COMPANY INTRODUCTION

With the blessings and under the best guidance of our His Holiness & after years of work experience in Oil Field, Marine, Energy, Engineering and Shipping Line Products, highly enterprising, qualified and dynamic professionals joined hands together to explore the shores of Dubai under one roof and formed a company in 2007 as:

S.Y.N. Trading L.L.C.

With sole motto to serve the above industries by providing best of quality goods at a lowest minimum rate during the time of price war.

We started with a humble beginning of our showroom in Deira, Dubai & we have the most modern computerised and well equipped warehousing facilities at Ras Al Khor, Al Aweer, Showroom in Deira, Dubai, equally well supported by our highly trained and capable logistic dept., which controls the flow of our goods movement smoothly.

The secret of our success is by keeping good business ethics, by providing our customer with good quality, best price & best of service at all time. As we design and develop our products in such a way by not compromising on the quality and by keeping in mind the most important cost factor.

Our R & D department provides the customer with all technical, engineering and mechanical know how to provide them with tailor made solution to their requirements. Our highly qualified import department see that, minimum cost burden is passed on to our valued customer by keeping in check on all cost saving factor.

We also own our success to you people our most valued customer for your continous support.

We are equally thankful to the Ruler's and Govt. of U.A.E., whose foresight to develop business in U.A.E., is quite examplery. And their dynamic vision to develop U.A.E., as a business hub of the world by providing suitable infrastructure and viable environment are highly appreciated.

But we are also aware that the rapid growth and advancement in technology also brings new challenges and we at **S.Y.N. Trading L.L.C.**, are gearing up to meet the same. We are also confident that with all the expertise in our field we will emerge successful, competently and efficiently.

S.Y.N. TRADING L.L.C. is one of the Middle East's Leading Importer, Exporter, Stockist, Distributor and Wholesaler of an extensive range of high quality Spares, Pipe Fittings, Valves, Hoses and Pipes for Marine, Offshore, Oilfield, Energy & Industrial Sector. The company's management has work experience for decades together in the same field.

S.Y.N. Trading's state of the art showroom is located in the heart of Dubai's business district, in Deira and our most modern, well equipped & equally well located warehouse in the city near to all cargo carriers which enable us to serve our customer well and in quick time.

We have ready on hand inventory of more than 8000 items in our warehouse at any time offered at the most competitive price.

We have privilege to be the largest exporter of above such goods to African Continent, GCC, Sri Lanka, Maldives, Pakistan, Iran, Iraq, Afghanistan, Turkmenistan, Armenia and many others. We have got many satisfied and happy customers across the above mentioned countries because of our unrelented efforts to achieve perfection in our sales & services.

With such a huge inventory level and its own fleet of vehicles **S.Y.N. Trading L.L.C** has earned an unmatched reputation as a trusted and most reliable source for efficient and prompt delivery.
