NEX CONSULTANTS

NEX Consultants is a multi – disciplinary firm comprising of young, dynamic and experienced professionals providing company incorporation, market entry strategy, and accounting and consultancy services in UAE. Our spectrum of services covers all aspects of doing business in the UAE. While based in Dubai, we offer comprehensive services for business setup, accounting and advisory services across the region.

We offer consultancy to stay agile and respond better to changing market conditions by optimizing business processes, making services resilient, and ensuring faster business results. We have built competencies in business incorporations, financial accounting, corporate support services, offshore company formation and corporate structuring.

THINK BUSINESS, THINK UAE

DOING BUSINESS IN UAE

United Arab Emirates (UAE) is a constitutional federation of seven Emirates: Abu Dhabi (Capital and the largest city of the federation), Dubai, Sharjah, Ajman, Umm al-Qaiwain, Ras al-Khaimah, Fujairah. The federation was formally established on 2nd December 1971.

Doing business in UAE is very attractive due to following reasons

- No personal income taxes and capital taxes
- Low VAT rate
- 100% repatriation of capital and profits
- No currency restrictions
- Competitive import duties
- Easy access to the Middle East and Africa region
- Easy access to both seaports and airports
- 100% company ownership
- Cosmopolitan Lifestyle

Core business activities and business hours

Top industries and business activities include Tourism, Construction, IT, Health Care, Banking & Finance, Oil & Gas, Real Estate etc.

The official weekend is on Saturday and Sunday.

Government offices open at 7.30 AM. and close at 3.00 PM.

Private offices 8 AM. to 6 PM. (Subject to the Management)

THINK UAE, THINK NEX

PRINCIPAL FORMS OF BUSINESS

Other forms of business :

Partnership | Joint Venture | Public & private Limited Company

LIMITED LIABILITY COMPANY

Most Common type of Business entity in Dubai, 100% foreign ownership in companies, Can operate in local & international markets, Liability is limited to the capital of the company, Number of Shareholders minimum of 1 and maximum of 50, Profit and loss distribution can be prescribed, Customs duty is 5% applicable, Special approvals are required for certain business activities from the concerned department

BRANCH OF FOREIGN COMPANY

100% ownership with parent company, Local service agent is mandatory- Local service agent must be a UAE National or a company fully owned by UAE National, Managerial, operational, and banking powers vested to the representative of the parent company. A branch office can enter into transactions and offer its service to customers, Better possibility for market penetration by utilizing the brand name, Only Parent Company products and services can be offered

PROFESSIONAL FIRM

License is issued only for professional activities, 100 % ownership is allowed, Shareholders must have qualifications & experience in related activity /business, A local service agent is mandatory, The local service agent must be a UAE individual /100 % UAE local-owned company, Trading activities are not allowed

SOLE ESTABLISHMENT

Activities like real estate, hospitality, and education can be formed as Sole Establishment. 100 % UAE individual-owned company, 100 % tax benefits, Unlimited Liability, and International & local business can be possible, Investors can enter into an agreement to participate in these business activities

OFFSHORE COMPANIES

Setting up an offshore company means expanding your existing business overseas, and doing that can open up excellent business growth options for entrepreneurs. The major benefits of going offshore include tax exemptions, low capital investments and high level of confidentiality.

UAE is looked upon as a popular destination for offshore company formation, owing to its prominent location and rapid development. Offshore company formation in UAE has a lot to offer to the ambitious entrepreneurs to put them on a fast track to success. Being a "tax-free" business jurisdiction, offshore company formation in UAE is a worthwhile option for entrepreneurs across the world.

OFFSHORE COMPANIES

UAE has 3 Offshore jurisdictions,

- (1) Jebel Ali Free Zone (JAFZA)
- (2) Ras Al Khaimah International Corporate Center (RAKICC)
- (3) Ajman Offshore.

WHY UAE OFFSHORE IS UNIQUE ?

- 100% foreign ownership is permitted
- 0% income tax
- Conduct international business
- No physical office
- Hold multi-currency bank accounts in Dubai
- Freehold ownership and title
- Own shares of other companies
- No capital requirements
- Accounting & Audits Report is not mandatory
- Assets protection
- Security of property rights.

WHY NEX?

As leading corporate service providers in UAE, we not only help with quick identification of emerging business risks but also suggest some great business ideas that make a business grow. We are here to outline the uncertainties and different business associated risks to help you sail through with the company's formation.
