WINKEL

Standard NbV U Profile

High Temperature WINKEL Bearing Type HT

Axial WINKEL Bearing (Eccentric Adjustable)

Standard Pr Series Rail

Clamp Flange

WINKEL Bearing (with combined bolt)

Profile

Precision WINKEL Bearing (adjustable)

Hydraulic Hose Reel

WINKEL Radial Bearing

Heavy Duty WINKEL Bearing

Cable / Special Reel

Adjustable WINKEL Bearing Unit Type JT

POLYAMIDE WINKEL Bearings

VULKOLLAN Combined Bearings

Winkel is a Germany based company, currently being managed by Mr. Christian Winkel. Winkel GmbH has been serving the industry for more than 38 years and has been working in the field of linear systems and material handling segment.

MAEDLER

Roller Chains

Sprockets

Chain Tensioners

Splined Hubs

Splined Shafts

Timing Belt

Spur Gear

Spur Racks

Locking Assemblies

Timing Pulley

Precision Levelling Adjusters

Articulated/Levelling Feet

Machine Mounts

Rubber Metal Buffers

Maedler is a 138 years old German brand with headquarter in Stuttgart. It was founded by Mr. Bruno Maedler in 1882. They are like walmart of industrial mechanical products retailing. They have a varied range of products which include power transmission units, their accessories and other mechanical engineering products.

MAEDLER

Ex-Stock

Elastic Couplings

Chain Couplings

Flexible Couplings

Rigid Couplings

Worm Drives

Ball Pillow Block Bearings

Shrink Disc

Locknut

Ball Transfer Unit

Bevel Gears

Bushes

Universal Joint

Rod Ends

Linear Bearings

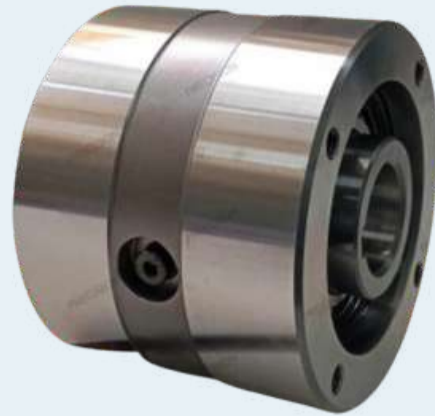

Founded in 1882 is headquartered in Stuttgart, Germany. The company's product range includes gears, gearboxes, couplings, clutches, brakes, motors, and other power transmission components. They serve a wide range of industries including Automation, Machine building and other industrial applications.

Precision Transmatic

Backstops ES&TS

FSO Clutch

Locking Assembly

RSCI Clutch

PRECISION  Precision Transmatic Devices Pvt. Ltd. is a leading Indian manufacturer specializing in power transmission components. Established in 1982 and headquartered in Satara, Maharashtra, the company offers a range of products including freewheel clutches, locking assemblies, shrink discs, and one-way clutches. With over four decades of experience.

NILOS

Nilos Ring AV

Nilos Ring JV

Nilos Ring LSTO

Nilos Distance Ring

Nilos Ring LST-L

Nilos Ring AK

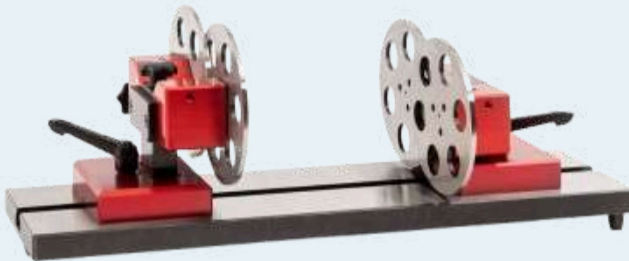

Nilos rings, produced in Germany, are mainly used for protection of bearing. It is also known as Bearing Cap, Grease Retainer, Bearing Shell, Bearing Cover. Nilos Ring is mainly used in the Roto Packer Machine, Stenter Machine, Astria Machine, Kokike Machine (Qapan), Vatter Machine, etc.

FISSO

Industrial Articulated Arm

Runout Tester

Indicator Holder

Strato Set

Industrial Holder

FISSO
Swiss Made

Fisso is the world leading provider of user-friendly, individualized Holding System solutions with Central Clamping Unit. FISSO Articulated Arms are successfully used worldwide as a quality product for applications in the Medical and Industrial sectors.

PRECISION BRAND

Feeler Gauge

Feeler Gauge

Shim Stock Rolls

Precision Brand Products, Inc. is a trusted U.S. manufacturer of high-quality shim stock, feeler gauges, and toolroom essentials. With over 75 years of experience, they are known for precision, reliability, and a broad product range that supports industries worldwide. Their products meet strict tolerances and are ideal for maintenance, repair, and production applications.

LINMOT

Linear Motor

Linear Modules And Guides

Linear Rotary Motor

Linear Rotary Motor

Magspring

LinMot®

Linmot is the leading manufacturer of Linear Motors globally. These linear motors and servo drives are widely used in Automotive, Textile, Medical, automation and handling industry.

HFB

Two bearing housings and take-up units

Metric mounted units

HFB is a German Brand established in 1996 and is one of the leading manufacturers of bearing housings and drive components for a diverse range of applications and fields.

FLEDBAG

Fledbag® Original

Fledbag® Easy

Fledbag® Profi

Fledbag is a company that specializes in designing and manufacturing devices for dosing and emptying big bags of various materials, such as grains, seeds, pellets, sand, etc. They have three main products: **FLEDBAG® Original**, **FLEDBAG® Easy** and **FLEDBAG® Profi**, each with different features and advantages.

HOHNER

Incremental Encoders

Absolute Encoders

Hohner Automation is a Spain-based company specializing in the design and manufacture of incremental and absolute encoders, linear measurement systems, and rotary actuators. With over 40 years of experience, they offer customized, high-precision solutions for various industrial applications, emphasizing flexibility and rapid delivery.

WUXI HONGBA

HB-DJ830

HB-DJ820

HB-DJ805G

HB-DJ812

HB-DJ806

HB-DJ850

HB-DJ809

HB-DJ825

HB-DJ816

HB-DJ828

HB-DJ817G

HB-DJ865

Wuxi Hongba Mechanical & Electrical Equipment Co., Ltd., established in 2008, is a Chinese company specializing in the research, development, and manufacturing of linear actuators and related control systems. Their products are widely used in industrial automation, medical equipment, smart furniture, and solar energy applications
