CONTROL

Your trusted source
for all things Electrical

**FROM ELECTRICAL COMPONENTS
TO STATE-OF-THE-ART SYSTEMS,
WE PRIDE OURSELVES ON BEING
A ONE-STOP SHOP FOR ALL YOUR
ELECTRICAL NEEDS.**

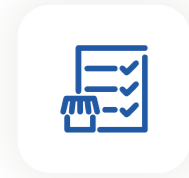

Welcome to South Control Electricals

At South Control Electricals, we are committed to providing high-quality electrical products and services that meet the evolving needs of businesses and individuals across the UAE. Since our establishment in 2012, we have earned a reputation for reliability, innovation, and outstanding customer service. With a focus on excellence, we strive to deliver exceptional value through high-quality, cost-effective solutions that ensure customer satisfaction in the electrical industry.

South Control Electricals is a leading supplier of electrical products, offering a wide range of solutions for various industries. Located in the heart of Abu Dhabi in Mussafah, our mission is to empower businesses by providing high quality electrical equipment and services that enhance operational efficiency and drive growth.

At South Control Electricals, we believe in doing more than just selling products. We partner with our clients to ensure that they receive the right solutions for their unique requirements.

Here are some reasons why our customers choose us:

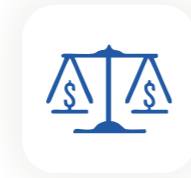

Comprehensive Range of Products

We offer an extensive selection of electrical components with over 2,500 products, including control panels, wiring accessories, and industrial automation products, sourced from trusted brands around the world.

Customer-Centric Approach

Our team of experienced professionals works closely with you to understand your needs and recommend the most effective solutions.

Competitive Pricing

We strive to offer competitive prices without compromising on quality, ensuring you get the best value for your investment.

