# About Us.

## Introduction

Technos Multiline LLC is a trusted provider and manufacturer of hydraulic, pneumatic, and industrial solutions across the GCC and Middle East. We specialize in a wide range of products including hydraulic hoses, stainless steel braided hoses, PTFE and flexible metal hoses, stainless steel and brass fittings, expansion bellows, valves, cylinders, adapters, flanges, and custom hose and cylinder assemblies.

With a fully equipped workshop, advanced machinery, and a team of skilled technicians, we provide precise fabrication, assembly, testing, and repair services. Our products are engineered for oil & gas, marine, construction, power, and industrial applications, ensuring durability, high performance, and reliability in demanding conditions.

At Technos, we are committed to quality, innovation, and customer satisfaction, delivering complete end-to-end solutions for all your industrial fluid handling and mechanical needs.

**FLEXIBILITY. STRENGTH. RELIABILITY.**

High performance braided metal hose designed for superior durability, corrosion resistance and leak-proof performance in extreme conditions.

# Mission & Vision.

## MISSION

To provide high-quality, reliable, and innovative hydraulic, pneumatic, and industrial solutions that meet the needs of oil & gas, marine, construction, power, and industrial sectors. We aim to deliver precision-engineered products, custom assemblies, and excellent service, ensuring safety, durability, and satisfaction for every client.

## VISION

To be the leading provider of complete industrial fluid handling and mechanical solutions in the GCC and Middle East, recognized for innovation, quality, reliability, and customer-focused service, while continuously expanding our product range and technological capabilities.

## Our Services

Providing expert hydraulic hose and fittings solutions across regions.

### Installation

Expert assembly and on-site installation ensuring precision and reliability.

### Sourcing

We supply trusted international brands tailored to your industry needs.

### Assembling Products

Technos delivers safe, precise industrial column assembling with skilled execution and timely completion.

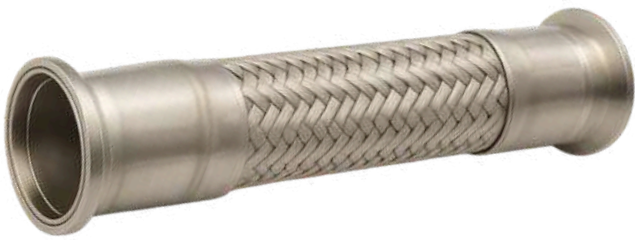

### Extreme Testing

Extreme testing checks products under harsh conditions to ensure strength, safety, and reliable performance.

# Our Product

# FIREGUARD

SS BRAIDED HOSE WITH FIRE HOSE COVER

**100%**  
FIRE PROOF  
PROTECTION

# BUILT TO RESIST. BUILT TO PROTECT.

**FIRE PROOF. RELIABLE. UNSTOPPABLE.**

FireGuard is a premium SS braided hose covered with a high-grade fire hose designed to protect against extreme heat, flames and industrial fire hazards.

#### FIRE PROOF

Does not melt or catch fire

#### MAXIMUM PROTECTION

Shields against high temperature and open flames

#### STAINLESS STEEL BRAIDED

High strength, corrosion resistant and durable

#### LONG LASTING PERFORMANCE

Engineered for demanding environments

#### FLEXIBLE & RELIABLE

Easy to install, even in tight spaces

**WHEN FIRE STRIKES,  
FIREGUARD PROTECTS.**

HIGH TEMP  
RESISTANT

FLAME  
RETARDANT

SAFETY  
ASSURED

TRUSTED IN  
CRITICAL USE
