COMPANY PROFILE

Building Trust Through Quality Renovation

WHO WE ARE

Property Renovation Building Contracting L.L.C. is a UAE-based renovation and fit-out contractor delivering high-quality residential and commercial renovation solutions. Established in compliance with UAE regulations, we specialize in transforming existing spaces into functional, modern, and aesthetically refined environments.

With hands-on experience across villas, apartments, offices, retail outlets, and mixed-use properties, we provide end-to-end renovation services from planning and coordination to execution and final handover. Our approach is driven by attention to detail, quality workmanship, and strict adherence to project timelines.

Operating **across Dubai** and other Emirates, we work closely with property owners, real estate developers, and contracting partners to deliver reliable renovation solutions built on trust, transparency, and performance excellence.

Key Highlights

- ✓ Residential & Commercial Renovation
- ✓ Complete Fit-Out & Refurbishment
- ✓ Skilled Technical Team & Workforce
- ✓ Quality-Focused Execution
- ✓ Compliance with UAE Standards & HSE

OUR VISION

To become a trusted and recognized renovation & fit-out contractor in the UAE, known for quality workmanship, professional execution, and long-term client relationships.

OUR VALUES

- Quality & Craftsmanship
- Client Satisfaction
- Transparency & Trust
- Health, Safety & Environment (HSE)
- Timely Project Delivery

OUR OBJECTIVES

To deliver high-quality renovation and fit-out projects that meet client requirements and approved standards.

To complete all projects within agreed timelines and budgets.

To maintain strict compliance with UAE regulations, safety, and HSE standards.

To build long-term relationships with clients through transparency and reliability.

To continuously improve workmanship, systems, and service quality.

**PROPERTY RENOVATION

OUR SERVICES

VILLA & APARTMENT RENOVATION

PROPERTY RENOVATION
BUILDING CONTRACTING L.L.C

Being the leading home renovation company in Dubai with years' worth of experience in the field, an extensive profile with many successful projects to our name and a globally accredited reputation, we at PRBC fully understand the technicalities of completely remodelling a residential space. This not only demands an intricately detailed design plan but a high quality execution as well.

Property Renovation Building Contracting L.L.C provides complete villa and apartment renovation solutions tailored to client requirements and project specifications. We undertake renovation works for occupied and vacant properties, ensuring minimal disruption, quality workmanship, and timely completion in accordance with UAE regulations and approved standards.

Our renovation services cover structural modifications, interior refurbishment, and complete fit-out works, delivering functional, modern, and aesthetically enhanced living spaces.

Comprehensive Villa Renovation Solutions

Comprehensive Villa Renovation Solutions

Interior Renovation

Transform your interiors with our bespoke solutions.

From luxurious living rooms to functional kitchens, we enhance every corner of your villa.

Living Room Renovation

Upgrade your living space with modern designs, improved lighting, and stylish finishes.

Kitchen Remodeling

Achieve a perfect balance of functionality and aesthetics with our tailored kitchen renovation services.

Benefits of Villa Renovation in Dubai

Increased Property Value: A well-renovated villa attracts higher resale value.

Enhanced Comfort: Enjoy improved living spaces tailored to your needs.

Energy Efficiency: Upgrade to energy-saving fixtures and reduce utility bills.

Exterior Renovation

Revamp your villa's exterior to make a lasting impression. Our services include facade upgrades, landscaping, and outdoor living space enhancements.

Facade Upgrades

Enhance curb appeal with a fresh coat of paint, modern textures, or architectural redesigns.

Outdoor Spaces

Create a serene retreat with beautifully designed gardens, patios, and swimming pools

Our Renovation Process

1. Consultation and Planning

We begin by understanding your vision and creating a detailed plan.

2. Design and Material Selection

Choose from a wide range of designs and materials to suit your preferences.

3. Execution and Quality Control

Our team ensures seamless execution with regular quality checks.

4. Final Handover

Experience your dream villa, completed to perfection

OUR SERVICES

**PROPERTY RENOVATION
BUILDING CONTRACTING L.L.C**

OFFICE & COMMERCIAL FIT-OUT

Property Renovation Building Contracting L.L.C (PRBC) provides complete office and commercial fit-out solutions designed to meet the functional, operational, and aesthetic requirements of modern workspaces. We undertake fit-out works for offices, retail outlets, commercial units, and mixed-use facilities, ensuring quality execution and timely delivery in accordance with approved drawings and UAE regulations.

