COMPANY PROFILE

SAFETY, QUALITY & PROFESSIONALISM

Our Team, Our People
Our Biggest Asset !

About Us

The Taurus Group was founded in 2007 in India and 2013 in UAE . Since then the group has grown dramatically in both size and reputation. We have a broad portfolio of successfully completed projects across a range of sectors including Residential, Hospitality, Commercial, Health care Industrial, Power plant & Substations.

We have built our reputation on our client focus and hands-on approach. We are proud of the fact that the majority of our workload comes from repeat business and that we have a strong reputation for our competitive edge and reliable execution of all projects undertaken. This achieved through relentless attention to detail and an experienced team with the drive and customer focus to ensure client satisfaction is a given on all Taurus projects.

We continue to invest in modern business practices and management techniques in order to ensure that we remain at the cutting edge of our industry. We continue to build on our reputation with our focus firmly on growing the ability of the business to deliver in new and innovative ways.

Our ambition and goals for almost a century have always been to deliver quality projects and value for money to our clients; our success and reputation today have been testament to this wisdom.

Our Vision

We seek to become the leading company in the Middle East by executing projects in a safe, timely and quality oriented manner, thus emerging as the most preferred solutions provider for our clients.

We strive to be the most preferred property developer by building better living environments and exceeding customer expectations.

Nature encompasses not only the immediate living environment but also our global environment.

Global partner means a company that provides a better value and trust for its clients in the global market.

Human beings include not only our clients and stakeholders but also the entire human race.

The future requires thinking ahead for future generations through the management philosophy of sustainability.

To continually evolve our unique capabilities to strive sustainable growth in business and to be superior constructor and service provider in all our operation across the region.

Business Focus

To perform for our customers the highest level of quality construction services at fair and market competitive prices. To ensure repeat and referral business - achieved by customer satisfaction in all areas including timeliness, attention to detail and service-minded attitudes. To maintain the highest level of professionalism, integrity, honesty and fairness in our relationships with our suppliers, subcontractors, professional associates and customers. To add value for clients through innovation, foresight, integrity, and aggressive performance; and to serve with character and purpose that brings honor to God. To ensure the satisfaction of company staff and employees through proper remuneration, better living conditions and making the company working environment conducive for unleashing their efficiency and potential the employer employee relationship as mutually beneficial.
