## ABOUT OUR COMPANY

### Introduction to Company

SPM Express Transport LLC & SPM Chemicals Transportation LLC has a reliable, reliable & efficient land transportation. SPM Express Transport LLC is positioned to provide high frequency truck movements. Utilizing a variety of trailers. With our network of trucking companies, we can deliver any kind of cargo anywhere in the region. All types of overland trailers can be supplied for transportation throughout the country, including our own fleet. As a full-service logistics company, we leverage on our wide network of transportation carriers and warehouses, along with our industry-wide experience, to optimize your cargo.

### Business Description

We offer a convenient menu of standard freight management services to balance urgency and cost-effectiveness for your day-to-day shipments.

### Organizational Values

Given the steps involved, it takes time for cargo to reach from one end to the other. When you choose a reputable logistics company, you're assured of open communication channels and transparency. Your point of contact at the company will keep you informed about where the cargo has reached and its movement. Real-time updates allow you to plan ahead and make provisions for the arrival of the goods. You may need to get extra warehouse space or if it's a component used in the manufacturing of another product, you can make sure the manufacturing process is timed according to the cargo delivery. This transparency and reliability help you optimize your production lines.

### Vision

Doing the right thing, working inclusively, taking responsibility to provide personalized service, dedicating ourselves to excellence- all these and more is what we celebrate, encourage, and applaud at SPM Express Transport LLC & SPM Chemicals Transportation LLC because they are very essential to the promises we've made to our valued customers and partners. We take personal responsibility for the results of our actions by acting safely, being resourceful, and anticipating needs while following through until the job is done.

### Mission Statement

We'll continuously work hard to deliver innovative experience across our different services with a view to doing what's right, being socially and environmentally responsible, complying with regulations, and honoring the rules of doing business.
