

Keeping The **Middle East Cool**
Since 1995

ABOUT US

Established in 1995 through a small trading office in Dubai, Rapid Cool Group of Companies is a leading supplier of high-quality products in the HVAC industry. Today, the group has branches across the UAE with offices in Dubai and Sharjah along with regional partners in the Gulf. Our team comprises of highly skilled employees who continue to ensure high quality customer satisfaction. Over the past two decades, Rapid Cool has been fortunate to be part of several major developments both in the UAE and Gulf. Rapid Cool's operations can be categorized into two major divisions:

TRADING DIVISION

The trading division is an exclusive distributor of major HVAC brands from Europe and USA. The product range includes ventilation fans (local civil defense approved), ecology units, vibration isolators & central a/c components, air curtains, acoustic lagging and sound attenuators.

SERVICE DIVISION

Recently introduced, the service division complements Rapid Cool's manufacturing and trading division as it focuses on installations, maintenance and after sales. Our dedicated and highly experienced team can attend to all types of site issues.

SMOKE & FIRE RATED FANS

Axial & centrifugal industrial application fans
 Jet fans & induction fans for basement car parks
 Smoke & fire rated fans 400°C / 2 hours
 Explosion proof ATEX rated fans
 CFD analysis available upon request
 Local civil defense approval

BELT DRIVEN INDUSTRIAL FANS

Roof mounted ventilators for kitchen exhaust
 Square inline centrifugal fans
 Aluminum centrifugal roof up blast / down blast fans
 AMCA certified for performance & sound
 UL listed

FANS, ESP & ECOLOGY UNITS

Window / wall / ceiling mounted fans
 Duct inline circular fans / Cabinet single & twin fans
 Explosion proof fans for offshore & mining applications
 Wind driven turbo ventilators
 Electrostatic Precipitator (Manual Wash) / Ecology Units

60 HZ INLINE FANS

Oilfield & marine special application fans
 Circular ducted inline fans
 Roof mounted fans
 ATEX certified explosion proof fans

AIR PURIFICATION & ECOLOGY UNITS

Electrostatic precipitator (manual / auto wash)
 Ecology units (mechanical / electronic)
 Smoke purification units (for shisha / cigar lounges)
 HEPA filtration units (for hospital applications)
 ETL listed

AIR CURTAINS

Designer, commercial & industrial type
Ambient, water cooled & electrically heated type
Wall / exposed mounted & recessed range
Available in various lengths from 1m to 2m
Interlocking with door and fire alarm system
BMS compatibility (selected models only)

ACOUSTIC LAGGING

For drainage pipe and duct insulation
0.09" (2.3mm) thick noise barrier with surface density of 1lb/ft² (5kg/m²) with
1" (25mm) thick scrim faced quilted fiberglass decoupler on one side and
reinforced aluminum facing on the other side
STC 27 rating (ASTM E-90-09)
Class A flammability rating (ASTM E 84)
Foam decoupler available upon request

SOUND ATTENUATORS

Designed in technical collaboration with METRICO (UK)
Available in galvanized steel and stainless-steel construction
Rectangular, round and L-shaped attenuators
Acoustic performance independently tested in USA

VIBRATION ISOLATORS & CAC COMPONENTS

Ribbed Rubber / Rubber Cork Rubber / Rubber Steel Rubber Pads
Anti vibration rubber mounts & anti vibration rubber hangers
Anti vibration rubber and spring mounts
Anti vibration spring hangers & mounts for Fans & AHUs
Heavy Duty anti vibration spring mounts for Chillers

KITCHEN EXHAUST FILTRATION SYSTEM

Electronic Air Cleaner - Kitchen Exhaust (EAC-KE)
UV Odor Removal Unit
Odor Removal Activated Carbon Filter
Coil Filter, Odor Buster, Auto Cleaning Device