Technical Expertise

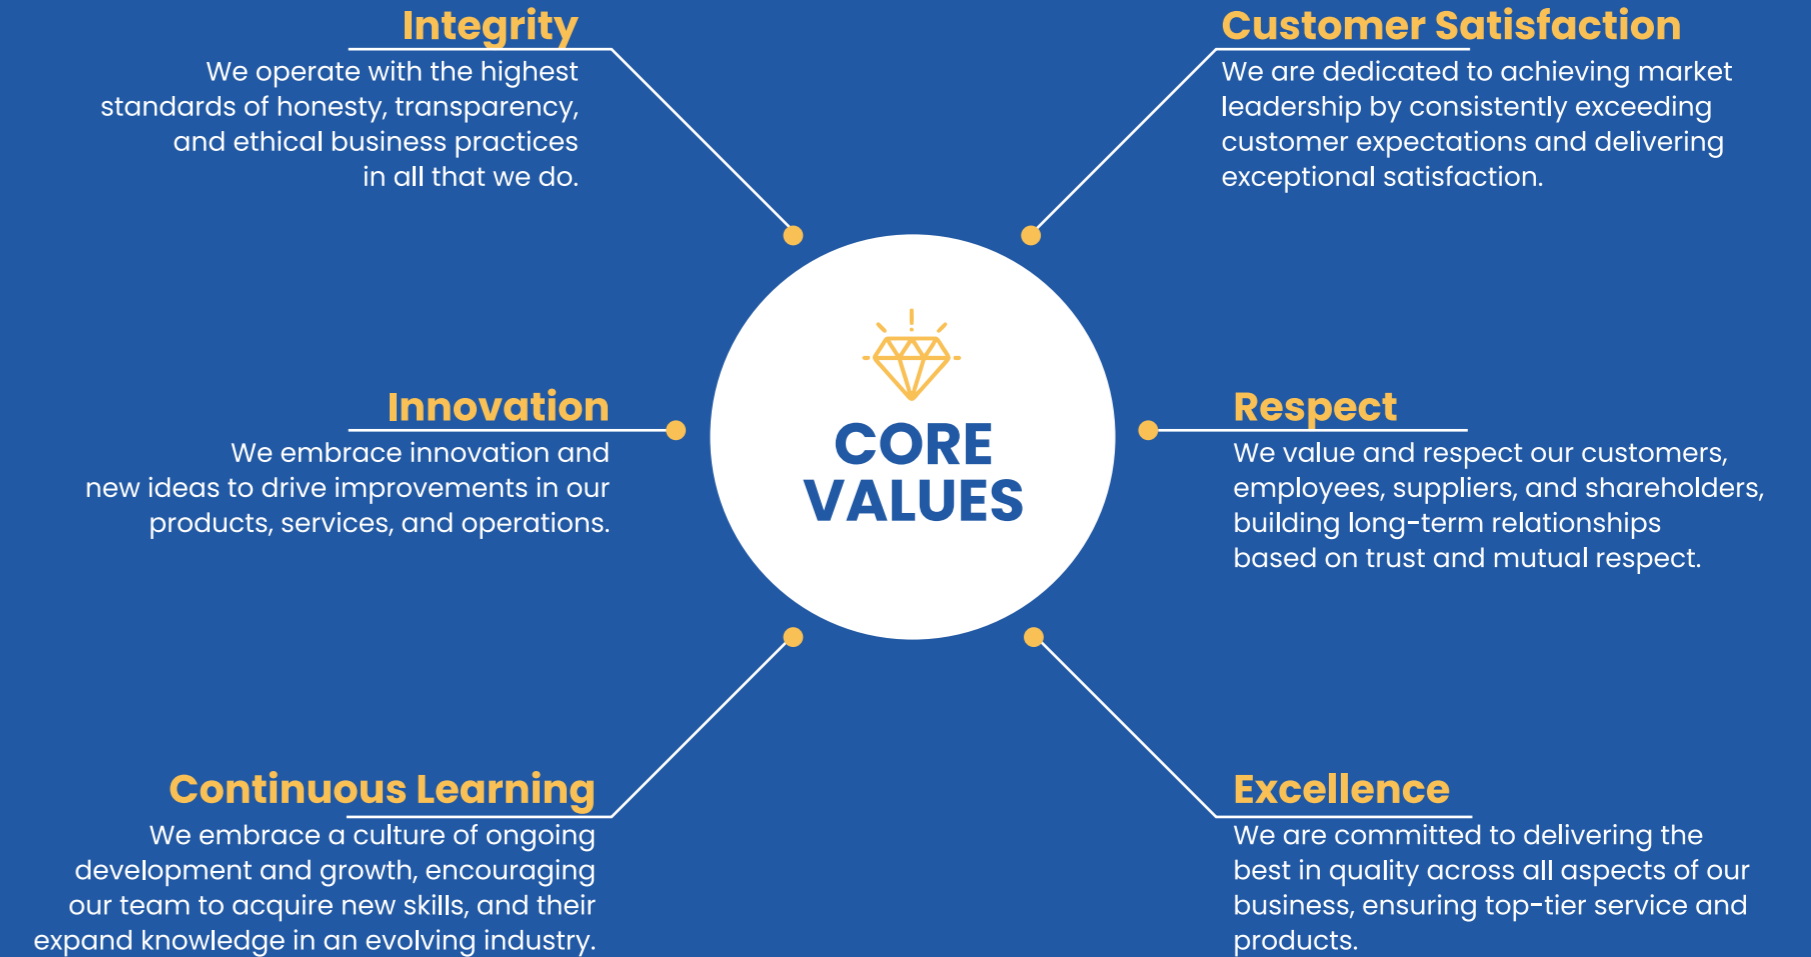

With years of experience in the electrical industry, we bring a wealth of technical knowledge to every project, ensuring your systems are reliable and efficient.

OUR PROMISE TO YOU

Timely Delivery:

We understand that time is critical in business, and that's why we are committed to delivering our products promptly, with 96% of all orders being dispatched by the next business day within the UAE!

