasses and goggles that ensure clear vision while protecting eyes from dust, chemicals, and impact.

Ear Protection

High-performance earplugs and earmuffs designed to reduce noise levels and protect against long-term hearing damage.

Respirators

Advanced respirators that provide effective protection against dust, fumes, vapors, and airborne contaminants.

Breathing Apparatus

Self-contained breathing systems engineered for safe and reliable air supply in hazardous or oxygen-deficient environments.

Hand Protection

Durable gloves designed to protect hands from cuts, abrasions, chemicals, heat, and other workplace hazards.

Safety Shoes

High-quality safety footwear that ensures protection from impact, compression, slips, and electrical hazards while providing comfort.

Work Wear

Protective clothing built for durability and comfort, ensuring safety and ease of movement across industrial and construction tasks.

Safety Scaffolding Works

Reliable scaffolding solutions that provide secure access, stability, and protection for workers at elevated heights.

Welding Protection

High-quality gear to safeguard against sparks, heat, and harmful radiation during welding operations.

Fire Protection

Reliable equipment and solutions designed to prevent, detect, and respond to fire hazards effectively.

Eye Wash

Emergency eye wash stations designed to provide immediate decontamination for eyes exposed to hazardous chemicals, dust, or debris.

First Aid Kits

Comprehensive first aid kits equipped with essential medical supplies for quick response to workplace injuries and emergencies.

Road Safety

Barriers, cones, reflectors, and other traffic management solutions designed to enhance safety on roads and work zones.

Safety Signs

Clear and durable signage to communicate hazards, safety instructions, and emergency exits, ensuring compliance and awareness.

Lockout Tagout Solutions

Safety devices and systems designed to isolate energy sources during equipment maintenance, preventing accidental operation and injuries.

Fall Protection

Harnesses, lifelines, and anchorage systems providing maximum safety for workers operating at heights.

Lens Cleaning Solution

Specialized wipes and sprays for cleaning safety spectacles, goggles, and face shields, ensuring clear vision and extended lens life.

Hygiene Safety

Protective products including gloves, sanitizers, dispensers, and cleaning solutions to maintain workplace hygiene and reduce contamination risks.

Spill Kit

Ready-to-use kits containing absorbents, pads, and disposal bags for containing and cleaning up hazardous liquid spills quickly and safely.

Rehabilitation Products

Our Rehabilitation Products include wheelchairs, walking aids, hospital beds, therapy supports, bandages, and first aid kits—designed to ensure comfort, mobility, and safety for patients while supporting caregivers in both medical and home care settings.

Medical Equipments

Our Medical Equipment range covers advanced hospital beds, monitoring devices, surgical tools, and essential care products—crafted to deliver reliable performance, enhance patient safety, and support healthcare professionals in providing quality medical care.
