Welcome to Southern Interior & Fitout LLC

At Southern Interior & Fitout LLC we create thoughtfully designed spaces that blend aesthetics, comfort and functionality. Every project is approached with creativity, precision and attention to detail, ensuring interiors that truly reflect your lifestyle or business identity.

About
Southern Interior & Fitout LLC

Southern Interior & Fitout L.L.C. is a UAE-based interior and fitout company, backed by decades of industry experience, we bring together skilled craftsmanship, technical expertise and practical project management to deliver interiors that are not only visually refined, but functional and built to last.

From fitout and renovation to custom furniture, joinery, upholstery and FF&E, we combine quality craftsmanship, technical expertise and efficient execution to deliver spaces that are functional, refined and built to last.

Our sister company, Southern Alinkeel Technical Services L.L.C., complements our expertise with contracting and building works, enabling us to provide clients with integrated solutions from interior execution to complete project delivery.

Suresh Kumar Alinkeel

Managing Director

Mr. Suresh Kumar Alinkeel began his professional career in 1992 with leading groups and multi national companies before embarking on his entrepreneurial journey.His experiences across both corporate and entrepreneurial environment has shaped a practical approach to business and build around quality, reliability, strong relationships and attention to detail.

Driven by a clear vision, strong industry expertise and a passion for excellence, his leadership continues to shape our commitment to quality, innovation and exceptional execution.

Vision

To shape the future of interiors by creating extraordinary spaces where design, craftsmanship and functionality come together to inspire the way people live, work and experience their surroundings.

Mission

To deliver exceptional interior design and fit-out solutions that turn our client's visions into remarkable spaces. Through innovative design, meticulous craftsmanship, premium materials and end-to-end project management, we are committed to delivering quality, reliability and lasting value in every project we undertake.

How We Work

Concept

Whether you're planning a new interior or renovating an existing space, Southern Interior & Fitout LLC is ready to bring your vision to life with refined design, expert craftsmanship and exceptional attention to detail.

Design

Our designers translate your approved concept into detailed drawings, 3D visualizations, material selections and finish schedules giving you a precise picture of your space before a single nail is hammered.

Development

Our skilled craftsmen and project managers bring the design to life with precision and care. We oversee every stage of construction and fitout, ensuring flawless delivery on time and within budget.

Business Centre Project

Innovation Hub
