

SOLUTIONS THAT MATTERS

ABOUT US

Stellar Polymer Industries excels in producing high-quality rubber and polyurethane (PU) products, FRP/GRP coatings, and engineered fabrications. By leveraging advanced technology and a skilled team, we deliver innovative, reliable, and eco-friendly solutions across various industries. Our steadfast commitment to excellence and customer satisfaction positions us as the premier partner for superior polymer products and specialized applications.

OUR PRODUCTS

Rubber Molded & Extruded Products

Polyurathene Products

FRP, GRP Lining (Coating)

Rubber Anti-vibration Mounts & Pads

Rubber Grabber pads & Blocks

Rubber Butterfly valve liners/Diaphragms

Rubber couplings, Elements and Bushes

Gaskets , O-Rings & O-Ring Cords

Rubber Expansion Joints & Bearing Pads

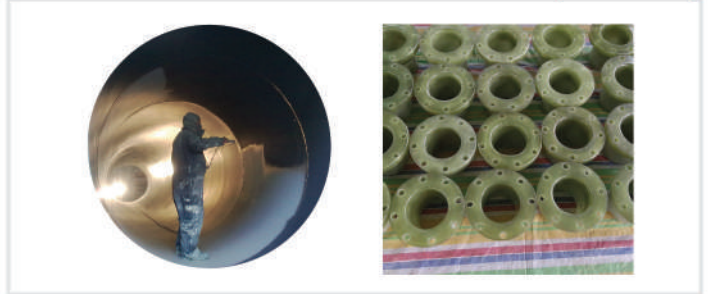

Rubber Sheets , Fabric inserted & Electrical Insulation mats

Track Shoe Pads (Rubber & PU)

FRP Tank & Pipe Lining

Rubber & PU Rollers

Pipe Supports & Pipe Clamps

Waste Screening Stars, Disc (Rubber & PU)

Rubber Molding Wheels & PU Rotator Wheels

Hydraulics Breaker Hammer Damper Pads

PU Flip Flow Screen, Mixer Blade & Scrapers

Nylon, UHMWPE, HDPE, Teflon (PTFE) Machining and Metal Fabrications

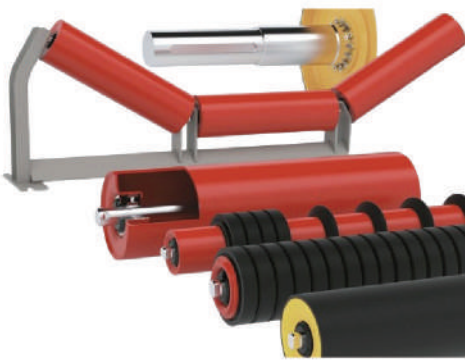

Plain Conveyor Belt
Oil Resistant /Heat Resistant

Chevron Conveyor Belt

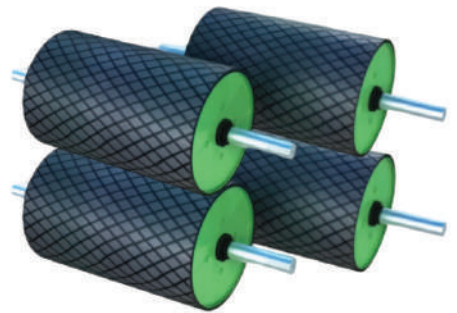

PVC Conveyor Belt

Conveyor Rollers

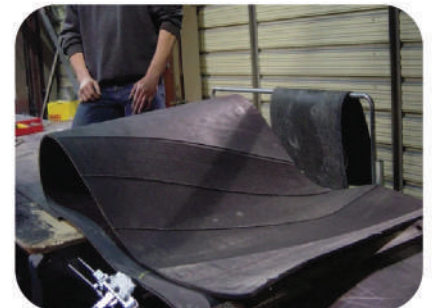

Conveyor Pulley Fabrication & Conveyor Pulley Lagging

Conveyor Belt Scraper

Orange Rubber Chute

Conveyor Belt Cold / Hot Vulcanizing

We're excited to discuss how we can meet your requirements and deliver solutions that exceed your expectations.