Our team manages commercial fit-out projects from initial planning and coordination through execution and final handover. We focus on creating efficient layouts, professional interiors, and durable finishes that support daily operations while reflecting the client's brand identity and business objectives.

Scope of Office & Commercial Fit-Out

Works

Interior & Civil Works

- Space planning and layout modifications
- Gypsum partitions and glass partition works
- Flooring works including tiles, carpet, vinyl, and raised flooring
- Wall finishes, painting and decorative treatments

Ceiling & Fit-Out Works

- Ceiling & Fit-Out Works
- Gypsum and modular false ceiling systems

MEP & Lighting Works

- Electrical distribution and lighting installation
- Data, power points, and office wiring systems
- Plumbing and sanitary works (where applicable)
- HVAC and air-conditioning coordination

Finishing & Handover

- Fixture and fitting installation

BATHROOM RENOVATION

**PROPERTY RENOVATION
BUILDING CONTRACTING L.L.C**

Property Renovation Building Contracting L.L.C (PRBC) provides complete bathroom design and renovation solutions, combining creative interior design with quality execution.

Our in-house interior designers work closely with clients to redesign bathrooms from scratch, introduce modern layouts, and develop design concepts that enhance comfort, functionality, and aesthetics.

Whether it is upgrading an existing bathroom, completely remodelling the space, or creating a new bathroom, we manage the entire process from design development to final installation. Our approach ensures proper coordination between design, materials, and workmanship while maintaining waterproofing integrity, safety standards, and long-lasting finishes.

Scope of Bathroom Renovation Works

- Bathroom layout redesign and space planning
- Interior design concepts and material selection
- Demolition and removal of existing fixtures
- Waterproofing treatment and leak prevention
- Wall and floor tiling works
- Installation of sanitaryware and fittings
- Plumbing and drainage modifications
- Electrical works, lighting, and ventilation
- Final finishing, testing, and handover

Why Choose Our Bathroom Renovation Services

- In-house interior design support
- Functional and modern bathroom layouts
- Quality materials and approved fittings
- Skilled workmanship and supervision
- Timely completion with minimal disruption

KITCHEN DESIGN & RENOVATION

**PROPERTY RENOVATION
BUILDING CONTRACTING L.L.C**

Property Renovation Building Contracting L.L.C (PRBC) offers end-to-end kitchen design and renovation solutions, combining creative interior design with practical execution.

Our in-house interior designers work closely with clients to redesign kitchens from scratch, develop new layouts, and introduce modern concepts that enhance functionality, aesthetics, and space efficiency.

Whether it is complete remodeling, upgrading an existing kitchen, or creating a brand-new kitchen, we manage the entire process from design development to final installation.

Our services ensure seamless coordination between design, materials, and workmanship, resulting in kitchens that reflect our clients' lifestyle and preferences.

Scope of Kitchen Design & Renovation Works

- Kitchen layout redesign and space planning
- Interior design concepts and material selection
- Demolition and removal of existing kitchen elements
- Custom cabinetry and joinery works
- Countertops installation (granite, quartz, solid surface)
- Wall and floor finishes
- Plumbing and drainage modifications
- Electrical works and appliance provisions
- Lighting design and ventilation solutions
- Final finishing, testing, and handover

Why Choose Our Kitchen Design Services

- In-house interior design support
- Functional and modern kitchen layouts
- Quality materials and precise execution
- Single point responsibility from design to completion

SWIMMING POOL DESIGN & RENOVATION

**PROPERTY RENOVATION
BUILDING CONTRACTING L.L.C**

Property Renovation Building Contracting L.L.C (PRBC) provides complete swimming pool design, renovation, and refurbishment solutions for residential and commercial properties. Our services cover both new pool construction and upgrading existing swimming pools with modern designs, improved functionality, and durable finishes. With the support of experienced technical teams and design coordination, we handle swimming pool projects from concept and planning to execution and final handover. Our work ensures proper waterproofing, safety compliance, efficient filtration systems, and long-lasting performance.

