## ABOUT US

STRONGFAB is a trusted and established name in the construction, installation, and maintenance industry. With a focus on excellence and precision, we deliver tailored solutions for residential, commercial, and industrial projects. Our reputation is built on high-quality workmanship, innovative methods, and unwavering dedication to customer satisfaction.

Our extensive expertise, combined with state-of-the-art tools and an experienced team, allows us to deliver projects efficiently while adhering to the highest safety standards and timelines. Whether it's new installations, repairs, or renovations, STRONGFAB ensures durability, functionality, and aesthetic appeal in every project we undertake.

## MISSION

Our mission at STRONGFAB is to provide exceptional construction, installation, and maintenance services that exceed client expectations.

We strive to:

- **Deliver Excellence:** Maintain the highest standards of quality, safety, and reliability in every project.
- **Innovate Solutions:** Implement advanced techniques, materials, and tools to deliver cost-effective and efficient results.

## VISION

Our vision is to be recognized as a leading provider of construction, installation, and maintenance solutions, known for our commitment to quality, innovation, and client satisfaction. We aim to transform spaces with unparalleled craftsmanship and superior service, creating environments that inspire productivity, comfort, and sustainability.

## OUR SERVICES

### Structural Steel Works

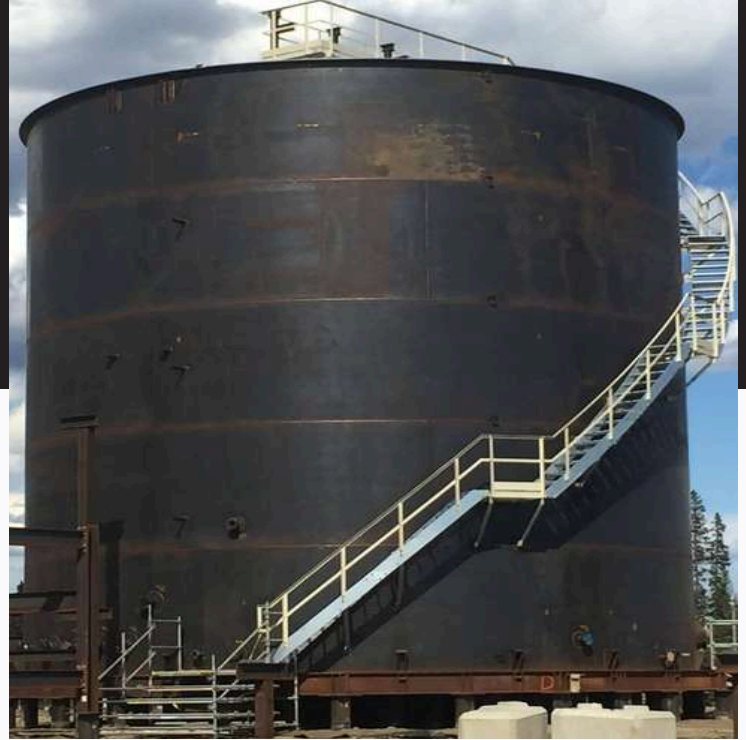

We specialize in structural steel fabrication and installation, ensuring robust and reliable frameworks for residential, commercial, and industrial projects. Our solutions meet the highest standards of strength, safety, and durability.

- Applications: Building frameworks, bridges, warehouses, and industrial structures
- Key Features: Precision engineering, durability, and load-bearing strength

### Stainless Steel Works

Our stainless steel solutions offer corrosion-resistant and aesthetically pleasing installations for diverse applications, including architectural and industrial projects.

- Services Include: Fabrication of railings, balustrades, cladding, and fixtures

## OUR SERVICES

### Tanks and Pipeline Fabrication Erection (S.S & M.S)

We provide fabrication and erection of stainless steel (S.S) and mild steel (M.S) pipelines and tanks, ensuring efficiency and reliability for liquid and gas transportation systems.

- Applications: Industrial facilities, water treatment plants, and storage solutions

### Cladding Works

We offer cladding solutions that enhance the appearance and functionality of buildings while providing insulation and protection from external elements.

- Materials: Aluminum, stainless steel, and composite panels
- Applications: Facades, interiors, and industrial structures

## OUR SERVICES

### PEB Erection and Cladding

Our expertise in Pre-Engineered Building (PEB) erection ensures efficient, cost-effective, and durable solutions for large-scale industrial and commercial buildings. We also provide superior cladding for PEB structures to enhance insulation and aesthetics.

- Applications: Warehouses, factories, and industrial units
- Key Features: Quick installation, cost-efficiency, and energy-saving solutions

## OUR SERVICES

### False Ceiling & Light Partitions Installation

Our false ceiling and light partition solutions are designed to enhance interiors by providing versatile designs and functional divisions. We use high-quality materials, including gypsum, metal, and wood, to ensure longevity and elegance. Whether you require soundproofing, fire resistance, or aesthetic improvement, our installations are tailored to meet your specific needs.