VISION

At South Control Electricals, we strive for excellence in everything we do, utilizing socially responsible and environmentally sustainable practices.

MISSION

We aim to achieve market leadership by delivering exceptional customer satisfaction. As a responsible corporate citizen, we are committed to sharing our success with society. Our goal is to foster pride among our customers, employees, suppliers, and shareholders, building strong, long-term relationships with all our partners.

OUR COMMITMENT TO YOU

We don't just supply electrical equipment; we build lasting relationships with our clients. Whether you're managing a small project or a large industrial installation, South Control Electricals is here to ensure you have everything you need for success. With competitive pricing, exceptional quality, and unwavering customer support, we are your go-to source for all things electrical.

We achieve this by:

Providing systematic training and fostering motivation among our employees.

Adhering to customer requirements as well as all applicable statutory and regulatory standards.

Continuously improving the efficiency and effectiveness of our Quality Management System.

**At South Control Electricals,
we are committed to delivering value and ensuring
customer satisfaction through our products and services.**

Management

Stainless Steel
Clamping systems

Stainless Steel
Conduits & Junction
Boxes

Lighting
Solutions

⚡ ELECTRICAL

- ❖ Advanced Lighting Protection & Earthing Systems
- ❖ Cable Accessories & Terminations
- ❖ Cable Supply & Distribution
- ❖ Cable Identification
- ❖ Cable Transit Systems
- ❖ Control Equipments
- ❖ Cable Glands & Cable Lugs
- ❖ Electrical Safety Products

- ❖ Explosion Protected Electrical Equipment
- ❖ GRP/ FRP Cable Management
- ❖ Metallic Cable Management
- ❖ Stainless Steel Clamping Systems
- ❖ Stainless Steel Conduits & Junction Boxes
- ❖ Lightning Solutions
- ❖ Measuring Equipments
- ❖ Panel Boxes

⚡ MECHANICAL

- ❖ Tunnel & Car Park Ventilation Systems
- ❖ Ventilation For Hazardous Areas

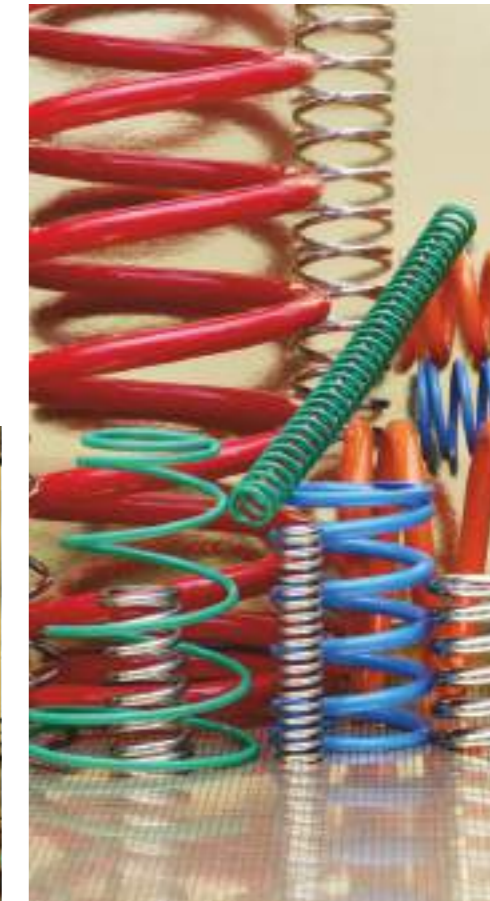

⚡ ADVANCED LIGHTNING PROTECTION & EARTHING SYSTEMS

- ❖ Earthing
- ❖ External & Internal Protection
- ❖ Exothermic Welding
- ❖ Preventative Protection
- ❖ Standards: IEC/EN 62305, NFC 17-102, UNE 21186

⚡ CABLE ACCESSORIES & TERMINATIONS

- ❖ Cold Shrink-Joints
- ❖ Terminations-Medium and High Voltage
- ❖ Heat Shrink- Sleeves, Joints, End Caps
- ❖ Insulate and Protect- Scotch Tapes, Splicing Tapes
- ❖ Scotchflex – Nylon Cable Ties-Black, Neutral
- ❖ Resins – Joint Kits, Resin Bags
- ❖ Wire Pulling Lubricants, Electrical Spring Connectors, Constant Force Springs

CABLE SUPPLY & DISTRIBUTION

We specialize in supplying high-quality electrical cables and accessories, tailored to meet everyday requirements and deliver project-specific solutions that cater to customer demands.