Scope of Swimming Pool Works

- Swimming pool design and layout planning
- New swimming pool construction
- Renovation and refurbishment of existing pools
- Waterproofing and leak rectification
- Pool tiling and finishing works
- Installation of pool filtration and circulation systems
- Lighting installation (underwater and surrounding areas)
- Pool deck and surrounding finishing works
- Testing, commissioning, and handover

Why Choose Our Swimming Pool Services

- Technical expertise and design coordination
- Quality materials and approved systems
- Attention to safety and waterproofing standards
- Timely execution and professional supervision

AIR CONDITIONING, VENTILATION & AIR FILTRATION SYSTEM

PROPERTY RENOVATION
BUILDING CONTRACTING L.L.C

Property Renovation Building Contracting L.L.C (PRBC) provides complete air conditioning, ventilation, and air filtration system solutions for residential, commercial, and mixed-use properties. Our services are designed to ensure thermal comfort, proper air circulation, and healthy indoor air quality in accordance with approved standards and project requirements.

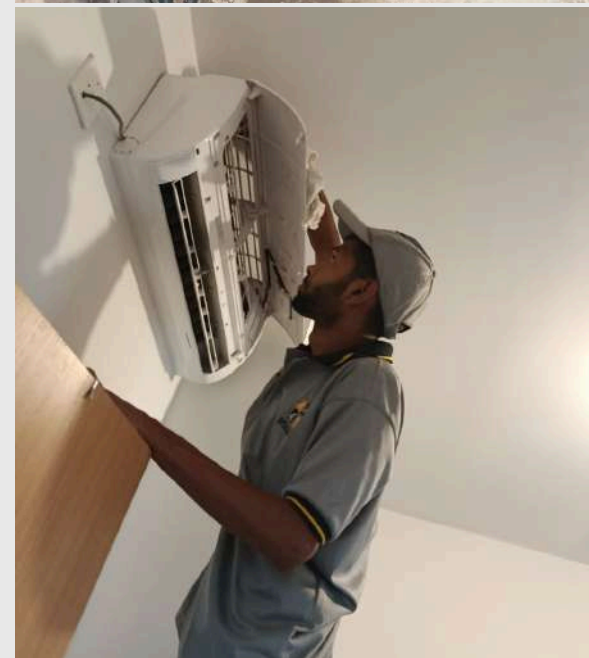

We undertake installation, modification, replacement, and maintenance of HVAC systems as part of renovation, fit-out, and new construction projects. Our experienced technical team ensures efficient system performance through proper coordination with architectural, electrical, and interior works.

Scope of Air Conditioning, Ventilation & Air Filtration Works

- Installation of split, ducted, cassette, and concealed AC systems
- Modification and relocation of existing air conditioning units
- Supply and installation of air ducts and air distribution systems
- Installation of grills, diffusers, dampers, and air outlets
- Ventilation systems for kitchens, bathrooms, and enclosed areas
- Air filtration systems and fresh air intake solutions
- Insulation works for ducts and refrigerant piping
- Electrical coordination and control systems
- Testing, commissioning, and performance checks
- Routine servicing and minor HVAC maintenance

Why Choose Our HVAC Services

- Experienced HVAC technicians and supervisors
- Proper coordination with renovation and fit-out activities
- Energy-efficient and functional system solutions
- Compliance with approved technical and safety standards

PLUMBING & SANITARY CONSTRUCTION

**PROPERTY RENOVATION
BUILDING CONTRACTING L.L.C**

Property Renovation Building Contracting L.L.C (PRBC) provides complete plumbing and sanitary construction solutions for residential and commercial properties. Our services cover new installations, modifications, replacements, and maintenance works to ensure efficient water supply, proper drainage, and long-term system reliability. We undertake plumbing and sanitary works as part of renovation, fit-out, and new construction projects, coordinating closely with other trades to ensure seamless execution. All works are carried out in accordance with approved drawings, UAE regulations, and applicable safety standards.

Scope of Plumbing & Sanitary Construction Works

- Water supply piping installation and modifications
- Drainage and sewer line installation
- Sanitaryware installation (WC, washbasins, urinals, etc.)
- Kitchen and bathroom plumbing works
- Hot and cold water systems
- Installation of water tanks and pumps (where applicable)
- Leak detection and rectification
- Testing, commissioning, and system checks
- Plumbing maintenance and minor repair works

Why Choose Our Plumbing Services

- Skilled and experienced plumbing technicians
- Quality materials and approved fittings
- Proper coordination with renovation and fit-out works
- Reliable execution and timely completion

FLOOR & WALL TILING WORK

**PROPERTY RENOVATION
BUILDING CONTRACTING L.L.C**

Property Renovation Building Contracting L.L.C (PRBC) provides professional floor and wall tiling services for residential and commercial projects. Our tiling works are executed with precision, proper surface preparation, and quality materials to ensure durable and visually appealing finishes.