- Materials: Gypsum, metal, wood, PVC
- Applications: Homes, offices, retail spaces, commercial buildings
- Advantages: Enhanced design, insulation, acoustic improvement, and durability

## OUR SERVICES

### **Air-Conditioning, Ventilations & Air Filtration Systems Installation & Maintenance**

We provide end-to-end solutions for air-conditioning systems, including HVAC installation, maintenance, and repair services. Our expertise ensures the comfort, efficiency, and performance of cooling, heating, and air filtration systems.

- Services Include:
  - Installation of central, split, and ductless air-conditioning systems
  - Preventive maintenance and periodic inspections
  - Energy-efficient solutions for ventilation systems
  - Air filtration systems for improved air quality
- Applications: Residential, industrial, offices, warehouses, commercial spaces

## OUR SERVICES

### Floor & Wall Tiling Works

We specialize in precise tiling solutions for floors and walls, transforming interiors and exteriors into modern, elegant, and durable spaces. From classic ceramic to luxury marble and mosaic designs, we cater to all aesthetic preferences and functional requirements.

- Types of Tiles: Ceramic, porcelain, marble, granite, mosaic, vinyl
- Applications: Bathrooms, kitchens, living spaces, lobbies, and outdoor areas
- Key Benefits: Water resistance, easy maintenance, and long-lasting finishes

## OUR SERVICES

### Plaster Works

Our plastering services ensure smooth, seamless finishes for walls and ceilings, preparing surfaces for painting, wallpaper, or decorative treatments. We use durable and high-quality materials to achieve exceptional results.

- Services Include:
  - Interior and exterior plastering
  - Textured and decorative finishes
  - Patching and repairs for existing surfaces
- Applications: Homes, offices, commercial buildings

## OUR SERVICES

### Sanitary Installation & Pipes Repairing

We offer reliable plumbing and sanitary solutions, from installations of fixtures to repairs of leaking pipes. Our skilled professionals ensure efficient water flow, leak prevention, and overall system performance.

- Services Include:
  - Installation of faucets, sinks, toilets, showers, and bathtubs
  - Leak detection and pipe repair
  - Drainage solutions and maintenance
- **Applications:** Residential, commercial, and industrial spaces

## OUR SERVICES

### Electromechanical Equipment Installation and Maintenance

Our team excels in installing and maintaining electromechanical systems, ensuring efficient and safe operation. We work on critical equipment for homes, offices, and industrial facilities.

- Services Include:
  - Installation of motors, pumps, and generators
  - Maintenance of HVAC systems and power equipment
  - Repairs and periodic inspections
- **Applications:** Industrial plants, factories, residential complexes, and commercial buildings

## OUR SERVICES

### Carpentry & Wood Flooring Works

We provide comprehensive carpentry solutions, including custom woodwork and wood flooring installations. Our services add elegance, utility, and durability to residential and commercial spaces.

- Services Include:
  - Custom cabinetry and furniture
  - Wooden flooring installation (parquet, laminate, solid wood)
  - Door and window fittings
- **Advantages:** Enhanced aesthetics, durability, and tailored designs

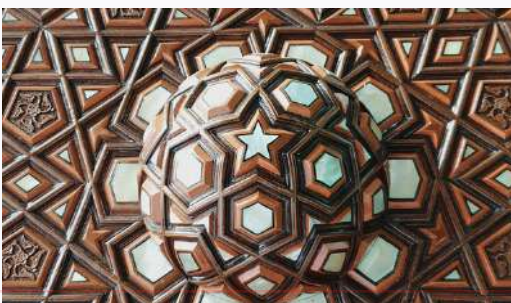

## OUR SERVICES

### Engraving & Ornamentation Works

We offer detailed and artistic engraving and ornamentation services that add a unique character to homes, businesses, and commercial projects. Our skilled craftsmen use innovative techniques to create decorative details on wood, glass, metal, and other materials.

- **Applications:** Furniture, doors, decorative walls, panels, and signage

## OUR SERVICES

### Wallpaper Fixing Works

Transform your interiors with our expert wallpaper installation services. We ensure flawless application of wallpapers, bringing texture, patterns, and elegance to your spaces.

- Types of Wallpapers: Vinyl, textured, fabric, and custom designs
- **Applications:** Homes, hotels, offices, and commercial interiors

## OUR SERVICES

### Electrical Fittings & Fixtures Repairing & Maintenance

We deliver reliable electrical solutions, ensuring safety and efficiency in residential and commercial spaces. From installations to troubleshooting, our team is equipped to handle all electrical requirements.

- Services Include:
  - Installation of light fixtures, fans, sockets, and switches
  - Fault detection and repair
  - Preventive maintenance for electrical systems
- **Applications:** Homes, offices, retail stores, warehouses, and industrial buildings

# WHY CHOOSE US?