With a strong focus on the dynamic energy, oil & gas, and renewable energy sectors in the UAE and Qatar, our team of experienced professionals is dedicated to providing timely solutions and reliable delivery throughout the region.

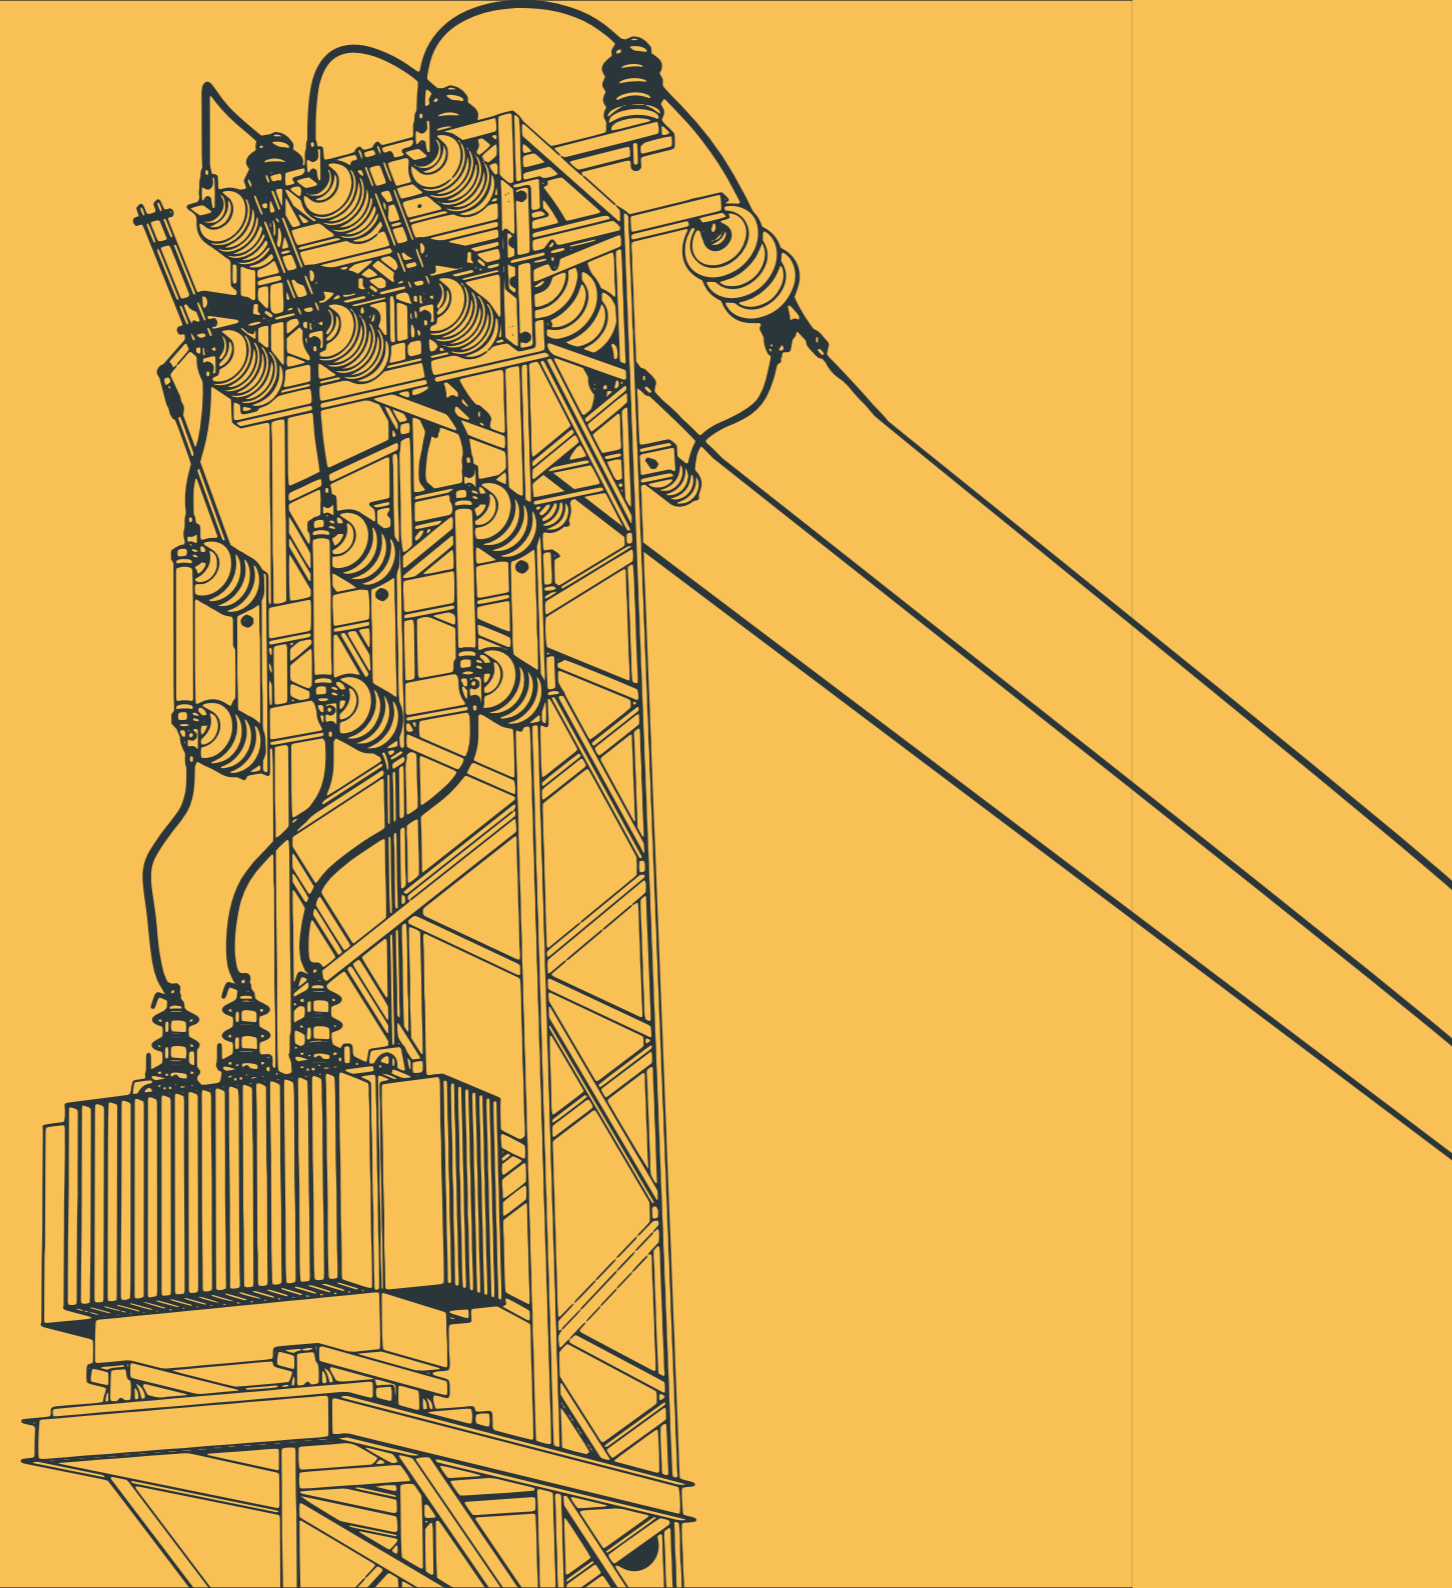

CABLE IDENTIFICATION

- ❖ Offshore Cables
- ❖ Instrumentation & Control Cables
- ❖ Marine Cables
- ❖ Lead Sheath Cables
- ❖ Belden Equivalent
- ❖ Solar Cables
- ❖ LV & HV Cables
- ❖ Low Smoke Zero Halogen Cables

⚡ CABLE TRANSIT SYSTEMS

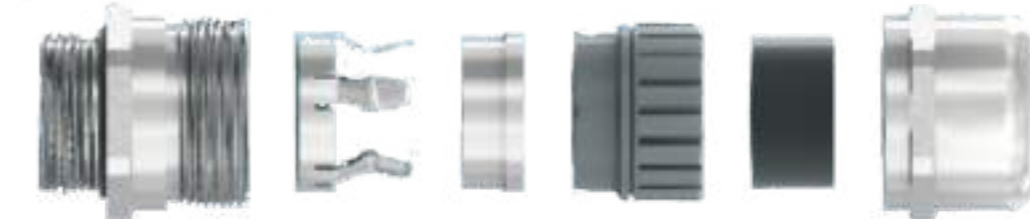

- ⚡ Quick-Fix Tolerance Cable Modules
- ⚡ Multi Insert Modules and Filler Block

⚡ CABLE GLANDS & CABLE LUGS

Our cable lugs and connectors are crafted from high-strength, high-conductivity electrolytic copper and aluminium alloy, ensuring optimal connectivity for power distribution and grounding.