Scope of Floor & Wall Tiling Works

- Floor and wall tile installation
- Ceramic, porcelain, marble, and stone tiling
- Surface preparation and levelling
- Tile cutting, alignment, and grouting
- Repair and replacement of damaged tiles

PAINTING & DECORATION

PRBC offers complete painting and decoration services to enhance the appearance and protection of interior and exterior surfaces. Our team focuses on proper surface preparation, quality materials, and clean finishing to deliver long-lasting results.

Scope of Painting & Decoration Works

- Interior and exterior painting
- Surface preparation and crack repair
- Putty, primer, and final coat application
- Decorative finishes and textures
- Repainting and refurbishment works

FALSE CEILING & LIGHT PARTITION

**PROPERTY RENOVATION
BUILDING CONTRACTING L.L.C**

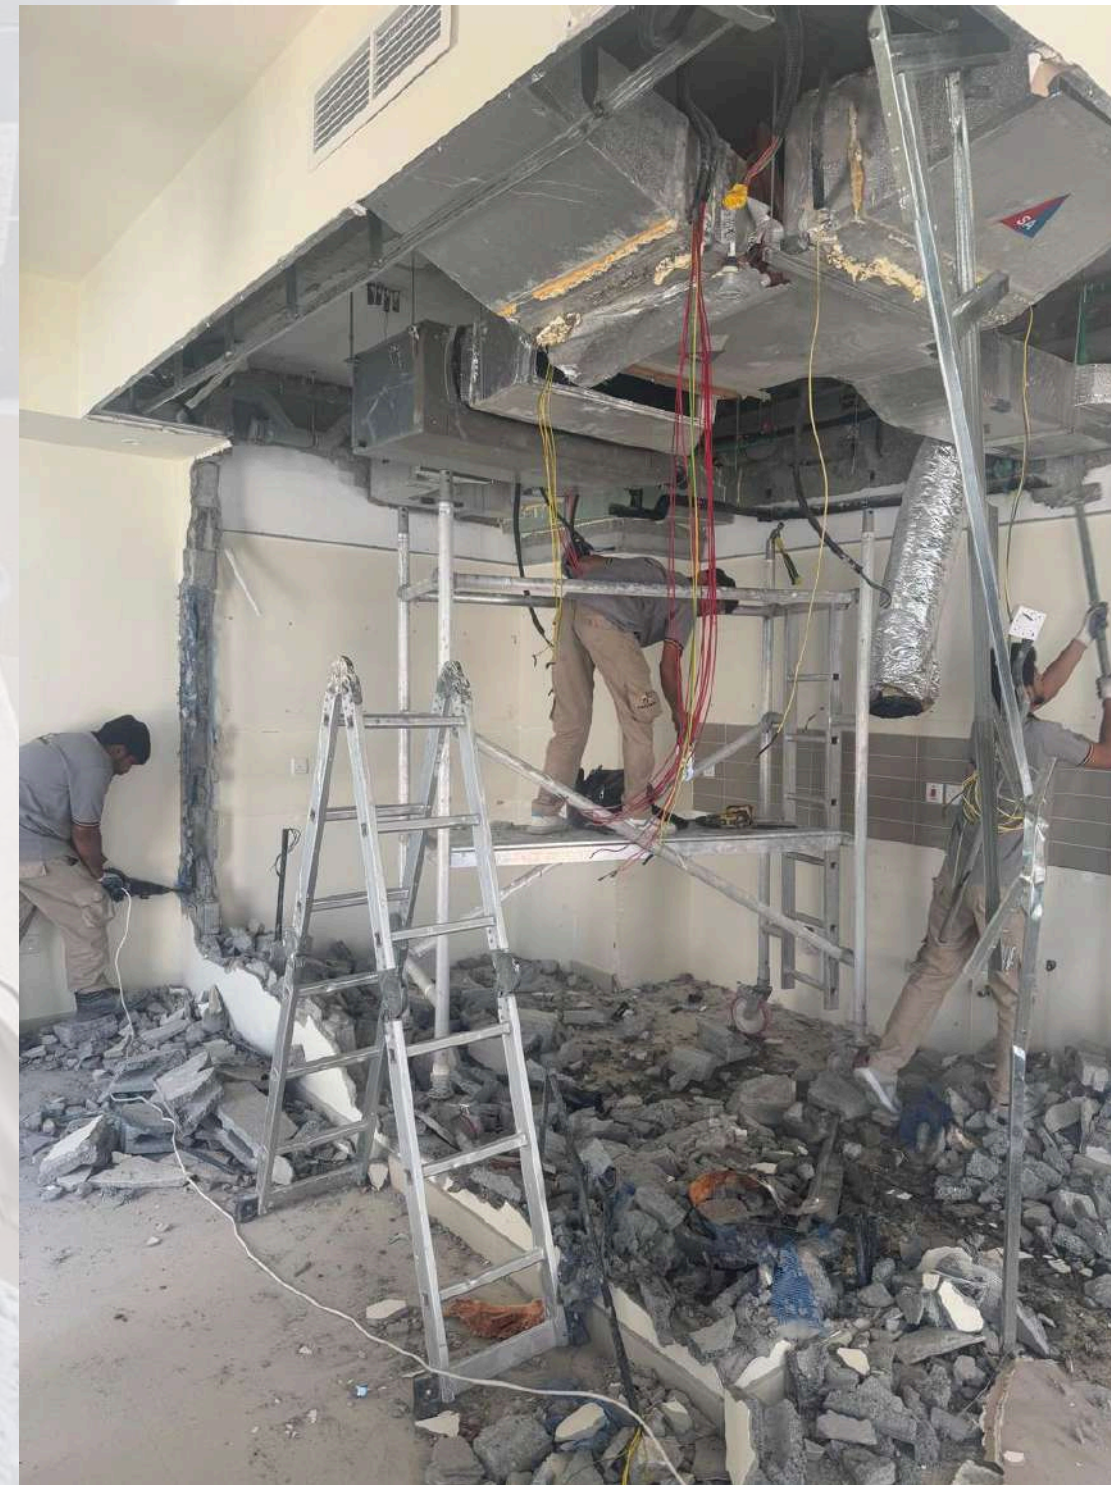

Property Renovation Building Contracting L.L.C (PRBC) provides complete false ceiling and light partition solutions for residential, commercial, and mixed-use properties. Our services are designed to enhance interior aesthetics, improve space functionality, and allow efficient coordination of lighting, air conditioning, and other building services. We undertake false ceiling and partition works as part of renovation, fit-out, and new construction projects. Our team ensures precise installation, proper alignment, and high-quality finishing while maintaining access for future maintenance and compliance with approved drawings and standards.

Scope of False Ceiling & Light Partition Works

- Gypsum board false ceiling installation
- Modular and decorative ceiling systems
- Feature ceilings and bulkhead works
- Light partitions and internal space division
