- **1200**
- **1500pcs/min**
- **Hopper Capacity : 500 pieces (Maximum 600pcs)**
- **Stacker Capacity : 200 pieces**
- **Counting Mode : Continuous Counting Mode | Batch Counting Mode**
- **Accumulation Counting Mode | Automatic**
- **or Manual Start Mode Detection Mode : Double**
- **Chain**
- **Half note**
- **Jam detection | UV Counterfeit Detection| MG Counterfeit Detection**
- **Reliable feeding mechanism**
- **Preset and Selectable Batch Modes**
- **Reliable counterfeit detection**
- **Easy for maintenance**
- **3.5 inch Segment LCD display**
- **Adaptor power supply "**

**RIBAO  
BC35**

# Cash Counting Machine

- **Bank Grade Counterfeit Detection:**Advanced counterfeit detection sensor 2CIS, UV, MG, MT, IR, ensure 100% accurate counting, protect your business from loss. Perfect for bank, credit union, exchange shop, police department, supermarket .etc
- **Save Your Time and Money:** 1+1 pockets mixed denomination value counter, counting all denominations together and display a clear breakdown report on screen. The reject pocket is designed for rejecting counterfeit notes, warn notes or foreign notes. Non-stop counting hugely save your time. Multi currency support for EUR, USD, GBP, AED, BHD, KWD, OMR, SAR, JOD, TRL, INR.etc 12 currencies, serial number reading for USD, EURO and MXN.
- **Various Counting Modes to meet your demand :** Mixed Denomination Counting, Multi Currency Counting, Auto Currency Detection, Sort by Currency/Denomination/Face/Orientation/Version, Batch by quantity or Value, meet your different requirements in different situation. The count data and serial number can be output to computer and printed out directly via Ribao thermal printer.
- **Unique Design of Dust proof cover:** Prevents you from being hurt with viruses and germs when counting banknotes. Super low counting noise to provide you a nice working environment.
- **Warranty and technical support:** We offer a 2-year warranty and lifetime software upgrade, recently we released a new firmware to improve the recognition and counterfeit detection for new version of AED1000 & AED500, please find us by email to update.

**RIBAO**  
**BCS-160**

# Cash Counting Machine

- **Powerful Function with Excellent performance:** Mixed denomination Bill counter machine count and calculate 10 different currencies USD, EUR, GBP, AED, BHD, KWD, OMR, QAR, SAR, INR at one time count. A breakdown of money counting details including Currency, quantity, value and Amount will be displayed. Serial number of banknotes can be recorded, printed out or output to computer for further tracking.
- **Bank Grade Counterfeit Detection and Authentication:** Compared with common UV MG sensor detection, BC-55 applied a test image processing technology and premium algorithm. One pair of high resolution CIS (contact image sensor) scan and detect 2 sides of each counted bill like human eyes, no headache about superdollar, protect your business from loss and provide you with a smooth counting experience.
- **Improved Efficiency with Superior Speed:** 3.5 inch Touch screen, User friendly interface, multi-language operation menu help you Plug and play the counter. Classical front loading feeding system, premium friction rubber roller produced in United States, no matter brand new or worn or slight ripped and damaged banknotes can be counted smoothly.
- **Various working modes to satisfy various demand :** Mixed money counter boosts your efficiency on cash processing job with following functions: Mixed denomination counting, Multi Currency counting, Auto Currency Recogniza, SDC (manual sorting based on first denomination or currency), CNT (1500 pcs/min), ADD, BATCH, Perfect for convenience store, gas station, bank branch, foreign exchange bereau, Jewelry Shop .etc
- **[Easy for maitance]:** The whole passage can be opened completely to do daily clean, besides, we include a dust cover in the package to protect the machine when not in use. **[Guarantee]:** We promise 2 years warranty and lifetime software update, if you have any questions during the use, please contact us by e-mail or whatsapp, we will reply within 12 hours.

**RIBAO**  
**BC55**

# Cash Counting Machine

**RIBAO  
BC-40**

- **[WORKING MODE]:** Mixed denomination counting(MIX)/ single denomination counting(SDC)/Auto Recognition/ Multi-currency mixed counting/ Piece counting/ Batch/ Accumulation. In MIX counting mode, all denominations can be read and counted. Quantity and amount will show at the same time.
- **[SMOOTH COUNTING]:** Classic feeding system, high-quality friction nudge rubber roller produced in the United States, ensure smooth counting for different quality notes, no matter brand new or street quality. **[EASY DAILY CLEANING AND MAINTENANCE]:** Open the passage from the rear side to clean the sensors and remove the jammed notes. Beside, we provide dust cover in the package to protect the machine when not in use.
- **[RELIABLE COUNTERFEIT DETECTION]:** With UV, Magnetic sensor, Infrared sensor, and CIS, BC-40 provides the most cost-effective solution to protect your business and ensures your efficiency.
- **[COMPACT SIZE AND PORTABLE]:** 3.5" TFT touch screen on the front panel with a user-friendly interface. For EURO market Supports value counting and counterfeit detection for USD, EURO, Canadian dollar, and Mexican peso at the time. For UAE market, support AED/EUR/USD/OMR currencies.