- ⚡ Quick-Fix Tolerance Cable Modules
- ⚡ Multi Insert Modules and Filler Block
- ⚡ UL Certified
- ⚡ BW, CW, EIFW and A1/A2 Industrial Cable Glands
- ⚡ Cable Lugs and Connectors

South Control Electricals partners with specialists in multi-cable transits, fire-stop solutions, and sealing technologies, providing critical protection and safety measures in onboard installations.

New clearance guidelines enable a greater number of people to safely carry out electrical and non-electrical tasks in and around installations and structures, all while adhering to safety and prevention regulations.

⚡ ELECTRICAL SAFETY PRODUCTS

- ❖ Personal and collective Protective equipment
- ❖ Locking and signalling
- ❖ LV test and measurement
- ❖ LV earthing systems
- ❖ LV Live working tools
- ❖ MV Substation equipment
- ❖ Medium voltage equipment

South Control Electricals provides a comprehensive range of explosion-proof and water-resistant electrical equipment, specifically designed for the petrochemical, oil & gas, and marine industries.

⚡ EXPLOSION PROTECTED ELECTRICAL EQUIPMENT

- ❖ Personal and collective Protective equipment
- ❖ Locking and signalling
- ❖ LV test and measurement
- ❖ LV Earthing Systems
- ❖ LV Live Working tools
- ❖ MV Substation equipment
- ❖ Medium voltage equipment
- ❖ Ex-Light Fixtures – fluorescent and high pressure types
- ❖ Ex-Junction Boxes – cast SS, cast aluminium, 316 SS & GRP
- ❖ Ex-Cable glands, control stations, sounders and beacons

⚡ METALLIC CABLE MANAGEMENT

The extensive product portfolio now features a wide range of cable management solutions and innovative metal framing systems.

