Rareme 
General Trading LLC

About Us

Rareme General Trading LLC was founded by two industry professionals with more than 20 years of collective experience across diverse sectors of sales, including over a decade of hands on expertise in the UAE market. Their deep understanding of global electronics trading, shaped by years of working within Dubai's dynamic international marketplace, forms the backbone of Rareme's vision and operations.

With a strong foundation in sourcing and supplying high quality electronic products, the founders expanded their capabilities into the office essentials sector, building a reputation for reliability, product knowledge, and exceptional service. Today, Rareme General Trading stands as a trusted one stop solution for all office related requirements, offering a comprehensive range of electronics, office supplies, and workplace essentials.

Guided by the slogan "Real Quality. Rare Value.", we are committed to delivering products that meet the highest standards of durability, performance, and affordability. Our mission is to ensure that every customer, whether a small business or a large enterprise, receives unmatched value through quality products, competitive pricing, and dependable service.

At Rareme, we believe that excellence is not an option but a promise. Our expanding network, strong supplier relationships, and customercentric approach enable us to consistently provide the best solutions for modern office environments. As we continue to grow, our focus remains on delivering rare value through real quality in everything we do.
