## Who We Are

**TOTO TRADING LLC** a leading name in the construction industry now provides its services, which are subjected to the highest standards of technical and commercial knowledge, so our clients are always in good hands.

we are more than just a construction chemicals and building materials company. We are a team of dedicated professionals committed to excellence, innovation, and customer satisfaction. Here's what defines us:

**DELIVERING THE  
WORLD-CLASS  
PRODUCTS**

At TOTO Trading LLC quality is our top priority. We source our products from reputable manufacturers known for their commitment to excellence and adherence to industry standards. Our dedicated quality control team ensures that every product meets our stringent quality criteria before it reaches our clients.

We understand the unique needs and challenges of our clients in the construction industry. That's why we prioritize customer satisfaction in everything we do. Our knowledgeable sales team works closely with clients to understand their requirements and recommend the most suitable solutions for their projects. We provide ongoing support and technical assistance to ensure the successful implementation of our products.

As stewards of the environment, we are committed to promoting sustainable practices in the construction industry. We offer eco-friendly products and solutions that minimize environmental impact without compromising performance. By partnering with us, clients can contribute to a greener and more sustainable future.

Looking ahead, we envision Toto Trading LLC as a leader in the construction chemicals and building materials industry, known for our integrity, expertise, and commitment to excellence. We aim to expand our product portfolio, strengthen our partnerships, and continue delivering value to our clients across diverse construction projects.

As a distributor of Mapei Construction Chemicals, we offer a comprehensive range of high-quality solutions for various construction needs. From adhesives and sealants to specialty chemical products, our partnership with Mapei ensures access to innovative, reliable products that meet the highest industry standards. Backed by Mapei's commitment to sustainability and continuous research, we provide our customers with dependable solutions for their building and infrastructure projects.

THE WORLD OF MAPEI IS JUST A CALL AWAY

As a Supplier of Laticrete construction chemicals, we provide a diverse range of high-performance solutions for the construction industry. Laticrete offers innovative products including adhesives, grouts, waterproofing systems, and specialty mortars, designed to meet the unique demands of building and renovation projects.

OUR SOLUTIONS / SOCIAL

## Explore Our Solutions

For over 60 years, LATICRETE® has led the industry with pioneering advancements—developing high-performance building materials for architects and construction professionals worldwide. From time-tested to ground-breaking, our broad product portfolio provides superior quality and value. We are fully committed to innovation, growth, and a complete system component approach.

TILE & STONE  
INSTALLATION SYSTEMS

Ensure a successful installation each and every time with the most comprehensive assortment of innovative tile and stone installation materials available worldwide. LATICRETE® industry-leading products provide complete system solutions from the substrate up through the grout for virtually any type of tile or stone installation in commercial, industrial, and residential applications.

FLOOR & STONE  
CARE PRODUCTS

Properly protect your natural stone, tile and grout with LATICRETE® Floor and Stone Care products. This complete line of specially formulated products has everything you need to protect, enhance and clean your stone, tile and grout, and keep them looking as beautiful as the day they were installed.

FLOORING SYSTEMS

LATICRETE® supplies a variety of commercial and industrial flooring products to provide abrasion, impact and chemical resistance, surface strength, wear resistance, and increased floor surface durability. Product categories include surface preparation, hardeners and densifiers, screeds and toppings, decorative finishes, resinous flooring and terrazzo flooring.

WALL FINISHES

Walls need a touch of more than just the best paints. Applying LATICRETE® wall finishes before getting them painted ensures the protection and durability for your walls! LATICRETE® supplies a variety of commercial and industrial wall finishing products to provide skim coating and smoothing before the application of wall covering solutions.

## LARGE SLABS? NO PROBLEM!

TRUST LATICRETE® ADHESIVES FOR A CONFIDENT FIX, PRESERVING THE ELEGANCE OF YOUR PREMIUM TILES OR STONES!