- ❖ Wire Baskets
- ❖ Cable Trays & Ladders
- ❖ Cable Trunking
- ❖ Metal Framing
- ❖ Conduits & Accessories
- ❖ Corrosion Resistant
- ❖ Light Weight & Durable
- ❖ Cost Effective & High Strength
- ❖ Superior UV Protection
- ❖ Fire Retardant, complies to ASTM E84 & BS 476

⚡ GRP & FRP CABLE MANAGEMENT

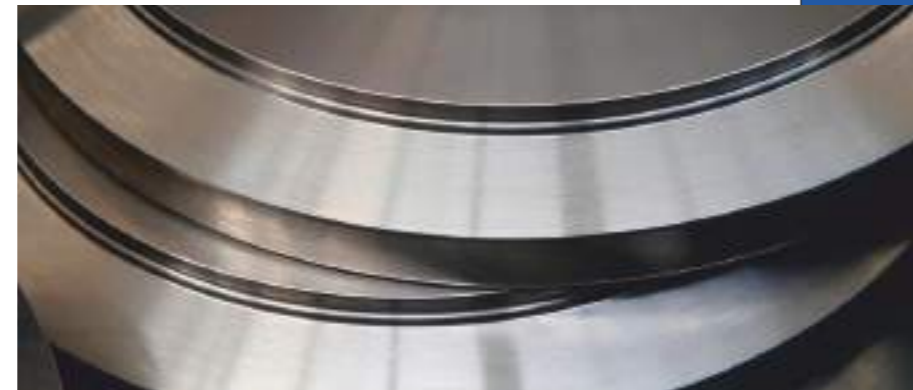

The key factors behind the success and quality of the brands represented by South Control Electricals are:

- ❖ Permanent evaluation and classification of our suppliers
- ❖ Systematic control of good and raw material on receipt
- ❖ Verification of supplier's technical information in laboratory
- ❖ Total control in the conception of products
- ❖ Control of product during the fabrication process

⚡ STAINLESS STEEL CLAMPING SYSTEMS

We serve the infrastructure sector, supplying multi business engineering products sourced worldwide.

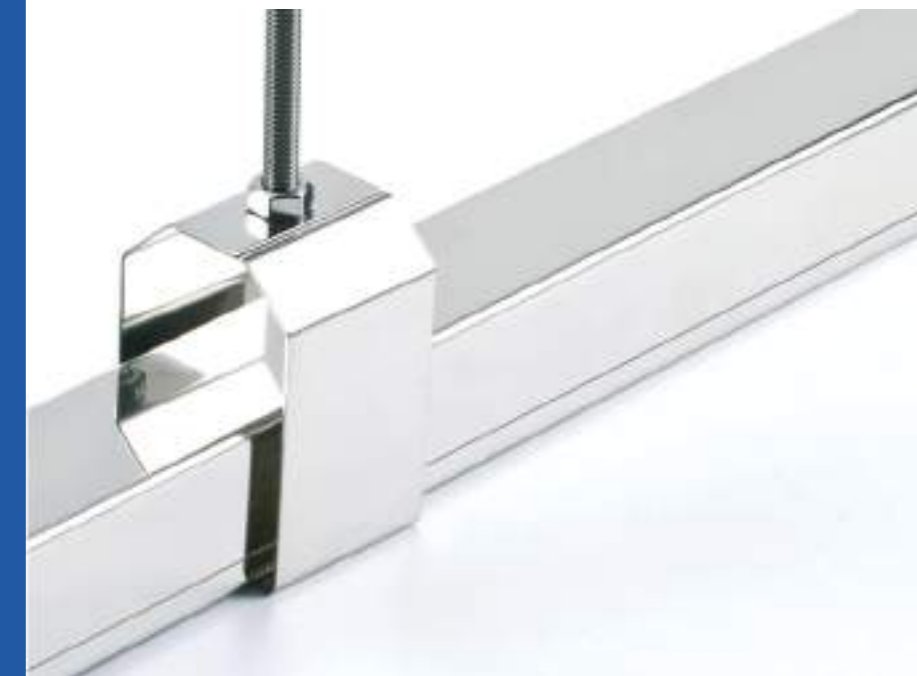

- ❖ Stainless Steel 316 and 304 Cable Ties
- ❖ Ball Lock, Releasable and Ladder Cable Ties
- ❖ Offered in PPA-571 coating
- ❖ R-Loc Marker Plates & Tags
- ❖ UL Listed, DNV, ABS Approved

