COMPANY VISION

Our vision is to be the partner of choice in Design, Construction, Interior Fit-Out, Contracting, and Maintenance—pioneering new benchmarks of excellence in the construction and maintenance sector. We are committed to delivering innovative, reliable, and sustainable turnkey solutions, meticulously crafted to address the distinct needs of each client.

COMPANY MISSION

Our mission is to consistently deliver high-quality, cost-effective, and sustainable solutions across Design, Construction, Interior Fit-Out, Contracting, and Maintenance services. We strive to exceed client expectations through innovation, integrity, and a commitment to safety and excellence. By fostering long-term partnerships and leveraging a skilled workforce, we aim to contribute meaningfully to the built environment while promoting growth and value for all stakeholders.

OUR VALUES

- Excellence
- Integrity
- Innovation
- Client-Centric Approach
- Collaboration
- Sustainability
- Safety
- Accountability

OUR DESIGN

Our Interior Department is dedicated to seamlessly incorporating project specifications, client expectations, and regulatory code standards into every design. We place strong emphasis on both functionality and aesthetics, ensuring that each space is not only visually appealing but also fully compliant and practical for its intended use.

Our team of skilled engineers brings extensive knowledge of engineering fundamentals, paired with proficiency in the latest industry-standard design and drafting software. In addition to these tools, we utilize customized in-house programs specifically developed to refine our workflow, enhance precision, and ensure the highest level of detail and accuracy in every project.

By combining technical expertise with innovative tools and a client-focused approach, we consistently deliver interior solutions that are efficient, high-quality, and tailored to meet the unique needs of each project.

www.metafoxuae.ae

OUR SAFETY

We have focused on strong safety awareness and training and promotes a “Zero Harm” policy in every aspect with runs an in depth safety and health management system with the safety of our staff as a priority, our safety policy is o reflects our commitments to ensure that health and safety at work is paramount to the business and an effective health and safety policy will contribute to our success. We leads the industry by promoting best practices and exceeding the standard of the health and safety.

OUR QUALITY

Our organization operates a well maintained quality system based on the requirement to ensure the required level of quality is achieved. We are committed to providing quality in both product and services to its clients from initial inquiry through to final delivery. Quality assurance is seen as being one of the most fundamental parts of the company's aims and objectives along with safe working environments and market competitiveness. QC is essential to building successful business that delivers product that meets or exceeds customer's expectations. It also forms the basis of an efficient business that minimizes waste and operates at high levels of productivity. In fact, by producing better quality products and satisfying customer's needs, quality controls will raise the good will of the concern in the minds of people.
