Who We Are

Stella Metal Industries is a leading manufacturer and supplier of high-end commercial kitchen solutions, established in 2014 across GCC. Our advanced manufacturing facility spans over 50,000 sq. ft. and is equipped with cutting-edge laser cutting, automatic bending machines, and state-of-the-art laser welding technology. With our expert designers and skilled production team, we deliver unmatched precision, scalability, and quality in every project.

What We Offer

We specialize in the design, manufacturing, and supply of:

- Stainless Steel Work Tables & Sink Units
- Refrigeration Equipment and Cold Rooms
- Trolleys, Cabinets, Storage Racks & Wall Shelving
- Comprehensive Kitchen Layout Design and MEP Services
- Custom Stainless Steel Wall Claddings, Lift Lobby Panels, and Handrails
- Decorative Electroplated & PVD Coated Finishes in a variety of colors

Why Choose Us

- Proven ability to execute high-volume, multi-location projects
- Complete, end-to-end kitchen layout design and technical support
- Strong vendor network offering leading international brands
- Operations and deliveries across the GCC
- Professional project management and exceptional after-sales service

As a one-stop solution provider, Stella Metal Industries is fully equipped to support the growth and operational needs of major franchise brands, delivering seamless service across multiple locations. Our dedicated team ensures on-time delivery, optimal functionality, and strict adherence to brand requirements.

Vision

To be the leading provider of premium commercial kitchen solutions in the Middle East.

Mission

To set industry standards by delivering innovative, high-quality kitchen equipment and services that consistently exceed client expectations in a rapidly evolving market. Implemented ISO certified fail-safe systems across all our operations, ensuring reliability and excellence in every aspect.
