LUHA
GROUP

WHY PARTNER WITH US?

- **Fast & Reliable Logistics:** On-time delivery, every time.
- **Certified Quality:** Products that meet rigorous industry standards.
- **Client-First Approach:** Personalized support tailored to your business goals.
- **Competitive Pricing:** Premium solutions that fit your budget.

KEY SECTORS WE SERVE

- **Corporate & Commercial** – IT hardware and office solutions
- **Industrial & Manufacturing** – machinery, production equipment, and raw materials like calcium carbonate
- **Government & Institutional** – supply solutions for public and institutional projects
- **Wholesale & Supply Chain** – bulk materials for distribution
- **Logistics & Site Operations** – heavy-duty sandbags and site-ready materials
- **Construction & Building Materials** – safety supplies and raw materials

IT HARDWARE TRADING

Empowering Business with High-Performance Tech

In today's digital age, reliable infrastructure is the backbone of success. Luha Group provides top-tier IT hardware solutions tailored to meet corporate and commercial needs. From high-speed workstations to essential accessories, we ensure your team stays connected and productive.

Key Offerings:

- **Laptops & Desktops:** Latest models from leading global brands.
- **Computer Accessories:** Keyboards, mice, docking stations, and monitors.
- **Networking Gear:** Routers, switches, and cabling solutions.
- **Maintenance & Support:** Reliable after-sales service.

OFFICE AUTOMATION SOLUTIONS

STREAMLINE OPERATIONS. MAXIMIZE EFFICIENCY.

Optimize your daily workflow with our advanced office automation tools. We supply cutting-edge devices that reduce manual effort and enhance security, ensuring your administrative operations run smoothly and error-free.

Key Offerings:

- **Printers & Scanners:** High-volume and multifunction devices for every office size.
- **ID Card Printers:** Secure and fast printing for employee and visitor badges.
- **Cash Counters:** Accurate currency counting machines for retail and finance.
- **Biometric Systems:** Time attendance and access control solutions.

Industrial Machinery & CNC SOLUTIONS

Luha Group powers the industrial sector with robust machinery and CNC equipment. Whether for fabrication, cutting, or molding, our equipment is sourced to deliver high precision, durability, and operational efficiency for heavy-duty applications.

Key Offerings:

- **CNC Machines:** Laser cutters, routers, and milling machines.
- **Industrial Equipment:** Heavy machinery for manufacturing plants.
- **Spare Parts:** Genuine components to minimize downtime.
- **Technical Support:** Installation guidance and operational training.

BUILDING MATERIALS & SAFETY PRODUCTS

BUILDING STRONGER, WORKING SAFER.

Construction and industrial sites demand uncompromised quality and safety. We supply essential building consumables and certified safety gear to protect your workforce and ensure the structural integrity of your projects.

Key Offerings:

- **Construction Consumables:** Metal / Concrete / Wood Cutting Disk, and general site supplies.
- **PPE (Personal Protective Equipment):** Helmets, vests, gloves, and safety shoes.
- **Tools:** Hand tools and power tools for on-site efficiency.

HEAVY-DUTY SAND BAGS

ULTIMATE PROTECTION FOR CONSTRUCTION & FLOOD CONTROL

Designed for resilience, our heavy-duty sandbags are essential for both civil engineering projects and emergency disaster management. Manufactured from high-grade materials, they offer superior durability against harsh weather and heavy loads.

Key Offerings:

- **Flood Protection:** Rapid deployment bags for water barriers.
- **Construction Use:** Soil erosion control and temporary walling.
- **Material Quality:** UV-stabilized, tear-resistant woven fabric.
- **Variety:** Available in various sizes and capacities.

CALCIUM CARBONATE SUPPLY

High-Purity Minerals for Industrial Applications

We serve the manufacturing sector with premium-grade Calcium Carbonate, a critical raw material for various industries. Our supply chain ensures consistent quality, high purity, and timely delivery to keep your production lines moving.

Key Offerings:

- **Applications:** Paints & coatings, paper & printing, plastics & PVC products, foam boards, cables, films, non-woven fabrics, adhesives & sealants, rubber products, glass manufacturing, oil & gas drilling, and masterbatch applications.
- **Product Grades:** Available in a wide range of particle sizes, including natural (uncoated), micronized, and surface-treated (coated) grades.
- **Quality Assurance:** High whiteness and chemical purity, sourced from premium limestone and maintained through consistent quality control.
- **Bulk Supply:** Flexible packaging options with efficient logistics solutions to support large-scale industrial requirements.