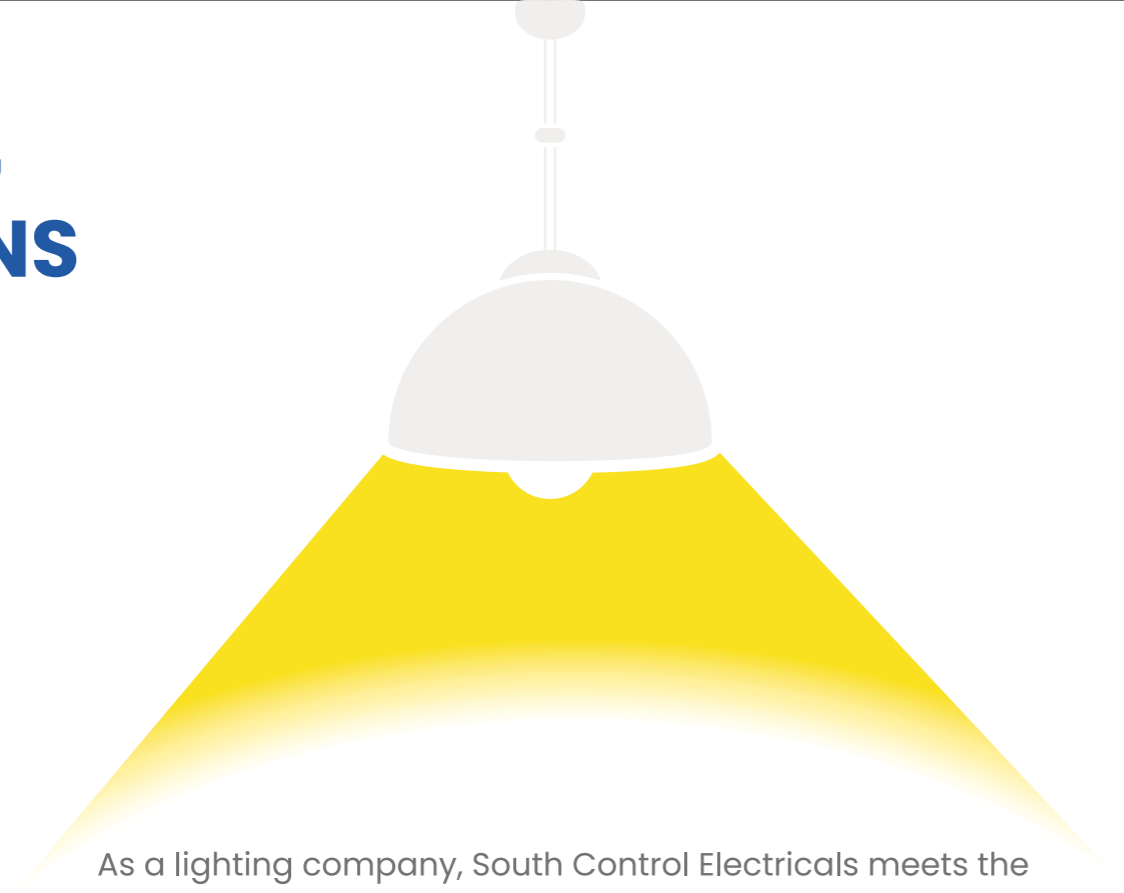

⚡ METALLIC CABLE MANAGEMENT

The extensive range of products is UL classified, and all standard conduit boxes are waterproof, rated to IP67.

- ❖ Stainless Steel Conduits & Accessories in 304 & 316
- ❖ Stainless Steel Enclosures
- ❖ Push Button, Terminal Control Enclosures
- ❖ Stainless Steel Trunking System

LIGHTING SOLUTIONS