- Integration of lighting fixtures and AC diffusers
- Provision of access panels and inspection openings
- Fire-rated and moisture-resistant ceiling systems (where required)
- Repair, modification, and replacement works

Why Choose Our Ceiling & Partition Services

- Skilled installation team and supervision
- Clean workmanship and precise finishing
- Coordination with electrical and HVAC works
- Timely execution and quality control

BUILDING CLEANING SERVICES

**PROPERTY RENOVATION
BUILDING CONTRACTING L.L.C**

Property Renovation Building Contracting L.L.C (PRBC) provides professional building cleaning services for residential, commercial, and mixed-use properties. Our cleaning solutions are designed to maintain hygiene, enhance appearance, and ensure a safe and well-maintained environment.

We offer cleaning services as part of post-renovation, refurbishment, and routine maintenance works. Our trained team uses proper equipment, approved cleaning materials, and systematic procedures to deliver efficient and reliable results.

Scope of Building Cleaning Services

- Post-construction and post-renovation cleaning
- Deep cleaning for villas, apartments, and offices
- Floor, wall, and surface cleaning
- Glass, window, and façade cleaning
- Bathroom and kitchen deep cleaning
- Removal of debris and site waste
- Final handover cleaning services

Why Choose Our Cleaning Services

- Trained cleaning staff and supervision
- Use of proper tools and cleaning agents
- Attention to detail and hygiene standards
- Timely completion and reliable service

Applications

- Residential buildings and villas
- Offices and commercial spaces
- Retail units and showrooms
- Common areas and building facilities
